Substantially revised and updated the second edition of this highly acclaimed text is both a vital guide and a valuable critical analysis The book provides a contemporary comparative approach to the process of transformation of the economies of Eastern Europe and Russia Supplying a large amount of factual and statistical information it also includes consideration of recent progress in the areas of macro economic stabilisation micro economic restructuring and integration into the world economy    *Eastern Europe in Crisis and the Way Out* Christopher Saunders,2016-07-27 In this volume practitioners and theorists from East and West assess the results of four years of transformation in Eastern Europe In a general assessment of the stabilisation policies pursued some authors take a critical view of the conventional monetary and fiscal restrictive programmes which have helped to bring down inflation and to introduce elements of the market economy but have also left the economies concerned with heavily reduced output and real incomes An evolutionary strategy of structural transformation and demand management should play a primary role in recovery from the transformational recession Further issues discussed are the reform of the financial sector liberalisation of foreign trade privatisation and restructuring and the social aspects of transformation

**Global Social Policy** Bob Deacon,1997-10-27 This accessible text looks at the impact of the globalization process on social policy National social policy is increasingly determined by global economic competition and international organizations Its substance is becoming more and more transnational and now has to be understood in terms of global social redistribution social regulation social provision and empowerment Global Social Policy examines trends in global inequity and summarizes the diverse experiences of different welfare regimes across the world The authors review the social policies of international organizations such as the World Bank the International Monetary Fund UN Agencies and the

European Union and show them to be engaged in heated controversy regarding the future for welfare They argue that this concealed global discourse needs to be brought into an accountable arena *Underground Economies in Transition* Edgar L. Feige,Katarina Ott,2019-05-23 Published in 1999 this work examines the crucial role played by unofficial and underground activities in the transitional economies of Central and Eastern Europe and new independent states Countries undergoing radical transformations from socialism to capitalism experience fundamental changes in institutional rules governing property rights government regulations taxation and the appropriate conduct of public service Underground and unofficial activities represents non compliant economic behaviours involving evasion avoidance circumvention abuse and or corruption of the institutional rules as well as efforts to conceal these illicit behaviours from the view of public authorities The book employs the conceptual framework of the new institutional economics to elaborate the theoretical relationship between underground activities and overall performance of transition economies The social cultural and economic causes of unofficial activities are examined as well as their consequences for economic policy and performance Policy issues include the relationship between tax evasion and corruption the underground economy and organized crime state and regulation and methods and consequences of legalization of the underground economy *Economic Research Report ,1993 Problems of Economic and Political Transformation in the Balkans* Ian Jeffries,1996 Provides an assessment of the problems of transformation in the Balkan countries covering topics on both politics and economics The book gives an overview of the problems of transition and also country specific coverage including Albania Bulgaria Romania and the former Yugoslavia

**The Global Gamble** Peter Gowan,1999-08-17 Peter Gowan argues that since the collapse of the USSR the US government has been trying to bring about a unipolar world in which the United States can control and shape the pattern of economic and political change in all regions of the globe **From Alliance Practices to Alliance Capitalism** Sabine Urban,2013-03-08 Das Ph nomen strategischer Allianzen gewinnt weltweit zunehmend an Bedeutung Unternehmen mit klar definierten Organisationsstrukturen geben ihre Entscheidungsautonomie auf und bilden zusammen mit ausl ndischen Unternehmen Netzwerkorganisationen um auf diese Weise Wettbewerbsvorteile im globalen Markt zu gewinnen F rt diese Entwicklung zu einem neuen Kapitalismus oder zu einem Allianz Kapitalismus Was bedeutet dies f r die sozio konomischen Systeme der beteiligten L nder Renommierte Wissenschaftler aus sechs L ndern nehmen zu diesen Fragen Stellung

*Economics and Politics* Pavol Karasz,Jana Plichtov,Vladim Kriv,1995 *Regional Behaviour* Dimitrios C. Christopoulos,2018-02-06 This title was first published in 2001 In the framework of the EU a number of policies have been devised for regions in order to facilitate their balanced economic development The author argues that the focus on regional planners and their actions in academic literature has obscured the importance of regional elites in this process The author compares Western Scotland and the west of Crete focusing on the wider regional political and business elites within these regions and attempting a comparison of elite attitudes within regions and between regions *Monetary Policy Frameworks*

*in a Global Context* Lavan Mahadeva, Gabriel Sterne, 2012-11-12 This broad ranging collection assesses the links between targets and central bank independence accountability and the transparency of monetary policy Renowned experts contribute to this original and comprehensive text which will be of great value to professional economists and students of economics and banking alike Monetary Policy Frameworks in a Global Context was named Book of the Year 2000 by Central Banking journal
