different animals People read many self help and spiritual books telling them how to find their way in life but rarely do they know how to put this precious information into action This is a book of the simple basic truths you and your ancestors have heard since the very beginning of time If you take the time to connect these truths with your inner self you may never need to search You might realize the essence of life force has been with you all along Searching is a worthy pursuit but finding leads to the road of enlightenment I wish you the best on your first step towards the truth within you      **The ABC's of Chakra**
