**Department of Justice** United States Department of Justice,1992-05 *Brief for Defendant-Appellant , Uniform*

*Code of Military Justice* United States,1950      Liberty and Sexuality David J. Garrow,2015-07-07 Pulitzer Prize winning author David J Garrow s stirring and essential history of the politics of abortion and America s battle for the right to choose In 1973 the Supreme Court handed down its landmark Roe v Wade decision legalizing abortion and more than forty years later the issue continues to spark controversy and divisiveness But behind this historic legal case lie the battles women fought to establish their rights to use contraceptives and choose to have an abortion *Liberty and Sexuality* traces these political and legal struggles in the decades leading up to Roe v Wade including the momentous 1965 Supreme Court ruling in *Griswold v Connecticut* that established a constitutional right to privacy Garrow personalizes the struggles by detailing the vital contributions made by dozens of crusaders who tirelessly paved the way This expansive and substantial work also addresses the threats to sexual privacy and the legality of abortion that have risen since Roe v Wade With abortion still a contentious subject on the national political landscape *Liberty and Sexuality* is not just a historical account of the right to choose but an indispensable read about preserving a freedom that continues to divide America      **Doug and The Slugs**

John Burton,2023-11-03 John Burton is a co founding member of the notorious band Doug and The Slugs Introduced to Doug Bennett by John Wally Watson in the summer of 1977 Doug and the author quickly formed the personal and musical chemistry that led to the meteoric rise of the band from a basement Halloween party to national recognition in less than two years *Doug and The Slugs 50 000 Slug Fans Can t be Wrong* is a real page turner written in a conversational style and definitely the author s own voice There is humility and humour triumph and tragedy defeat and redemption in this compelling read of the legendary party band s rise fall and rise again The memoir has larger than life characters one would expect from the entertainment industry Especially interesting is the intel into how the records were made where they were made and with whom Burton s analysis of the finished recorded products and marketing is equally engaging for both readers familiar with and not familiar with the music business As you might expect there is insider information only someone with Burton s experience could share about some giants of the industry like Ritchie Cordell Levon Helm Sam Feldman and Denise Donlon From cover to cover *Doug and The Slugs 50 000 Slug Fans Can t be Wrong* is a good read The narrative is well illustrated by amusing and nostalgic photographs with captions throughout All in All Highly Entertaining      *Journal* United States.
