The French Interior in the Eighteenth Century John Whitehead, 1993 **The Rococo Interior** Katie Scott, 1995-01-01 Defines and depicts the arts and architecture of the rococo period in France and examines its relation to society

Interior Design and Identity Susie McKellar, Penny Sparke, 2004-11-27 This chronologically arranged set of case studies looks at how interior design has constantly redefined itself as a manifestation of culture from the eighteenth century to the present day The book looks at the amateur activities of female home makers in search of creative outlets and married couples seeking to modernize their homes as well as the contributions of early professional female interior decorators and later male interior designers It also considers the more anonymous role of commercial enterprises such as hairdressing salons cruise ships or modern offices Issues relating to interiority gender and the relationship of the public sphere are also considered opening up a new level of design historical enquiry

English Decoration in the 18th Century John Fowler, John Cornforth, 1974

The Design, Production and Reception of Eighteenth-Century Wallpaper in Britain Clare Taylor, 2018-06-12 Wallpaper s spread across trades class and gender is charted in this first full length study of the material s use in Britain during the long eighteenth century It examines the types of wallpaper that were designed and produced and the interior spaces it occupied from the country house to the homes of prosperous townsfolk and gentry showing that wallpaper was

hung by Earls and merchants as well as by aristocratic women Drawing on a wide range of little known examples of interior schemes and surviving wallpapers together with unpublished evidence from archives including letters and bills it charts wallpaper s evolution across the century from cheap textile imitation to innovative new decorative material Wallpaper s growth is considered not in terms of chronology but rather alongside the categories used by eighteenth century tradesmen and consumers from plains to flocks from China papers to papier m ch and from stucco papers to materials for creating print rooms It ends by assessing the ways in which eighteenth century wallpaper was used to create historicist interiors in the twentieth century Including a wide range of illustrations many in colour the book will be of interest to historians of material culture and design scholars of art and architectural history as well as practicing designers and those interested in the historic interior
