Eerdmans' Handbook to Christian Belief Robin Keeley, 1982 *Eerdmans's Handbook to Christian Belief* Robin Keeley, 1982 **Eerdmans' Handbook to Christianity in America** Mark A. Noll, 1983 Essays that provide a history of the Christian church in the United States with biographical information on church leaders the different organized churches and popular Christian movements J. I. Packer and the Evangelical Future Timothy George, 2009-10 Athletes and actors models and musicians pastors and politicians many have stepped forward looked in the camera and proclaimed I am second But most in the I Am Second movement are not celebrities They are ordinary people and they've come to the simple realization that when God comes first in their lives everything makes sense But living second is not easy It takes grit and humility submission to God's will a willingness to listen and serve and openness to God's healing and call Live Second is a daily guide to making Jesus first in your life With 365 readings prayers action steps and an online community of support what you hold in your hands is a tool built to help you make truth Scripture and Jesus your number one priority each and every day of the year Following Jesus is not meant to be easy just worth it Live Second is exactly what you need as you become the new inspired God honoring creation he made you to be Philosophical Perspectives on the "War on Terrorism", 2007-01-01 This book responds to the Bush Administration position on the war on terror It examines preemption within the context of just war justification for the United States led invasion of Iraq with some authors charging that its tactics serve to increase terror global terrorism and concepts such as reconciliation Islamic identity nationalism and intervention **Exposing Universalism** James B. De Young, 2018-03-08 In recent decades universal reconciliation UR has sharpened its attack on evangelical faith By their fiction and nonfiction and by film The Shack universalists such as Paul Young Brian McLaren Rob Bell and others are propagating the idea that the love of God trumps all other attributes of God including his holiness and justice From this starting point universalists believe that all people are born as children of God that all are going to heaven that all must embrace God's love Those who reject God in this life will repent after death and escape hell Even the devil and his angels will repent from hell and go to heaven Universalism is an old idea Christians have confronted UR since the third century and refuted it as heresy heresy because UR believes that faith in Jesus is unnecessary Thus the death of Jesus Christ as an atonement for sin becomes unnecessary Through his acquaintance with Paul Young De Young is increasingly concerned that Young and other universalists are misleading many In this book De Young challenges all the arguments that universalists make their appeals to the Bible to logic and reason and to church history and shows that they are unconvincing **Three Monotheistic Faiths - Judaism, Christianity, Islam** Dr. Andrea C. Paterson, 2009-05-21 This book is a synopsis of three monotheistic faiths Judaism Christianity and Islam their common areas and their differences The authors desire To show why she believes and to also prove that of the three main faiths existing in the world today Christianity a true and right personal relationship with Christ is the only vehicle to God It is only through Jesus Christ God's Son that we find our way to Him John

14 6 Preaching the Topical Sermon Ronald J. Allen,1992-01-01 This book offers a practical model for developing sermons for occasions when the Bible offers little specific guidance for interpreting an issue need or situation Ronald Allen describes why and how topical sermons should be used discusses special occasions when they are appropriate and outlines strategies for developing topical sermons giving particular attention to controversial issues The last chapter includes sample sermons by other preachers **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *A Christian View of the Church* Francis A. Schaeffer,1994 4 *Death in the City* **Holman New Testament Commentary - 1 & 2 Peter, 1 2 & 3 John and Jude** David Walls,1999-10-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike The Living Church ,1977-07 **Both-And** Rich Nathan,2013-08-26 Rich Nathan and Insoo Kim have got some good news for an either or world Walking you through seven impasses in the journey of faith progress or orthodoxy unity or diversity justice or mercy the authors show why the life centered in Christ the God man is life in the liberating reality of the both and **America's Christian History** Gary DeMar,2005 From the founding of the colonies to the declaration of the Supreme Court America s heritage is built upon the principles of the Christian religion And yet the secularists are dismantling this foundation brick by brick attempting to deny the very core of our national life Gary DeMar presents well documented facts which will change your perspective about what it means to be a Christian in America the truth about America s Christian past as it relates to supreme court justices and presidents the Christian character of colonial charters state constitutions and the US Constitution the Christian foundation of colleges the Christian character of Washington D C the origin of Thanksgiving and so much more Publisher s description **The People of God** Paul Basden,David S. Dockery,2009-08-01 The term Believers Church refers to those who regard the church as the fellowship of

regenerate followers of Jesus Christ Membership in these churches is founded on a voluntary confession of Jesus as Lord Each member has access to God in worship and prayer and accepts responsibility for carrying the gospel to the world The Word of God serves as the final authority in all matters of faith and practice Written by capable thinkers in the Believers Church tradition The People of God addresses key issues in the area of ecclesiology The contributions represent a wide variety of mature theological reflection Exploring these ecclesiological concerns from a theological biblical historical and contemporary perspective these essays reflect the unity and diversity of the Believers Church heritage
