measuring the variation of a degree of latitude at points separated as nearly as possible by a whole quadrant of the globe between Equator and North Pole Although such information had consequences for navigation and cartography the motivation was not simply utilitarian Rather it was one theme among many in an intellectual revolution in which advances in mathematics paralleled philosophical strife and reputations of the living and the dead stood to be elevated or destroyed In particular the two expeditions hoped to prove the correctness of Isaac Newton s prediction that the Earth is not a perfect sphere but flattened at the poles In this study the Figure of the Earth controversy is for the first time comprehensively explored in all its several dimensions It shows how a largely neglected episode of European science that produced no spectacular process or artefact beyond a relatively minor improvement in maps nevertheless represents an almost unique combination of theoretical prediction and empirical method It also details the suffering of the two teams of scientists in very different extremes of climate whose sacrifices for the sake of knowledge rather than colonial gain caught the imagination of the literary world of the time

The Dilemma Of Amazonian Development Emilio F Moran,2019-05-28 This book the first to apply the combined approaches of anthropology geography ecology economics and sociology to the analysis of the Amazon River region and its imminent development explores the impact of development on Amazonian populations and the results of rural and urban growth strategies The authors use the methodologies of environmen

Comrades on the Colca Eugene Buchanan,2016-10-18 A modern day real life adventure this book will take readers along for a rollicking ride through South America on a race to the bottom of the Earth When the author first met Polish explorer Yurek Majcherczyk on a commercial feasibility expedition down Ecuador s Quijos River in 1989 he did not know it would lead to taking part in a Polish race stumbling upon a mummy filled cave and even getting wrapped up in a legend linking long lost Incan riches to a riverfront castle in Poland As the adventurers plunge deeper and deeper into unknown territory they discover a rival Polish team trying to usurp their goal The author seamlessly weaves these tales with his own exploits and adventures climaxing with a tumultuous hike out of the canyon with both teams returning to complete their race the following year
