## Abstract

The purpose of this study is to discuss the factors determining the number of foreign tourists who visit each prefecture in Japan focusing on local governments' policies that effectively promote tourism with natural and cultural resources. In analyzing this subject, this study extends the traditional Gunn's model that describes tourism attractiveness, considering the influence of the surroundings on natural parks and historical sites and spatial interactions in foreign tourism flows among prefectures. The results obtained from analyzing the panel data of 47 prefectures in Japan for the period from 2007 to 2014 with spatial econometric models show the following findings. First, there exist spatial autocorrelations in foreign tourist flows among prefectures in Japan, which suggests an effectiveness of joint promotion of tourism between prefectures. Second, the impacts of natural parks on foreign tourist flows in each prefecture are enhanced by the increase in accommodation and the restriction of infrastructure development. Third, the impacts of historical sites on the number of foreign tourists are increased by both the improvement in railway infrastructure and the increase in government expenditure for tourism. Fourth, there exist spillover effects for railway development and a reduction in criminal offences between the foreign tourist flows of each prefecture and a competitive relationship for accommodation between them.

## **Econometric Studies Of Japan:**

Econometric Studies of Japan Richard F. Kosobud, Ryoshin Minami, Aiko Ikeo, 2014-04-03 Japanese economists began publishing scientific papers in renowned journals including *Econometrica* in the 1950s and had made their significant contributions to the sophistication of general equilibrium analysis by intensive use of a variety of mathematical instruments They had contributed significantly to the transformation of neoclassical economics This book examines how it became possible for Japanese economists to do so by shedding light on the professional discussion of the international gold standard and parity policies in the early twentieth century the acceptance of mathematical economics in the following period the impact of establishment of the Econometric Society 1930 and the swift distribution of theory oriented economics journals since 1930 This book also includes topics on the historical research of the Japanese foundations of modern economics the transformation of the economics of Keynes into Keynesian economics Japanese developments in econometrics and Martin Bronfenbrenner's visit to Japan in the post WWII period This book provides insight into the economic research done by Japanese scholars in the international context It traces how during the period 1900 1960 economics was harmonized with economics and a standard economics was re shaped on the basis of mathematics thanks to economists appetite for rigor and will help to contribute to existing literature

**Macroeconometric Modeling of Japan** Shinichi Ichimura, Lawrence Robert Klein, 2010 This book offers the representative macro econometric models and their applications for the Japanese economy in different development stages throughout postwar years up to the present It presents a summary of three types of macro econometric models and analyses Social accounting analyses of national income and related indices following the tradition of C Clark S Kuznets R Stone and World Bank Development Reports Inter industrial and inter regional analyses of the Japanese economy a la W Leontief and the CGE computable general equilibrium type of applications to Comprehensive Development Plans Macro econometric model building for the Japanese economy and its applications with a survey of various models in Japan including the historic Osaka University ISER Institute of Social and Economic Research model and present day Government models As many Asian economies are going through the stages of development that Japan has experienced for the past few decades to them and other developing countries this book will be extremely relevant as a reference for years to come

The Closedness of the Japanese Markets Yoshiaki Nakamura, 1995

Econometric Analysis of Regional Economy Sachiyo Asahi, 2024-03-27 This book provides readers with an analysis of econometric methods using statistical information to examine actual aspects of Japan's regional economy Beginning with ways of ascertaining the economy of a region's production factors the book describes methods for creating new data using various regional statistical data that link regions within prefectures The topics addressed here are some of the most pressing issues in Japan's regional economy These include economic ripple effects due to social capital and public investment economic evaluation of the environment for sustainable growth the impacts of overtourism congestion phenomenon and the

measurement of the total fertility rate of female employees in industry The book provides a way to comprehend the actual conditions of Japan's regions and the level of regional economic sectoral effects and regional externalities an analytical method to obtain the information required for policy making Combining socially related fields on a wide range of issues in Japan's regional economy the detailed studies are aimed especially at researchers and policymakers working on econometric analysis research based on economic theory **Japanese Studies from Pre-History to 1990** Richard Perren,1992

Economic Development Of Japan ,2016-07-27 In this book Ryoshin Minami studies the last hundred years of Japan's remarkable economic growth from the Meiji period up to the present day First he reveals the factors which account for Japan's successful economic take off during the Meiji period Second he explains why Japan achieved a more rapid rate of economic growth than other developed countries This forms the major part of the book and will interest those in the developed countries who have felt the full force of Japan's export drive and whose own industries are consequently in decline Finally the author evaluates the results of Japan's economic growth and makes predictions for the future The book makes a comprehensive survey of the Japanese experience in the pre and post war periods and points out lessons not only for developed countries but also for developing countries **Income Distribution And Economic Growth Of Japan Under**

**The Deflationary Economy: Theory And Evidence Based On An Econometric Analysis** Osamu Nakamura,2013-03-25 The Japanese economy has experienced a structural deflationary gap since the mid 1970s Although the gap was decreasing in the bubble period the deflationary economy has become more serious since the bursting of the bubble Accordingly this book attempts to examine the causes of the Japanese deflationary economy characterized as a structural deflation and discusses how to alleviate the prolonged slowdown in order to restore Japan to a trajectory of high economic growth with a special focus on the function of income distribution In addition not only income distribution flows but also accumulation of assets and debts in the household sector are taken into account for improving the prolonged economic stagnation of Japan by employing an econometric analysis with modeling and forecasting techniques Furthermore this book makes a long term forecast of the Japanese economy up to the fiscal year 2030 with policy scenario simulations in order to capture the long term growth path of the Japanese economy and to analyze the effects of alternative policies on the economy **Japanese**

**Economics and Economists Since 1945** Aiko Ikeo,2002-09-26 Leading Japanese scholars present an objective study of Japanese economics since 1945 based on statistical data and analysis It presents a wealth of original empirical data and a new perspective on international economic theory **Econometric Analysis of Postwar Business Cycles in Japan** ,1967

An Economic Analysis of Korea-EU FTA and Japan-EU EPA Masahiko Yoshii,Chae-Deug Yi,2021-02-25 This monograph compares two trade agreements among three important economic regions namely the Korea EU free trade agree FTA and the Japan EU Economic Partnership Agreement EPA The two new types of agreements came into effect in the 2010s They not only create more favorable trade and economic conditions in these regions but also produce spillover effects to bring about

more comprehensive conditions in other area First the quantitative research for both agreements using the CGE model and a tentative analysis of the Japan EU EPA in the analysis show that both have already created positive impacts on all three economies by lifting or reducing tariff and non tariff barriers Such positive impacts are also expected to be felt by SMEs in these countries that are involved Additionally the high level of tariff and non tariff liberalization in the two current agreements will make positive impacts on the negotiation of other FTAs and on WTO reform The advantages of the FTA and EPA dealt with in this book are not restricted to these economic effects As the agreements are comprehensive they will create more favorable social conditions not only in these economic regions but in other areas of Asia as well

**Japan in the World Economy** Bela Balassa, Marcus Noland, 1988 Bibliography of Social Science Periodicals and Monograph Series: Japan United States. Bureau of the Census, 1961 *Bank of Japan Monetary and Economic Studies*, 2007 Japan's Aid Edward Feasel, 2014-09-19 In the twentieth century Japan emerged as one of the world's leading economic powers rising from wartime destruction to a leading economic engine in world markets Japan's economic aid policy beginning with war reparations following its defeat in World War II became a vehicle to help achieve this economic success As the country continued to flourish economic aid also became a means of expanding the country's influence in an era of increasing globalization providing an alternative strategy for helping developing nations escape the traps of poverty a strategy drawn from its own experience of reemergence And as we stand at the beginning of a new century Japanese aid policy may also serve as a potential model for other nations who are on the cusp of entering high income status and the group of elite world donors a model that in many ways lies in contrast to policies espoused by other advanced Western nations The book Japan's Aid examines the strengths and weaknesses of Japanese aid policy in all of these dimensions in fostering economic growth in both its own economic success story and in the numerous countries to which it has served as the single largest bilateral donor over many years and as a policy that other nations might emulate Through a combination of insightful case studies and rigorous econometric investigation the book presents a comprehensive examination of the pros and cons of Japan's aid

Restoring Japan's Economic Growth Adam Simon Posen, 1998 Criticism of current Japanese macroeconomic and financial policies is so wide spread that the reasons for it are assumed to be self evident In this volume Adam Posen explains in depth why a shift in Japanese fiscal and monetary policies as well as financial reform would be in Japan's self interest He demonstrates that Japanese economic stagnation in the 1990s is the result of mistaken fiscal austerity and financial laissez faire rather than a structural decline of the Japan Model The author outlines a program for putting the country back on the path to solid economic growth primarily through permanent tax cuts and monetary stabilization and draws broader lessons from the recent Japanese policy actions that led to the country's continuing stagnation *OECD Economic Surveys: Japan 1999* OECD, 1999-12-13 This 1999 edition of OECD's periodic review of Japan's economy examines recent economic developments policies and prospects and includes special features on the tax system and public sector reforms

**Economic Analyses Using The Overlapping Generations Model And General Equilibrium Growth Accounting For The Japanese Economy: Population, Agriculture And Economic Development** Mitoshi Yamaguchi,Tomoko Kinugasa,2014-05-29

This unique book contains novel and in depth research regarding economic development in Japan The authors examine economic development in Japan from both theoretical and empirical perspectives Using general equilibrium growth accounting and the overlapping generations model they analyze the relationships between population agriculture and the economy The research results are unprecedented and show the effects of increased adult longevity on national savings and the effects of demographic change on the industrial structure the push pull effects of technical change in agricultural and non agricultural sectors and the positive effects of population on technical change and economic development

**Japan's Economic Recovery** Robert Mitchell Stern,2003-05-28 The contributors to this book from the US and Japan explore the main issues involved in the international trade foreign direct investment and macro financial relations of the United States and Japan and provide guidance to policy makers for measures to help overcome Japan s economic stagnation since the early 1990s The book is divided into three parts Part I contains an empirical analysis of trade diversion under the North American Free Trade Agreement NAFTA a theoretical analysis of time in determining the structure and effects of trade with an application to Japan and an empirical analysis of Japan s changing import behavior Part II is focused on foreign direct investment FDI trade and the behavior and structure of Japanese firms Part III deals with macro financial issues of current interest and importance in Japan The analytical focus of the chapters is intended to enhance the understanding of the issues addressed and to provide some guidance to policymakers in the design of measures that will improve economic efficiency and welfare and help to overcome the economic stagnation that Japan has experienced in the past decade or more **Japan's**

**Economic Challenge** Michael Keresztesi,Gary R. Cocozzoli,2018-10-26 This book first published in 1988 assembles a key pool of references in English to help study the Japanese economic challenge of the 1980s Collectively these writings chronicle the historical social and cultural background of Japan s spectacular industrial take off They describe analyse and interpret the diverse manifestations of Japan s economic growth

## Econometric Studies Of Japan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Econometric Studies Of Japan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Econometric Studies Of Japan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Econometric Studies Of Japan free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Econometric Studies Of Japan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Econometric Studies Of Japan any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About Econometric Studies Of Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Econometric Studies Of Japan is one of the best book in our library for free trial. We provide copy of Econometric Studies Of Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Econometric Studies Of Japan. Where to download Econometric Studies Of Japan online for free? Are you looking for Econometric Studies Of Japan PDF? This is definitely going to save you time and cash in something you should think about.
