Economic History Of Asia And Africa:

Paths to the Emerging State in Asia and Africa Keijiro Otsuka, Kaoru Sugihara, 2019-01-16 This book is open access under a CC BY NC ND license This book addresses the issue of how a country which was incorporated into the world economy as a periphery could make a transition to the emerging state capable of undertaking the task of economic development and industrialization It offers historical and contemporary case studies of transition as well as the international background under which such a transition was successfully made or delayed by combining the approaches of economic history and development economics Its aim is to identify relevant historical contexts that is the initial conditions and internal and external forces which governed the transition It also aims to understand what current low income developing countries require for their transition Three economic driving forces for the transition are identified They are 1 labor intensive industrialization which offers ample employment opportunities for labor force 2 international trade which facilitates efficient international division of labor and 3 agricultural development which improves food security by increasing supply of staple foods The book presents a bold account of each driver for the transition [Economic History of Asia and Africa](#) Lilian Charlotte, 1998 **Africa and Asia in Comparative Economic Perspective** P. Lawrence, C. Thirtle, 2001-05-14 This invaluable collection compares the relatively unsuccessful economic development of Sub-Saharan Africa with that of the successful Asian economies especially the Asian tigers It covers three main areas of comparison the lessons for Africa from the Asian experience secondly the comparisons of various aspects of economic development in Africa and Asia and finally convergence how far the laggard economies are catching up with or diverging away from each other [Fiscal Capacity and the Colonial State in Asia and Africa, c. 1850-1960](#) Ewout Frankema, Anne Booth, 2020 How colonial governments in Asia and Africa financed their activities and why fiscal systems varied across colonies reveals the nature and long term effects of colonial rule **Agricultural Development in Asia and Africa** Jonna P. Estudillo, Yoko Kijima, Tetsushi Sonobe, 2022-12-01 This Open Access book explores the multifaceted nature of agricultural and rural development in Asia and examines the extent to which the Asian experience is being replicated in contemporary Africa This volume compiles the works of top scholars who provided analyses and evidences from household level surveys collected for many years in several parts of Asia and Africa The most important finding presented in this book is that African agricultural development has evolved following the pathways of Asian agricultural development The common pathways are borrowed technology from abroad and adaptive research in rice farming secured property rights on natural resources adoption of ICTs investments in human capital including training and launching of the high value agriculture In both continents agricultural development started in the crop sector which had a strong tendency to induce the dynamic development of other sectors in rural areas **Africa, Asia, and South America Since 1800** A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published

since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin s Press Annotation copyright Book News Inc Portland Or

The Economies of Africa and Asia in the Inter-war Depression (Routledge Revivals) Ian Brown,2014-11-13 The great inter war depression has long been seen as an unprecedented economic disaster for the peoples of the non European world This book with its detailed assessment of the impact of the depression on the economies of Africa and Asia challenges the orthodox view and is essential reading for those with a teaching or research interest in the modern economic history of those continents Established specialists in the modern economic history of parts of Africa or Asia put forward a number of revisionist arguments They show that some economies were left essentially unscathed by the depression and that for many export dependent peasant communities which did face a severe drop in cash income as world commodity prices collapsed from the late 1920s there was a range of important responses and reactions by which they could defend their economic welfare For many peasant communities the depression was not a disaster but an opportunity

Cultural Sociology of the Middle East, Asia, and Africa Andrea L. Stanton,2012 In our age of globalization and multiculturalism it has never been more important to understand and appreciate all cultures across the world The four volumes take a step forward in this endeavour by presenting concise information on those regions least well known to students across Europe the Middle East Asia and Africa The volumes convey what daily life is like for people in these selected regions Entries will aid readers in understanding the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions Key Features Topics are explored within historical context in three broad historical periods prehistory to 1250 1250 to 1920 and 1920 to the present One volume each is devoted to the regions of the Middle East and Africa and then one volume to East and Southeast Asia and a final volume to West Central and South Asia The volumes include extensive use of photographs and maps to explain cultural and geographic content Each volume has its own volume editor with expertise in that particular region Key Themes Arts Culture and Science People Society and Dynasties Religion and Law Family and Daily Life Conflicts and Wars Politics and Government Health and Education Economy Trade and Industry National Geography and History

South Asia and Africa After Independence Bernard Waites, 2012-01-17 Post colonial South Asia and Africa invite comparison along with their political boundaries they inherited from colonial regimes administrative languages a cluster of sovereign state institutions and modern economic nuclei When they became independent South Asian and African states were for all their diversity thrust into a common position in the international system and embarked on a common history as emergent non aligned developing nations This is the first book to offer a single volume comparative history of postcolonial South Asia and sub Saharan Africa in the first generation since independence South Asia and Africa After Independence draws together the political and economic history of these two regions assessing the colonial impact establishing breaks and continuities and highlighting their diversity and interplay Waites sets out a framework for analysing the first generation of post colonial history offering an interpretation of post colonialism as a historical phenomenon and provocatively challenging us to re think this term in relation to South Asian and African history This book is an important reference for the study of global world African and South Asian history

Routledge Handbook of Africa-Asia Relations Pedro Amakasu Raposo, David Arase, Scarlett Cornelissen, 2017-10-30 The Routledge Handbook of Africa Asia Relations is the first handbook aimed at studying the interactions between countries across Africa and Asia in a multi disciplinary and comprehensive way Providing a balanced discussion of historical and on going processes which have both shaped and changed intercontinental relations over time contributors take a thematic approach to examine the ways in which we can conceptualise these two very different yet

inextricably linked areas of the world Using comparative examples throughout the chronological sections cover Early colonialist contacts between Africa and Asia Modern Asia Africa interactions through diplomacy political networks and societal connections Africa Asia contemporary relations including increasing economic security and environmental cooperation This handbook grapples with major intellectual questions defines current research and projects future agendas of investigation in the field As such it will be of great interest to students of African and Asian Politics as well as researchers and policymakers interested in Asian and African Studies *Comparative Development Experiences of Sub-Saharan Africa and East Asia* Ernest Aryeetey, 2017-11-01 Title first published in 2003 This comprehensive book focuses on the prevailing conditions in Asia and Africa under various macroeconomic and sectoral themes in order to provide in depth explanations for the divergent development experiences of the two regions Seeking to go further than the simple comparison of policies the book carefully examines the institutional context for policy implementation within which growth and development have proceeded in the regions **Asia-Africa Development Divergence** David Henley, 2015-02-12 Why have South East Asian countries like Malaysia Indonesia and Vietnam been so successful in reducing levels of absolute poverty while in African countries like Kenya Nigeria and Tanzania despite recent economic growth most people are still almost as poor as they were half a century ago This book presents a simple radical explanation for the great divergence in development performance between Asia and Africa the absence in most parts of Africa and the presence in Asia of serious developmental intent on the part of national political leaders Land Tenure Reform in Asia and Africa S. Holden, K. Otsuka, K. Deininger, 2013-08-30 Rural poverty remains widespread and persistent in South Asia and Sub Saharan Africa A group of leading experts critically examines the impact of land tenure reforms on poverty reduction and natural resource management in countries in Africa and Asia with highly diverse historical contexts Civil Military Interaction in Asia and Africa Kennedy, Louscher, 2021-11-08 The focus of this book is on the interaction between the civilian government and the military in Asian and African countries The authors have gone to great lengths to provide an accurate analysis of both the advantages and the shortcomings of the respective countries attempts to reach civil military cooperation Each article provides the reader with the information necessary to make a preliminary judgement on the efficiency of the given country's ability to achieve harmony between their government and their military Slavery and Resistance in Africa and Asia Edward A. Alpers, Gwyn Campbell, Michael Salman, 2013-09-13 First published in 2004 This book previously published as a special issue of the journal *Slavery and Abolition* provides pioneering studies on the nature and structure of resistance to forms of bondage in Africa Asia and the Indian Ocean world **Structure of Slavery in Indian Ocean Africa and Asia** Gwyn Campbell, 2004-11-23 The abolition of slavery in and around the Western Indian Ocean have been little studied This collection examines the meaning of slavery and its abolition in relation to specific indigenous societies and to Islam a religion that embraced the entire region and draws comparisons between similar developments in the Atlantic system Case studies include South Africa Mauritius Madagascar

the Benadir Coast Arabia the Persian Gulf and India This volume marks an important new development in the study of slavery and its abolition in general and an original approach to the history of slavery in the Indian Ocean and Asia regions
