Economics Today Roger LeRoy Miller,1998-11 *Value and the World Economy Today* R. Westra,A. Zuege,2003-11-30
Value and the World Economy Today brings together a diverse group of globally renowned scholars of international political economy and critical economics to examine the relevance of value theory for understanding the world economy today The book is unique in the way that it connects literatures that have for the most part developed in isolation from each other and therefore brings questions of theory to bear directly upon the problems of analyzing current global trends and formulating responses to them *Feminist Economics Today* Marianne A. Ferber,Julie A. Nelson,2020-05-22 The 1993 publication of Marianne A Ferber and Julie A Nelson s *Beyond Economic Man* was a landmark in both feminist scholarship and the discipline of economics and it quickly became a handbook for those seeking to explore the emerging connections between the two A decade later this book looks back at the progress of feminist economics and forward to its future offering both a thorough overview of feminist economic thought and a collection of new high quality work from the field s leading scholars

Economic Developments In India : Monthly Update, Volume -49 Analysis, Reports, Policy Documents Editors : Raj Kapila & Uma Kapila,2002 *Pluralist Economics* Edward Fullbrook,2009-05-15 This book is an authoritative and accessible guide to the pluralist movement threatening to revolutionise mainstream economics Leading figures in the field explain why pluralism is a required virtue in economics how it came to be blocked and what it means for the way we think about research and teach economics The first part of the book looks at how neoclassical economics gained its stranglehold particularly in the United States and how the social and intellectual underpinnings of economics have enabled it to maintain this in the face of inconsistent evidence from the real world This is then contrasted with different approaches to pluralism *Pluralist Economics* then goes on to address the array of arguments for establishing pluralism showing how economics came to function as a concealed ideology and not as a science and how value free economics is an illusion Finally it addresses the practical problems presented by this different way of doing economics **Economics Today 1999-2000** Roger Leroy Miller,1999 **Economic Developments In India : Monthly Update, Volume -53 Analysis, Reports, Policy**
