Originally published in 1945 this volume represented the first to classify Bantu languages This volume does not record all the
dialects but makes reference to those in which some grammatical study has been done and classifies them according to
mainly geographical zones Owing to tribal migrations individual members of a particular zone may be living among members
of a different zone as has been the case with the Ngoni South Eastern Zone who are found among the Eastern Bantu but the
zone label is taken from the habitat of the majority **Guide to Reprints** ,2004 *Reference Catalogue of Current*
