Twentieth century depictions of the gentleman thus have much to tell us about rapidly changing conceptions of national class and gender identity *The Living Age* ,1928 *Journal of the British Institute of International Affairs* ,1922 **Cassell's Family Magazine** ,1888 *Usage and Abusage* Eric Partridge,1997 A handbook of advice on the proper use of the English language Includes a section on vogue words that have acquired a power and influence beyond what they originally possessed
