The Living Church ,1960 *The Company of the Creative* David L. Larsen, Great works and authors of the world are introduced and reviewed artistically intellectually and theologically Persons discussed include Plato Milton Dickens Shakespeare Charlotte Bronte Mark Twain and C S Lewis *Christian Poetry in America Since 1940* Micah Mattix,Sally Thomas,2022-09-06 Winner of the 2023 Christianity Book Award Culture The Arts One of the best and least expected anthologies in decades Joseph Bottum Poetry editor New York Sun Showcasing thirty five American poets born in or after 1940 this anthology confirms that one of the most vibrant developments in contemporary verse has been a renewed engagement with the Christian faith Across a full spectrum of Christian belief including the struggle to believe at all these poets bring the power of their art to bear on serious questions how to understand the goodness of God in a fallen and tragic world how to reconcile universal truths with the particularities of human experience how to render familiar events of salvation history in new language that generates its own epiphanies As Christian engagement assumes a multiplicity of modes and voices so does contemporary poetry in America This volume then selective yet representative features the work of early mid and late career poets formalists free verse poets and experimenters in prosody This anthology bears witness to the poetic mind as it seeks that which is above **An Introduction to Christian Worldview** Tawa J. Anderson,W. Michael Clark,David K. Naugle,2017-10-10 Why do worldviews matter What characterizes a Christian worldview Part of being a thoughtful Christian means being able to understand and express the Christian worldview as well as developing an awareness of the variety of worldviews Well organized clearly written and featuring aids for learning this is the essential text for either the classroom or for self study **Finding Calm in the Chaos** Kathleen Long Bostrom,2005-01-01 The bestselling author of *God Loves You* now offers a book of devotions to help women create calm in the chaos of their busy lives Comprised of 28 days of devotions for each month of the year *Finding Calm in the Chaos* is the perfect gift for women who do too much C.S. Lewis and Christian Postmodernism Kyoko Yuasa,2017-05-25 Employing a postmodernist literary approach Kyoko Yuasa identifies C S Lewis both as an antimodernist and as a Christian postmodernist who tells the story of the Gospel to twentieth and twenty first century readers Lewis is popularly known as an able Christian apologist talented at explaining Christian beliefs in simple logical terms His fictional works on the other hand feature expressions that erect ambiguous borders between non fiction and fiction an approach similar to those typical in postmodernist literature While postmodernist literature is full of micronarratives that deconstruct the Great Story Lewis s fictional world shows the reverse in his world micronarratives express the Story that transcends human understanding Lewis s approach reflects both his opposition to

modernist philosophy which embraces solidified interpretation and his criticism of modernised Christianity Here Yuasa brings to the fore Lewis's focus on the history of interpretation and seeks a new model Extraordinary Women of Christian History Ruth A. Tucker, 2016-02-09 Christianity has long been criticized as a patriarchal religion But during its two thousand year history the faith has been influenced and passed down by faithful women Martyrs and nuns mystics and scholars writers and reformers preachers and missionaries abolitionists and evangelists these women are examples to us of faith perseverance forgiveness and fortitude With gracious irreverence Ruth Tucker offers engaging and candid profiles of some of the most fascinating women of Christian history From the famous to the infamous to the obscure women like Perpetua Joan of Arc Teresa of Avila Anne Hutchinson Susanna Wesley Ann Judson Harriet Tubman Fanny Crosby Hannah Whitehall Smith Corrie ten Boom and Mother Teresa along with dozens of others come to vivid life Perfect for small groups these portraits of women who changed the world in their own significant way will spark lively discussion and inspire today's Christians to lives of faithful witness *The Life of the Mind (Renewed Minds)* Clifford Williams, 2002-03-01 What purpose do purely intellectual pursuits have in the lives of Christians Why should Christians study subjects that have little bearing on their future careers and ministry In a style reminiscent of the work of Arthur Holmes and Harry Blamires veteran professor of philosophy Clifford Williams addresses these issues and more in this succinct and accessible examination of the life of the mind Christians cultivating the life of the mind actively pursue situations and discussions that require experimentation reflection and perseverance They are interested in the acquisition of knowledge that is both unrelated and directly related to their faith Williams answers common Christian objections to such activities describes the virtues of the person who engages in the life of the mind and asserts that the life of the mind is justifiably a Christian calling The Life of the Mind is directed toward college students contemplating the importance of college and intellectual activity in general but it will be enjoyed by all committed to developing a Christian mind *Christian Writers' Market Guide 2009* Sally Stuart, 2009-01-13 Now updated for 2009 comes one of the most comprehensive marketing resources for Christian writers with information on agents editors publisher guidelines specialty markets and more **Poetry Index Annual, 1992** Ilona Roth, Roth Publishing, Inc. Staff, Inc Staff Roth Publishing, Publishing Editorial Roth, 1993-05 A Model for Evangelical Theology Graham McFarlane, 2020-09-15 Written by a skilled theologian with over two decades of classroom experience this introduction to evangelical theology explains how connecting to five sources of Christian theology Scripture tradition reason experience and community leads to a richer and deeper understanding of the faith Graham McFarlane calls this the evangelical quintilateral which he recommends as a helpful rubric for teaching theology This integrative model introduces students to the sources themes tasks and goals of evangelical theology making the book ideal for introductory theology courses **Shaping a Christian Worldview** David S.
