Economic History Of Twentieth Century Latin America

Molly C. Ball

Economic History Of Twentieth Century Latin America:

An Economic History of Twentieth-Century Latin America E. Cardenas,J. Ocampo,R. Thorp,2016-01-13 In the 1990s protection import substitution and intervention have become dirty words part of the leyenda negra of Latin America development in the postwar period This book attempts a fresh look at the controversial years between the end of the Second World War and the point when at varying dates in different countries a discontinuity occurs in which the postwar style of development ceased to play a central role in the economic evolution of the region The analysis is based on seven case studies covering eleven countries

An Economic History of Twentieth-century Latin America Enrique Cárdenas,José Antonio Ocampo,Rosemary Thorp,2000

The Cambridge Economic History of Latin America: Volume 2, The Long Twentieth Century Victor Bulmer-Thomas,John Coatsworth,Roberto Cortes-Conde,2006-01-23 Volume Two treats the long twentieth century from the onset of modern economic growth to the present It analyzes the principal dimensions of Latin America s first era of sustained economic growth from the last decades of the nineteenth century to 1930 It explores the era of inward looking development from the 1930s to the collapse of import substituting industrialization and the return to strategies of globalization in the 1980s Finally it looks at the long term trends in capital flows agriculture and the environment

An Economic History of Twentieth-century Latin America Enrique Cárdenas,José Antonio Ocampo,Rosemary Thorp,2000

An Economic History of Twentieth-Century Latin America E. Cardenas,J. Ocampo,R. Thorp,2000-11-09 This book explores the impact on Latin America of the extraordinary transformation of the international economy that took place in the half century or so that preceded the world depression of the 1930s The authors show how the response varied in terms of both growth and distribution shaped by varying preconditions and by natural resources and geography The interplay of economic developments with political and social structures had profound and varied effects on policy making and on institutions that were of great significance for later decades

The Economic Development of Latin America in the Twentieth Century André A. Hofman,2000 This book provides an assessment of Latin American 20th century economic performance from a comparative and historical perspective The author uses growth accounting methods and previously unavailable long term series data to present a comprehensive analysis of Latin American development over the course of the century The performance of Latin American economies over this period is compared to that of three groups of countries the advanced capitalist economies of France Germany Japan The Netherlands UK and USA the newly industrialised economies of Korea and Taiwan and Spain and Portugal with which Latin America has historical ties This presents a long run comparative perspective of growth acceleration and slow down in Latin America The reasons for the comparatively poor or negative economic growth in the Lost Decade of the 1980s are examined as is the apparent economic recovery in the 1990s The author also reviews other problems associated with the Latin American economies including debt problems income inequality high inflation cyclical instability and political and policy instability and measures the ability of

various countries to combat these challenges Finally the author analyses major stabilisation policies over the period and assesses their success This book will prove a valuable asset to students and scholars of Latin American economics

in the 1930s : the role of the periphery in world crisis Enrique Cárdenas,José Antonio Ocampo,Rosemary Thorp,2000 *The Economic History of Latin America since Independence* V. Bulmer-Thomas,2014-02-10 This revised and updated third edition contains a wealth of new material that draws on new research in this area *The Economic History of Latin America since*

Independence Victor Bulmer-Thomas,2014-02-10 This study now in a revised and updated third edition covers the economic history of Latin America from independence in the 1820s to the present It stresses the differences between Latin American countries while recognizing the external influences to which the whole region has been subject Victor Bulmer Thomas notes the failure of the region to close the gap in living standards between it and the United States and explores the reasons He

also examines the new paradigm taking shape in Latin America since the debt crisis of the 1980s and asks whether this new economic model will be able to bring the growth and improvement in equity that the region desperately needs This third edition contains a wealth of new material that draws on the new research in the area in the past ten years *Latin American Economic History* Molly C. Ball,2024-09-20 Latin American Economic History An Introduction to Daily Life Debt and Development guides readers through significant features and developments in the region s economic history from independence through 2022 In approachable language the book introduces readers to relevant New Economic History concepts and explains important characteristics of Latin America such as the region s high volatility rapid urbanization experience the continued prominence of commodities and its culture of informality The volume provides explicit connections between culture politics and economics over five distinct time periods Readers will learn how Cinco de Mayo featured in foreign debt repayments in the nineteenth century how novels like Gabriel Garc a M rquez s One Hundred Years of Solitude reflected on the expansion of railroads during a period of export led growth and how a United States federal reserve interest hike in 1979 sent the region into the Lost Decade When considered collectively the region s economic trajectory demonstrates that development does not always accompany economic growth This is an accessible introductory text with clear definitions and discussions of relevant economic concepts which will be a valuable resource for students of Latin American economic cultural and political history The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Ideas and Ideologies in Twentieth-Century Latin America Leslie Bethell,1996-09-13 The Cambridge History of Latin America is a large scale collaborative multi volume history of Latin America during the five centuries from the first contacts between Europeans and the native peoples of the Americas in the late fifteenth and early sixteenth centuries to the present Ideas and Ideologies in Twentieth Century Latin America brings together chapters from Volumes IV VI and IX of The Cambridge History to provide in a single volume the economic social and political ideologies of Latin America since 1870 This it is hoped will be useful for both teachers and students of Latin American history and of contemporary Latin America Each chapter is accompanied by a bibliographical essay [The Cambridge Economic History of Latin America V.](#) Bulmer-Thomas,John H. Coatsworth,Roberto Cortés Conde,2006 An indispensable reference work for anyone interested in Latin America s economic development

The Economic Development of Latin America Since Independence Luis Bértola,José Antonio Ocampo,2012-10-25 A comprehensive and accessible overview of the economic history of Latin America over the two centuries since Independence It considers its principal problems and the main policy trends and covers external trade economic growth and inequality
