Robert Jefferson Breckenridge, 1831 Making Friends with Money Ms Sanni Kruger, 2011-09-01 Sanni Kruger was once so short of money that all she could afford to eat was baked beans and potatoes Now an accountant she has published a book designed to help people who don't have enough cash or simply think they don't to live more fulfilled lives by changing their attitude to money Sanni learned about money management as a young girl by helping out at her father's accountancy practice in her home city of Hamburg Germany Now living and working in Bristol she owns and runs Holistic Money Manager a financial coaching service for people who need help managing their money She wrote Making Friends With Money subtitled How to start feeling wealthy without waiting till you're rich after realising how many people allow money problems to dominate their lives Her work has taught her that there is very little correlation between how much people have and how happy they are It's all about your relationship with the money in your life she says My book invites you to define your real goals and then shows you how to make your money help you to achieve them however much or little you have There is plenty of help and advice available for those who have lots of money and for those who are genuinely poor But there is very little for the many who are somewhere in between The book's first lesson is how to get out of

debt and stay out of it So many of us allow debt to get out of control by trying to pretend it will go away says Sanni It becomes the ogre under the bed the nagging voice that wakes us in the middle of the night It s far better to take control With proper planning you can work out a budget that enables you to keep your creditors off your back while leaving enough for the quality of life you want Once you are out of debt you will find that money comes to you in ways you hadn t imagined
