Ecstasy, 1988 **Fantasies of Femininity** Jane M. Ussher, 1997 In *Fantasies of Femininity* Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires In her quest for the sources of feminine representation Ussher interviewed dozens of women as well as some men and combed popular media from *Seventeen* to *Cosmopolitan* and *Dallas* to *Donahue* to identify what shapes women s symbolic images of sex and femininity Ussher argues that women have effectively resisted and subverted these archetypal fantasies of femininity and in the process of so doing reframed the very boundaries of sex In this way she exposes as myth much of what we think we know about woman and about sex *Women, Sexuality and the Political Power of Pleasure* Susie Jolly, Andrea Cornwall, Kate Hawkins, 2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women s sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure *Women Sexuality and the Political Power of Pleasure* brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all *Women and Sex Therapy* Ellen Cole, Esther D Rothblum, 2014-03-18 Outstanding feminist scholars present seldom discussed women s views of sexuality In the past there has been little feminist discussion among sexuality professionals and between feminist therapists and sex therapists The valuable ideas expressed by the contributors to this book are aimed at increasing the possibilities for all therapists and counselors to discuss with their clients the nature of sexuality and in particular what women feel about sex Professionals provide remarkable perspectives on issues that concern all women orgasm the double standard new reproductive options intimacy bisexuality and more *Fantasies of Cross-dressing: Japanese Women Write Male-Male Erotica* Kazumi Nagaike, 2012-05-03 Male homosexual narratives in various genres and media from high brow literature by distinguished female authors to pornographic comic books produced and distributed by amateurs have attracted the attention of a number of cultural critics in Japan and abroad This book represents the first extensive critical attempt to examine Japanese women s narratives of male homosexuality homoeroticism addressing not only popular culture genres but also the considerable body of critically acclaimed literary works with English translations of the original works The result is an in depth analysis of the ways in which female fantasies of male

homosexuality homoeroticism may be composed acknowledged and interrogated Wanting Sex Again Laurie Watson, 2012-12-04 I never want to have sex again If you feel like sex just isn't worth the effort you're not alone Forty million American women are frustrated by their lack of sexual passion They know something's missing and their husbands know it too but the emotional physical and mental obstacles to healthy desire can be a knot that seems too tangled to unravel Drawing on twenty years of clinical experience Laurie Watson shows that it really is possible to restore the thrill of sex using proven psychological methods and personal accounts from actual therapy sessions Her strategies will Offer a glimpse into the reality of other people's bedrooms Address the sexual problems that can develop with life changes from marriage to motherhood to menopause Uncover the hidden factors that impact desire stress cultural messages emotional connection chemical and hormonal challenges physical appearance issues and more Show how joyful meaningful satisfying sex can be yours again Candid practical and much needed this book can help you rediscover your sexual self or discover it for the first time Instead of dreading bedtime you can look forward to it again **How to Make Love All Night (And Drive a Woman Wild)** Lance Candella, 2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here's the problem Daniel doesn't think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when you're fighting your own body Truth is you really can't enjoy sex when you're fighting your own body And neither can your partner What Daniel does not yet know is that he has another option male multiple orgasm The multi orgasmic man has staying power He doesn't have to hold back He doesn't have to fight his own body and deny himself his own pleasure He can enjoy all of the erotic sensations of intercourse have a full orgasm and keep going If he wishes he can have a second orgasm and keep going He can last as long as his partner wishes experience all of the excitement and release and keep going For the multi orgasmic man the sky is truly the limit Daniel is not the only man who has this exciting option Today techniques have been perfected to make male multiple orgasm an option for almost every man Age doesn't matter Previous experience doesn't matter Young or old virgin or veteran all you need is the desire your penis and a few minutes a day So don't stop now Turn the page and cross the threshold into a whole new sense of your own sexuality and a whole new relationship for you and your partner Enjoy your ebook Sex how to make love all night

Women's Conflicts About Eating and Sexuality Ellen Cole, Esther D Rothblum, Lillie Weiss, Rosalyn Meadow, 2014-06-03

Women's Conflicts About Eating and Sexuality explores the strong relationships food and sex have represented to women over the years. No other book has spelled out so clearly the parallels between sex and eating nor integrated the relationship of these to women's basic need to be loved. Today's dilemma for women: be fat or go hungry and the endless variations and unsatisfying solutions to this problem have contributed to the incidence of anorexia, bulimia, and obesity. The pursuit of slimness, the obsession with having the perfect body, excessive aerobicizing, and diet books ad nauseam are all part of this phenomenon. Authors in Women's Conflicts About Eating and Sexuality skillfully discuss the parallel between women's obsession with sex and romance in the fifties and their obsession with food today. An important book for all women, it sheds light on the complex issues facing women and devotes special attention to the career woman and the additional pressures to be slim and stay slim. The woman who reads this potentially life-changing book can examine, question, and change her behavior using the specific step-by-step program aid included in the book. This book is for every woman who has ever worried about being too fat or too sexual. Women's Conflicts About Eating and Sexuality will appeal to women of all ages; young women and their mothers will be fascinated by the parallels between sexual obsessions of thirty years ago and the eating obsessions of today. This healing book will particularly attract single career women for whom sex and relationships are fraught with complications. Counselors and therapists will find this book an excellent resource in their work with helping women. It is also a good auxiliary text for courses in Women's Studies focusing on psychology and history of women and the sociology of women and eating disorders.

Women and the Divine G. Howie, 2016-04-30 This collection explores the question of whether it is possible to reconceive the category of transcendence from a feminist perspective.
