Remaking Eastern Europe — On the Political Economy of Transition J.M. Van Brabant, 2012-12-06 This compact volume is meant as a modest contribution to the ongoing debate on how to transform in particular the radically reforming Eastern European economies into more productive sociopolitical organizations Although my main focus here is on the economics of reform and east west assistance I have tried to embed the multiple technical aspects of restructuring such a resource allocation into the context of remaking Eastern Europe That the volume coincides with the seminal transformations of the communist countries of Eastern Europe is of course not fortuitous But I shall have much less to say about the political transitions from communism to parliamentary democracy except the ways in which the latter may bolster or hinder the hoped for economic mutations In taking stock of where I stand on the issue of radical reform of planned economics in general and the CMEA in particular both still moving targets I have benefited greatly from participation in formal and informal conferences on economic reform The product has also profited from many informal discussions and exchanges of views among friends and colleagues including those entrusted with and purely interested in efforts on the overall topic of the study launched from within the broad context of the United Nations my at times reluctant employer

Economic Reform and Political Change in Eastern Europe Judy Batt, 1988-06-21 Economic reform the introduction of elements of the market into a planned economy has been the central political problem for socialist states for at least three decades This book seeks to elucidate the nature of the problem through a reconsideration of the general theoretical issues and through a comparative analysis of the practice of economic reform in two countries Czechoslovakia and Hungary *Economic Transition in Eastern Europe and Russia: Realities of Reform*, An evaluation of the efficacy of different forms of liberalization since the fall of
