**The Mystery of Mary Stuart** Andrew Lang, 2016-09-10. Mr Carlyle not unjustly described the tragedy of Mary Stuart as but a personal incident in the true national History of Scotland. He asked for other and more essential things than these revelations of high life. Yet he himself wrote in great detail the story of the Diamond Necklace of Marie Antoinette. The diamonds of the French, the silver Casket of the Scottish Queen, with all that turned on them, are of real historical interest for these trifles brought to the surface the characters and principles of men living in an age of religious revolution. Wells were sunk as it were deep into human personality, and the inner characteristics of the age leaped upwards into the light. For this reason the *Mystery of Mary Stuart* must always fascinate; moreover, curiosity has never ceased to be aroused by this problem of Mary's guilt or innocence. Hume said a hundred and fifty years ago that the Scottish Jacobite who believed in the Queen's

innocence was beyond the reach of reason or argument Yet from America Russia France and Germany we receive works in which the guilt of Mary is denied and the arguments of Hume Robertson Laing Mignet and Froude are contested Every inch of the ground has been inspected as if by detectives on the scene of a recent murder and one might suppose that the Higher Criticism had uttered its last baseless conjecture and that every syllable of the fatal Casket Letters the only external and documentary testimony to Mary's guilt must have been weighed tested and analysed But this as we shall see is hardly the fact There are points as yet unseized by Germans Mary was never tried by a Court of Justice during her lifetime Her cause has been in process of trial ever since      *The Mystery of Mary Stuart* Lang Andrew,2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      *The Renaissance Hamlet* Roland Mushat Frye,2014-07-14 Drawing on recent advances in historical knowledge the author describes contemporary attitudes toward issues such as rebellion conscience regicide incest retribution and mourning His investigation reveals a number of convincing new reasons for viewing Hamlet not as an irresolute young man but as a vigorous and determined figure in confrontation with the moral dilemmas of his age By understanding the play in its original terms we find that it takes on new depth and power for our own time Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **The Mystery of Mary Stuart** Andrew Lang,2021-04-23 the mystery of mary stuart From Andrew Lang

**James VI and the Gowrie Mystery** Andrew Lang,1902 An old Scottish lady many generations ago used to say It is a great comfort to think that at the Day of Judgment we shall know the whole truth about the Gowrie Conspiracy at last Since the author as a child read *The Tales of a Grandfather* and shared King Jamie's disappointment when there was no pot of gold but an armed man in the turret he had supposed that we do know all about the Gowrie Conspiracy that it was a plot to capture the King carry him to Fastcastle and see how the country would take it as in the case of the Gunpowder Plot But just as Father Gerard has tried to show that the Gunpowder affair may have been Cecil's plot so modern historians doubt whether the Gowrie mystery was not a conspiracy by King James himself      **The Mystery of Mary Stuart (Classic Reprint)** Andrew Lang,2016-06-21 Excerpt from *The Mystery of Mary Stuart* In revising this book I have corrected a number of misreadings in the Arabic numerals of dates of years I owe much to Mr David Bruce Gardyne and Mr Hay Fleming In

deference to other criticisms offered privately I have somewhat modified certain phrases about the hypothetical forged letter as quoted by Moray and Lennox pp 211 236 That such a letter once existed is of course an inference on which readers must form their own opinion The passage as to the site of Damley s house Kirk o Field pp 124 131 ought to have been banished to an Appendix On any theory the existence of the town wall shown in the contemporary chart opposite p 130 is a difficulty The puzzle is caused by the chart of 1567 reduced in the design given at p 130 In all published forms the drawing is given as it is here But it reverses the points of the compass east and west About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
