Economics Fredrick L. Golladay,1978-01-01 Current Economic Problems Walton Hale Hamilton,1919 Basic Economics: Problems, Principles, Policy Reuben E. Slesinger,Jack W. Osman,1972 **Perpetuation of the United States of America** John H. Davis,2014-12-08 The book addresses the concerted actions that the U S government and responsible citizens must take to resolve the current major recurring social economic political and environmental problems and issues to save the nation from self induced destruction These problems and issues also make the nation vulnerable to hostile external threats such as international terrorism and attacks against U S interests by adversarial nations Former President Abraham Lincoln said America will never be destroyed from the outside If we falter and lose our freedoms it will be because we destroyed ourselves The current social economic and political situation and the negative attitudes manifested by many Americans could cause us to falter and suffer self induced destruction The publication highlights how the execution of the democratic process in accordance with the provisions of the U S Constitution restoration the tradition family unit and national core values embracing inherent duties and responsibilities eradication of social economic and political injustices and learning to live in harmony with mankind and nature can help eradicate major problems plaguing the United States today and ensure that this government of the people by the people for the people shall not perish from the earth *Economics* Fredrick L. Golladay,1978 *Public Priority Setting: Rules and Costs* Peter B. Boorsma,Kees Aarts,Albert E. Steenge,2012-12-06 At present we observe a decreasing role for the state in many areas where it used to be prominent Amidst severe budgetary cuts the state and its organs are confronted with ever louder calls for efficiency in public office value for money and public performance Simultaneously we see in many democratic welfare states the rise of new institutional forms and social organizations responding to new public priorities Phenomena like privatization and de regulation new forms of regulation and self regulation and the rise of special issue groups are an expression of this This book seeks to provide order in some of today s issues and to offer analysis and explanation for selected topics The book opens with contributions on the importance of concepts of present day institutional economics interpreting modern governmental behavior and organization Subsequent chapters deal with new developments in various fields such as environmental management and conservation political legitimacy or the new roles for covenants Audience This volume will be of interest for scholars in the fields of public service government studies and adjacent branches of economics political science and law

Setting Priorities for Science United States. Congress. House. Committee on Science and Technology. Subcommittee on Science, Research, and Technology,1983

Climate Change and Liberal Priorities Gideon Calder,Catriona McKinnon,2013-09-13 Can and should liberalism make itself hospitable to a politics which does justice to climate change To what extent are the values methods and assumptions of liberalism adaptable to the challenges raised Liberal thinking broadly construed may dominate the Academy and the political landscape Are the environmental priorities that are thrown into relief by climate change a threat to it or are they an opportunity for it to show its worth This book explores fresh arguments by leading scholars both of whom are sceptical of liberalism s capacity to meet these challenges and sympathetic to the project of developing liberal values so as to create a liberal approach that can deliver climate change justice The chapters appeal to new insights and considerations reveal the complexity of the issues at stake in the real world of climate change politics They make the political theory of climate change justice available to decision makers whose practice will determine whether we achieve it This book was previously published as a special issue of Critical Review of International Social and Political Economy
