Economics Politics Age Of Inflation:

Economics, Politics and the Age of Inflation Paul Mattick, 2017-03-16 Originally published in 1978 the essays in this text discuss issues surrounding inflation governmental roles in economic matters and varying economic systems and theories with a particular lean towards discussing capitalism evaluating how all of these factors affect the economic state of America Mattick takes on the view that Economics is not an exact science and calls into question its predictive powers and as such emphasises the issues that he felt needed most attention at the time of writing This title will be of interest to students of economics and politics

Economic and Monetary Sovereignty in 21st Century Africa Maha Ben Gadha, Fadhel Kaboub, Kai Koddenbrock, Ines Mahmoud, Ndongo Samba Sylla, 2021-12-20 Over forty years after the formal end of colonialism suffocating ties to Western financial systems continue to prevent African countries from achieving any meaningful monetary sovereignty Economic and Monetary Sovereignty in 21st Century Africa traces the recent history of African monetary and financial dependencies looking at the ways African nations are resisting colonial legacies Using a comparative multi disciplinary approach this book uncovers what went wrong after the Pan African approaches that defined the early stages of independence and how most African economies fell into the firm grip of the IMF World Bank and the EU's strict neoliberal policies This collection is the first to offer a wide ranging comparative and historical look at how African societies have attempted to increase their policy influence and move beyond neoliberal orthodoxy and US dollar dependency Economic and Monetary Sovereignty in 21st Century Africa is essential reading for anyone interested in the African quest for self determination in a turbulent world of recurring economic and financial crisis

Property Companies and the Construction Industry in Britain Hedley Smyth, 1985-09-12 This book was the first detailed and systematic account of the property and construction sectors of the British economy Developing out of a materialist theoretical perspective Dr Smyth provides an alternative explanation of the different characteristics of the two sectors and rejects traditional notions of the backwardness of the construction sector The specific historical experience of the Second World War and the rebuilding it necessitated provides the basis of this analysis and it is argued that the particular divergencies of the construction sector stem from periods of wider economic crisis Similar periods of crisis have shaped the property sector which dependent upon the complex relationship between ground rent the value of the building and building rent cannot be understood in terms of urban rent Property companies and the construction industry in Britain challenges both established and radical thinking and its historical account of the development management and production of the built environment in the years since 1939 addresses some of the central concerns of human geography today

Ferraris for All Daniel Ben-Ami, 2012-03-14 The growth of the economy and the spread of prosperity are increasingly seen as problematic rather than positive a trend Daniel Ben Ami has termed growth scepticism Prosperity is accused of encourage greed damaging the environment causing unhappiness and widening social inequalities Ferraris for all A defence of economic progress is a rejoinder to the growth

sceptics Using examples from a range of countries including the US the author argues that society as a whole benefits from greater affluence Action is needed but to increase abundance and spread it worldwide not to limit prosperity as the sceptics would have it The lively and provocative hardback edition was published to widespread coverage in 2010 and triggered debate and dissent in equal measure Economics, Politics, and American Public Policy James Gosling, Marc Allen Eisner, 2015-01-28 This text introduces students to the interrelationship of politics and economics in American public policymaking how economic concerns have been legislated into law since Franklin Roosevelt's time and how politics e.g Washington gridlock affects the economy and the making of public policy Students learn how to measure various indicators of economic performance how the U S economy works domestically and with international linkages and how and why policymakers act to stabilise an economy in an economic downturn Additionally many social insurance programs Social Security Medicare Medicaid are explained and the current fiscal issues concerning current future costs are treated in some detail The book concludes with a full chapter case study on the Obama administration's response to the Great Recession and its dealings with Congress the implementation of the Affordable Care Act is also discussed Production, Distribution, and Growth in Transitional Economies M. Katherine Perkins, 1988-09-26 Perkins argues that development theory can be improved by considering the causal effects of precapitalist structures in developing countries on their transition to capitalism Applying French Structuralist analysis she proposes a theoretical framework tying production relations to key issues in development The opening chapters review and critique French structuralist thought The book also examines the structuralist theory of production modes the concept of economic calculation a new theory of prices inflation in developing countries and agricultural credit expansion export subsidies tenancy and labor laws and land taxation Finally Perkins invites others to transcend the limits of orthodox thinking and to seek creative solutions to the problems of underdevelopment *The Recomposition of the British State During the 1980s* Werner Bonefeld, 1993 Focuses on theoretical and political issues of the relationship between money and the state raised by the crisis of Keynesianism and the rise of monetarism On the basis of a formulation of Marxist theory the study locates different policy areas in terms of an accommodation of the British state Soviet Statutes & Decisions, 1977 **The Cumulative Book Index**, 1979 A world list of books in the English language *Economic Politics in the United States* William R. Keech, 2013-10-14 The book shows how and why democracy has worked well or badly as measured by US macroeconomic performance *Studies in Soviet Economic Planning* Aron Kat[s]enelinboigen, 1978 **Soviet Studies in History**, 1979 *Eastern European Economics*, 1977 **Matekon**, 1978 *Interactions in Political Economy* Steven Pressman, 1996-08-08 This volume commemorates a decade of the Malvern Conference Written by economists for economists in celebration of some of the best minds of this century **Economic Report of the President Transmitted to the Congress** United States. President, 1990 Reports for 1962 include The annual report of the Council of Economic Advisers title varies slightly **On the Inaccuracies of Economic Observations** Peter

A.G. van Bergeijk, 2024-06-05 This informative book reveals the pervasive nature of large inaccuracies in economic statistics Drawing on numerous real world examples including case studies from advanced and developing countries Peter van Bergeijk presents profound insights into how downplaying these errors undermines the scientific rigour of economic analysis and outlines how to manage uncertainty in economic analysis moving forward **The Character Factor** James P. Pfiffner, 2004 Annotation The American president s character matters To most Americans it matters deeply But how do we define what character means and why can t we agree In this sober probing consideration of the character factor and the presidency veteran political analyst James P Pfiffner leads us through a survey of three aspects of presidential character that have proved problematic for recent chief executives lies promise keeping and sexual probity His goal is not to tell us which presidents have been good and which bad Rather he helps us think critically and impartially about complex character issues and invites us to reach our own conclusions The Character Factor avoids both moral judgments and cynicism It helps us look at our presidents and our presidential candidates without illusions knowing that flawed men can still be great leaders but that some flaws deserve defeat at the polls or even the ultimate presidential sanction impeachment **Overview and Assessment of Economic and Regional Development Programs Under the Jurisdiction of the Subcommittee on Economic Development** United States. Congress. House. Committee on Public Works and Transportation. Subcommittee on Economic Development, 1981 **Subject Catalog, 1979** Library of Congress, 1979
