Economic Transformation Democratization And Integration Into The European Union Southern Europe In Comparative Perspective:

Economic Transformation, Democratization and Integration into the European Union H. Gibson, 2001-02-01 The transformation from a closed and inward looking economy to an active integration into the European Union is one which a number of countries are facing This book examines the experience of southern European countries where such transformation has occurred within a short space of time and has been accompanied by important socio political developments including the consolidation of democracy The various contributors focus on the motivation for economic change the problems encountered and the lessons to be learnt European Union Enlargement Thomas Mehlhausen, 2015-08-11 The continuous expansion of the European Union has transformed its very own self conception While Eastern enlargement was widely celebrated as the reuniting of Europe the sheer number of applicants their low economic development and the need for new states to transform in accordance with EU values required considerable adjustments to the EU s self image By examining the European Council s contentious approval of the Mediterranean and Central and Eastern European countries in the 1970s and 1990s this book investigates why the European Union enlarges Based on new and hitherto not analysed data it introduces the concept of anomie to the discourse and in doing so makes a timely contribution to the literature of constitutional politics and enlargement of the European Union This text will be of key interest to scholars and students of the European Union area studies European studies central and east European studies Mediterranean studies and more broadly comparative politics and constitutional politics *Democracy and the State in the New Southern Europe* Richard Gunther, P. Nikiforos Diamandouros, Dimitri A. Sotiropoulos, 2006-11-16 This volume analyses the evolution of selected public policies and the changing roles and structure of the state in Greece Italy Portugal and Spain since the 1960s It makes a major contribution to work on recent democratic regime transition in southern Europe demonstrating how the state has responded and adapted to the challenges and pressures associated with the overarching processes of democratization socio economic development and Europeanization **Democratic Consolidation in Turkey** Muge Aknur, 2012 Although Turkey began its transition to democracy as early as the 1950s it is still far from having reached a level of consolidated democracy with the country s sixty year history of democratic politics being punctuated by numerous breakdowns and restorations of democracy In an attempt to examine why consolidation of Turkish democracy has taken so long this book aims at analyzing various factors including state political parties civil society civil military relations socio economic development the EU as an international actor and the rise of internal threats political Islam and separatist Kurdish nationalism that both hinder and enhance democratic consolidation in Turkey By highlighting the strengths and shortcomings of the Turkish experience from these perspectives this book suggests the optimal policy priorities for current and future Turkish governments to establish a consolidated democracy in Turkey Contributors Muge Aknur Canan Aslan Akman Filiz

Designing Democracy G. Pridham, 2005-05-11 Designing Democracy is the first systematic and in depth study of the effects of the EU's democratic conditionality originally set out in the Copenhagen conditions of 1993 on the new political systems of Central and Eastern Europe Using new material drawn from extensive elite interviews in several of these countries as well as in Brussels the book throws much light on how far the EU enlargement process has really strengthened these new post Communist democracies following their transitions in the 1990s

The Limits to Capital in Spain G. Charnock, T. Purcell, R. Ribera-Fumaz, 2014-02-18 Spain is at the epicentre of a crisis that threatens the future of the Eurozone This book explains the deep historical and structural roots of the current crisis in Spain It analyses the nexus between European circuits of financial capital urbanisation and the emergent dynamics of state austerity and popular revolt

Southern Europe? Martin Baumeister, Roberto Sala, 2015-10-08 Gegenwärtig erlebt der Süden Europas in der öffentlichen Debatte eine neue Konjunktur Mit Vorliebe wird dabei ein europäischer Nord-Süd-Gegensatz heraufbeschworen ohne jedoch auf seine lange Geschichte zu blicken Wirtschaftlich und politisch unterentwickelt unterschieden sich Italien Spanien Portugal und Griechenland nach dem Zweiten Weltkrieg von den sogenannten westeuropäischen Gesellschaften Zu Beginn des 21. Jahrhunderts schien diese Ungleichheit überwunden Nun droht die Schuldenkrise den Kontinent erneut zu spalten Die Beiträge hinterfragen gängige Annahmen und Bilder von Südeuropa und ergründen inwiefern der Süden einen homogenen Raum mit strukturellen Gemeinsamkeiten darstellt

Adapting to EU Multi-Level Governance Panagiotis Getimis, 2016-12-05 The main theme of this book is the adaptation process of the new EU member states from Central Eastern Europe Hungary and Poland to the multi level system of governance in public policy particularly in the regional and environmental policy areas The work conceptualizes policy learning and institutional and policy adaptation within the EU system of governance and draws lessons from the experience of previous waves of enlargement cohesion countries Ireland Portugal and Greece In doing so the book makes an important contribution to the literature on the transformation of domestic policy making structures as a result of the increasing Europeanization of public policy as well as on the conceptual tools explanatory variables and mechanisms determining this process

Work and Employment Relations in Southern Europe Carlos J. Fernández Rodríguez, Miguel Martínez Lucio, 2023-06-01 Positioning industrial relations in a discussion that is sensitive to broader political historical and ideological tensions this insightful book offers reflections on the politics of deregulation that have developed in southern European work and employment relations over the past 20 years

Democracy in Southern Europe Isabelle Calleja Ragonesi, 2019-02-28 How have Malta and Cyprus both EU members transitioned from colonial island states to independent democracies With the assistance of primary documentation this book traces the difficult path of these two states to becoming independent liberal democracies by using the pathway of democratization through decolonization Using socio economic and political data analysed through the microscope of political

science and international relations theories Isabelle Calleja Ragonesi charts the progress of the two islands in the context of a number of four distinct phases Firstly decolonization independence and achieving the status of procedural democracies secondly post colonial independence consolidating democracy and regime breakdown thirdly sovereign nation state status and second attempts at consolidating democracy and finally attempting to reach substantive democracy status and EU membership The study of these two states is contextualized within the context of democratization in Southern Europe and the cases of Malta and Cyprus provide new insights on the region for scholars of political science and international institutions

Politics and Policy in Greece Kevin Featherstone, 2013-10-31 This rare focus on the politics of contemporary Greece explores in particular the country's processes of public policy making It is more than thirty years since the restoration of democracy in Greece and in this period the country has undergone a number of major changes Domestic political tensions have arisen from the pressures of Europeanization as a consequence of Greece's membership in the European Union EU membership has helped define a modernization project latterly associated with Premier Costas Simitis which clashes with traditional practices and paradigms In addition other challenges have arisen of a multi ethnic society of the loss of faith in old ideologies and of the passage of old divisions Greece now faces pressure to adapt to the external environment as well as to the constraints of the will and capability of the domestic system Politics and Policy in Greece addresses core issues such as How far has the politics of modernization penetrated Greek society How far have reforms to state economy relations welfare systems and constitutional rights reflected a liberal agenda and how far have they reflected traditional concerns How has modernization affected Greece's relations with the European Union Containing expert overviews and detailed case studies of the dynamics of domestic politics this accessible and informative volume is essential reading for both Greeks and non Greeks alike

Welfare Democracies and Party Politics Philip Manow, Bruno Palier, Hanna Schwander, 2018 This volume provides an analytical framework that links welfare states to party systems combining recent contributions to the comparative political economy of the welfare state and insights from party and electoral politics It states three phenomena

Inequality Beyond Globalization Christian Suter, 2010 This volume debates the complex nature of the relationships between globalization social and economic transformations and growing inequalities Employing a global world historical and comparative perspective the 16 articles brought together in this volume deal with three central questions Firstly the question of the spatio temporal evolution and variations of growing inequalities secondly the relative importance of globalization as compared to other factors explaining growing inequalities and thirdly institutional variations of inequality dynamics and globalization impacts Christian Suter is Professor of Economic Sociology at the University of Neuchâtel and President of the World Society Foundation domiciled at the University of Zurich Switzerland

Europe At the Seaside Luciano Segreto, Carles Manera, Manfred Pohl, 2009-04-01 Mass tourism is one of the most striking developments in postwar western societies involving economic social cultural and anthropological factors For many countries

it has become a significant if not the primary source of income for the resident population The Mediterranean basin which has long been a very popular destination is explored here in the first study to scrutinize the region as a whole and over a long period of time In particular it investigates the area s economic and social networks directly involved in tourism which includes examining the most popular spots that attract tourists and the crucial actors such as hotel entrepreneurs travel agencies charter companies and companies developing seaside resort networks This important volume presents a fascinating picture of the economics of tourism in one of the world s most visited destinations

European Employment Models in Flux G. Bosch,S. Lehndorff,J. Rubery,2009-03-31 A new contribution to the debate on the evolution of European employment and social models These models need to adjust to meet new challenges including globalization ageing societies and new governance approaches at national EU and international level This book explores these issues through the experiences of nine EU countries

Critical Times in Greece Dimitris Dalakoglou,Georgios Agelopoulos,2017-10-20 This volume brings together new anthropological research on the Greek crisis With a number of contributions from academics based in Greece the book addresses a number of key issues such as the refugee crisis far right extremism and the psychological impact of increased poverty and unemployment It provides much needed ethnographic contributions and critical anthropological perspectives at a key moment in Greece s history and will be of great interest to researchers interested in the social political and economic developments in southern Europe It is the first collection to explore the impact of this period of radical social change on anthropological understandings of Greece

The Welfare State and Life Transitions Dominique Anxo,Gerhard Bosch,Jill Rubery,2010 The Welfare State and Life Transitions uses the lens of key life stages to highlight changes in these transitions and in available resources for citizen support within nine European welfare states This timely book reveals that new life courses are found to require more and not less welfare support but only Sweden has developed an active life course approach and only three more could be considered supportive in at least some life stages For the remainder policies were at best limited or in Italy s case passive The contributors reveal that the neglect of changing needs is leading to greater reliance on the family and the labour market just as these support structures are becoming more unpredictable and moreunequal They argue that alongside these new class inequalities new forms of intergenerational inequality are also emerging particularly in pension provision

Public Management Reform and Modernization Edoardo Ongaro,2009 Ongaro has made a major contribution to understanding the political and administrative systems of Southern Europe The work goes beyond that however by providing an excellent example of comparative analysis in general This book should be read by all students of comparative administration B Guy Peters University of Pittsburgh US and City University of Hong Kong This is an important book for several reasons Public sector reform debates and policies have been heavily perhaps too heavily influenced by Anglo Saxon models and literature on reforms in the Latin part of Europe has until now only been available in a fragmented way However this unique new book offers a coherent vision across Southern Europe It refers to important parts

of our history and how these still influence current times It also shows that culture does make a difference and that contingencies are important European public sector reform is as diverse as the range of its administrative histories and this book is therefore crucial in our understanding of the future in relation to the past Geert Bouckaert Public Management Institute Katholieke Universiteit Leuven Belgium and European Group for Public Administration This systematic thorough and insightful book offers one of the very rare comparative studies of public management reform in Italy France Greece Portugal and Spain A unique and most valuable study Walter Kickert Erasmus University Rotterdam the Netherlands Scholars of public management reform have been at it for many years but there was always a gap little was really known about southern Europe those countries that come from the Napoleonic tradition Now Professor Edoardo Ongaro of Bocconi University has filled that gap and we will all profit from his diligent and insightful work Jeffrey D Straussman Nelson A Rockefeller College of Public Affairs and Policy University at Albany US Theoretically eclectic and empirically rich this is a much needed volume on the dark side of the moon that is public management reform outside the Anglo Saxon world Edoardo Ongaro sheds light on Italy and four other Napoleonic systems by producing a far reaching comparative analysis that also captures the effects of Europeanization and multi level governance on public management reforms Ambitious yet ultimately accessible this book is a must read for those who want to explain and understand the trajectories of reform in their historical context Claudio Radaelli University of Exeter UK The reader will find in Professor Ongaro s book a clear and thorough discussion of the public sector reform process both in Italy and southern European countries based upon a systematic comparative framework This is a very useful and original work that any student in comparative politics or public administration will highly appreciate Luc Rouban CNRS Centre de Recherches Politiques de Science Po CEVIPOF Paris France This scholarly volume makes an interesting and distinctive contribution to the global public management reform debate by offering an analysis of reform trajectories in an important but rather neglected group of Southern European countries Ewan Ferlie King s College London UK Since the 1980s a wave of reforms of public management has swept the world The investigation into the effects of such major transformations has however been unbalanced important countries have received only limited attention This timely book fills the gap by investigating the dynamics of contemporary public management reform in five European countries that gave shape to the Napoleonic administrative tradition France Greece Italy Portugal Spain Edoardo Ongaro presents an in depth investigation of the reform of public management in these countries revisiting major topics of theoretical interest in the study of public administration He addresses key issues regarding the influence of the past on the transformation of the public se

Educational Scholarship across the Mediterranean ,2021-10-25 The Mediterranean has once again come into its own in global geo politics attracting international interest that goes well beyond the typical stereotypes propagated by the tourist industry Popular movements clamouring for democracy conflict zones that have a spill over effect well beyond the region efforts to engage with

globalisation on its own terms one and all play out in various sectors of society education included Educational Scholarship across the Mediterranean A Celebratory Retrospective brings together in one volume a selection of the best articles that have appeared in the Mediterranean Journal of Educational Studies whose first issue was published in 1996 Each chapter highlights challenges faced by education systems across the region seen from the perspective of leading scholars who draw on original empirical data a broad spectrum of theoretical frameworks and personal experience to reflect on education related topics Among these we find critical considerations of the role of the economy demography gender social stratification religion politics culture and language in shaping educational systems and practices Much has been achieved in the countries bordering on the Mediterranean over the past 25 years and yet a consideration of the continuities as much as of the ruptures is instructive showing how education remains both a transformative and reproductive force in communities
