English Singer The Life Of Steuart Wilson:

English Singer: the Life of Steuart Wilson Margaret Stewart, 1970 **I Saw Eternity the Other Night** Timothy Day, 2018-11-15 The sound of the choir of King's College Cambridge its voices perfectly blended its emotions restrained its impact sublime has become famous all over the world and for many the distillation of a particular kind of Englishness This is especially so at Christmas time with the broadcast of the Festival of Nine Lessons and Carols whose centenary is celebrated this year How did this small band of men and boys in a famous fenland town in England come to sing in the extraordinary way they did in the twentieth and early twenty first centuries It has been widely assumed that the King's style essentially continues an English choral tradition inherited directly from the Middle Ages In this original and illuminating book Timothy Day shows that this could hardly be further from the truth Until the 1930s the singing at King's was full of high Victorian emotionalism like that at many other English choral foundations well into the twentieth century The choir's modern sound was brought about by two intertwined revolutions one social and one musical From 1928 singing with the trebles in place of the old lay clerks the choir was fully made up of choral scholars college men reading for a degree Under two exceptional directors of music Boris Ord from 1929 and David Willcocks from 1958 the style was transformed and the choir broadcast and recorded until it became the epitome of English choral singing setting the benchmark for all other choral foundations either to imitate or to react against Its style has now been taken over and adapted by classical performers who sing both sacred and secular music in secular settings all over the world with a precision inspired by the King's tradition *I Saw Eternity the Other Night* investigates the timbres of voices the enunciation of words the use of vibrato But the singing of all human beings in whatever style always reflects in profound and subtle ways their preoccupations and attitudes to life These are the underlying themes explored by this book *Benjamin Britten in Context* Vicki P Stroehrer, Justin Vickers, 2022-04-21

of Peter Pears, 1936-1978 Peter Pears, 1995 PETER PEARS's reputation as an outstanding and distinctive tenor is grounded in his interpretations of Benjamin Britten's works their partnership of thirty years significantly shaped and defined musical developments not only in England but on a broader plane Throughout their busy professional lives they travelled extensively on concert tours and on holiday finding fresh stimulus in change Pear's twelve travel diaries brought together in this volume record much of that travel and provide valuable contextual material on the musical development of both Pears and Britten The first diary dates from 1936 the year before his friendship with Britten began when he went on tour to North America with the New English Singers Other diaries record the five month tour to the Far East and the important encounters especially for Britten with the gamelan music of Bali and the Japanese Noh theatre visits to Russia as guests of Mstislav Rostropovich and his wife Galina Vishnevskaya where they met significant figures from Russian musical life and attendance at the Ansbach Bach Festival when Pears was at the height of his career Also recorded are holidays in the Caribbean and Italy a concert tour through the north of England and accounts of the rehearsals and performances of the New York premieres of *Billy Budd* and *Death in Venice* *Song* John Potter, 2023-01-01 From one of our most innovative singers a vibrant history of song stretching from Hildegard von Bingen and Benjamin Britten to Björk Songs can be intensely personal whether you hear them or sing them and none of us would choose the same twelve songs as anyone else My choices are based on decades of performing experience in many different genres but I hope they will reveal aspects of our common humanity as the story evolves from the Middle Ages to the present In this celebratory account author and singer John Potter tells the European story of song The form has captivated audiences and excited performers for centuries from the music of the troubadours and the Christian liturgy through classical composers such as Bach and Schumann up to Britten Berio and the rise of popular music Choosing twelve key works Potter offers a personal tour through this vital tradition from John Dowland's *Flow My Tears* to George Gershwin's *Summertime* Throughout he reveals who wrote and sang these joyful masterpieces and what they mean to singers and audiences today **A Bibliography of British History, 1914-1989** Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index Covent Garden Norman Lebrecht, 2001 The turbulent story of one of Britain's most famous concert halls **British Catalogue of Music, 1957-1985** Michael D.
