### Why 'Regionalism' matters?

---

- Deepening and widening process of globalization made 'region' in the different context
  - How the current process of regionalism is different from ones of decades ago?
  - Were there any historical trends or waves of 'making of a region'?

**Chinese Economic History Since 1949** Michael Dillon, 2017-06-01 China s economic development has become a matter of world wide interest since the boom that began in the 1980s Key Papers in Chinese Economic History since 1949 offers a selection of outstanding articles that trace the origins of the modern Chinese economy Topics covered include agriculture and the rural economy

industrialisation and urbanisation finance and capital political economy and international connections     Japanese Business Management Harukiyo Hasegawa, Glenn D. Hook, 2002-11-01 In this study the views of Japan's leading experts on the globalization of Japanese business management and industrial relations explain how traditional Japanese style management is responding to the changes following the collapse of the bubble economy The areas covered include the changes made in management itself inside Japan and also how it is adapting itself when transferred overseas The book demonstrates how management is moving towards a hybrid type in overseas operations and towards a western style in Japan where contractual principles are beginning to be given greater weight     **Agricultural Economic Report** ,1967     **China, India and the International Economic Order** Muthucumaraswamy Sornarajah, Jiangyu Wang, 2010-08-26 With contributions by a variety of internationally distinguished scholars on international law world trade business law and development this unique examination of the roles of China and India in the new world economy adopts the perspectives of international economic law and comparative law The two countries are compared with respect to issues concerning trade and development the World Trade Organization international dispute settlement regional free trade agreements outsourcing international investment foreign investment corporate governance competition law and policy and law and development in general The findings demonstrate that though their domestic approaches to economic issues diverge China and India adopt similar stances at the international level on many major issues recapturing images which existed during the immediate post colonial era Cooperation between China and India could provide leadership in the struggle for economic development in developing countries     **The Growth-Oriented Economic Policy of the EU** Angelo Santagostino, 2020-08-13 Growth is slow in the EU but growth potentialities remain high in spite of the exit of the UK and in spite of the COVID 19 pandemic and we can observe a disparity between reality and potentialities Does the persistent difference between expected and real benefits mean that the EU integration model is not working No It continues to be effective because it is rule based However these rules are not enough to grasp all the potentialities of integration We need a better integrated single European market and a more open trade policy in the framework of health security safety energy environment and labour standards establishing the rules of the competition but leaving the economic agents free to act The book explores Brexit capital markets energy health and bilateral trade policies with the main European partners in the light of their effects and contribution to European growth It emerges that this huge trade block is vital but must find the political capacity to move towards a closer integration to close the gap between reality and potentiality The text will appeal to a public interested in the economic problems of the EU and will be of interest to policy makers and all those who are involved in the process from proposals to decisions of making a more integrated Europe
