The African Diaspora Joseph E. Harris, 1996 As Africans and descendants of slaves have sought to expand an understanding of their history focus on the African diaspora the global dispersal of a people and their culture has increased African studies have assumed a prominent place in historical scholarship and a growing number of non African scholars has helped revise a discipline established over several decades The six contributions in this volume were compiled as a result of the thirtieth Walter Prescott Webb Memorial Lecture held at the University of Texas at Arlington The contributors nationally recognized in the field represent a collaborative analysis of the African diaspora from African and non African perspectives Joseph E Harris discusses how the African diaspora influences the economies politics and social dynamics of both the homeland and the host country Alusine Jalloh reconstructs the mercantile activities of the Fula in colonial Sierra Leone Joseph E Inikori argues that

slavery and serfdom in medieval Europe provide greater insights into precolonial Africa than do standard New World comparisons Colin A Palmer examines the power relationships that undergirded American slavery in order to better understand the enslaved Douglas B Chambers reveals the enduring influence of Africanisms in the historical development of Afro Virginian slave culture And Dale T Graden looks at African slavery in Salvador Bahia Brazil between 1848 and 1856 focusing on the Bahian elite and their response to slave resistance

The Sierra Leone Financial System Emmanuel S. E. Leigh, 2004-04-30 This book provides readers with wonderful and fascinating historical facts that have never been assembled into a single text The book was written in perspective to capture the attention of scholars and prospective investors Facts have been corroborated and perceptions taken from real life experiences in some of the institutions mentioned in the text For those scholars aiming to gain knowledge of the financial system in Sierra Leone the book leads them to major topics that should stimulate further studies Indeed readers will be left with the wish of researching more Some of the topics might appear short lived especially with the fast evolving financial situation Considering the structure the book sets for scholars an ad hoc platform for discussion that could give rise to significant political and economic analysis A brief synopsis of the book follows The Bank of Sierra Leone was established to serve as an agency that would build up a reputation for the highest standards of management and integrity In this instance it aims at formulating and implementing monetary and supervisory policies to foster a sound financial environment The business of commercial banking has evolved rapidly in recent years as banks have confronted volatile economic conditions and revised regulations New methods and the evolution of new banks may have some influence on how these activities are expedited but the business of banking is unchanged The facts on other financial institutions are directed to the integration of the unorganized with the organized sector It was possible to integrate the two sectors in banking institutions specializing in the requirements of the rural areas Such institutions combine the provision of credits with marketing and provide ancillary services so as to ensure that credits made available increase the productive capacity of the recipients Government financial management in Sierra Leone provides collective goods and services that correspond to the performance of its traditional functions and at the same time promote growth and development stability equitable distribution of income and wealth Its objectives are often interwoven with other economic sectors in the country These are subject to further studies and interpretation They become meaningful only when specific contents are translated into policies Though the repercussions of the decade long rebel war on the financial structure have not been specifically mentioned in the book the toll was devastating However the government has established a unique track record for a post conflict country

Entrepreneurship and Economic Development

Reynolds, Paul D.,2022-04-08 Entrepreneurship and Economic Development addresses the importance of business creation which is endemic in subsistence indigenous cultures widespread in developing economies and a critical feature of adaptation in the most advanced economies The author offers systematic comparisons of six stages of economic development which provide information about the adjustments in the economic and social context affecting participation in business creation the sectors where activities occur and the nature of the contributions to economic growth and adaptation Foreign Economic Trends and Their Implications for the United States ,1986-07 Exploring Entrepreneurship Hakeem Adeniyi

Ajonbadi,Susan Sisay,Seun Oladele,2024-06-24 This book explores the recent trends and challenges facing entrepreneurship in Africa It features several chapters that cut across various contexts highlighting aspects of social entrepreneurship faith based entrepreneurship entrepreneurial financing equality diversity inclusion digital and technological transformation and regulations and enabling ecosystems across African countries The chapters will be underpinned by a critical approach to understanding the trends and challenges in African entrepreneurship which goes beyond focusing on the business cases but considers the sensitivity of the national context The authors have a wealth of professional and academic experience They have taught in institutions around the world and between them have worked in several managerial and entrepreneurial positions *African Economic Outlook 2017 Entrepreneurship and Industrialisation* African Development Bank,OECD,United Nations Development Programme,2017-05-22 The African Economic Outlook 2017 presents the continent s current state of affairs and forecasts its situation for the coming two years Enterprise and Economic Development in Africa Dina M. Nziku,John J. Struthers,2021-06-11 Presenting a topical analysis of the challenges and achievements of enterprise Enterprise and Economic Development in Africa examines contributions to economic development on the continent as well as exploring implications for policy dimensions Small and Medium-Sized Enterprises (SMEs) and Poverty Reduction in Africa Ameen Alharbi,Abdul M. Kanu,Aminu Mamman,2015-06-18 Small and Medium Sized Enterprises SMEs and Poverty Reduction in Africa addresses the vital question of why the millions of dollars of governments and international development interventions in the SMEs sector are yet to deliver significant and sustainable employment and poverty reduction in Africa The book also addresses the question of how the SMEs sector can help in the eradication of poverty in Africa The book also tackles the question of what policy makers SMEs operators would be entrepreneurs and trainers can do to contribute to poverty reduction through the SMEs sector To address these three key questions the book has adopted innovative concepts and ideas that will appeal to the sensibilities of African policy makers trainers business operators and would be entrepreneurs For example the existing literature on system thinking and spirituality in business is used to offer a novel approach and departure from the perennial focus on technical training and hardnosed pursuit of individualised business and personal goals as a means of developing entrepreneurs and crafting SMEs policy The key features of the book are a focus on changing the mind set of SMEs operators policy makers trainers and would be

entrepreneurs contextualising the role of SMEs in poverty reduction by emphasizing the relevance of the African worldview belief systems and spirituality during policy making policy implementation and training of SMEs operators and would be entrepreneurs theoretical explanations to why good intentions in policy formulation and implementation do not deliver expected outcomes in terms of the SMEs sector s contribution to poverty reduction practical guidelines on how SMEs can develop a poverty related mission statement business strategy and business plan within the context of poverty reduction personal development guidelines for SMEs operators and prospective entrepreneurs on how to develop poverty related personal mission statements and strategies the introduction of spiritual poverty and system thinking as the foundation for policy formulation and poverty reduction interventions in Africa **African Economic History** ,2005 African Entrepreneurship Alusine Jalloh,1999 Between 1961 and 1978 Muslim Fula immigrants from different West African countries became one of the most successful mercantile groups in Freetown the capital city of Sierra Leone African Entrepreneurship published by Ohio University Press on December 31 1999 examines the commercial activities of Fula immigrants and their offspring in Sierra Leone Author Alusine Jalloh explores the role of Islam in Fula commercial organizations and social relationships as well as the connection between Fula merchants and politics Departing from the prevailing scholarship Jalloh characterizes the Fula businesses as independent rather than appendages of Western expatriate commerce In addition to establishing successful businesses Fula merchants established Islamic educational institutions for propogating the Muslim faith and promoting Islamic scholarship This study also examines the evolution of Fula chieftaincy from the colonial era to the postcolonial period and documents the importance of mercantile wealth and networks in the election of Fula chiefs in Freetown African Entrepreneurship makes an important contribution to the understudied role of African business in Sierra Leone
