Effective Evangelism:

Reaching Generation Next Lewis A. Drummond, 2002-10-01 Evangelism is at the core of Christianity. It is a life and death matter both for the salvation of individuals and for the continuing growth of the church. Although the message of the gospel never changes, its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture. Reaching Generation Next is the perfect guide on how to effectively proclaim the gospel in today's postmodern culture. Both theological and practical, it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize. Veteran evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith. While providing a basic theology of evangelism and stressing the important role of leadership, the book's primary theme is that every believer must become an evangelist. Reaching Generation Next is a great resource for evangelism training classes. Each chapter concludes with discussion questions. Also included are sections on spiritual awakening, movements, evangelizing the disabled, and surveys for churches and individuals. **Effective**

Evangelism George Edgar Sweazey, 1953 *Evangelism Today* Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes, our methods for communicating it need to adjust to an ever-changing audience. *Evangelism Today* helps believers, whether individually or in groups, share their faith in a culturally relevant way. This book draws on insights from dozens of evangelists, church leaders, and educators to reveal present and future trends of evangelism in America. It explores whether evangelism is still needed and in what form, what the local church's role should be, and where the biggest evangelistic opportunities are emerging. Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book. **Evangelism** Ellen G. Set against the backdrop of the late 19th-century religious revival, her work reflects the growing emphasis on social responsibility and personal piety during this era. Ellen G. White, a co-founder of the Seventh-day Adventist Church, was a prolific author and a passionate advocate for health reform, education, and humanitarian work. Her life experiences as a religious leader and her strong commitment to scriptural authority deeply influenced her writings. *Evangelism* is born from her desire to equip believers with the tools necessary for sharing their faith, stemming from her own experiences of witnessing the transformative impact of spiritual outreach and community engagement. Evaluating the Church Growth Movement

Zondervan, 2010-06-01 What exactly is the Church Growth movement? This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement: Effective Evangelism View presented by Elmer Towns; Gospel in Our Culture View presented by Craig Van Gelder; Centrist View presented by Charles Van Engen; Reformist View presented by Gailyn Van Rheen; and Renewal View presented by Howard Snyder. Each view is first presented by its proponent, then critiqued by the co-contributors. The interactive and fair-minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions. *Evaluating the Church Growth Movement* concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

The Word's Out DAVID. WESTON MALE (PAUL.), Paul Weston, 2019-01-18 At a time of declining church attendance, this book challenges us to understand that evangelism is more important than ever. The problem is that churches and their leaders often struggle with the idea and concepts around evangelism, unsure of what might be theologically or culturally appropriate ways to communicate the message. This book aims to supply principles and strategies for evangelism that are theologically rooted, practical, and relevant to the 21st century. It shows how Jesus and the early church did evangelism and what we can learn from them for our situations. There is lots of practical help from two experienced practitioners to develop an evangelistic strategy for your church. It will also encourage leaders at every level of the church to be leaders and enablers in evangelism. The approach is theologically rigorous and powerfully practical, with the focus on redefining a genuine biblical evangelism. It will help you put foundations in place for developing a sustainable strategy in your church so that you can connect not just with those on the fringes but with those who are way outside.

Strategies for Church Growth C. Peter

Wagner, 2010-01-01 Why Plan Strategy? Is church growth theory incompatible with belief in the sovereignty of God? Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit? C. Peter Wagner answers no to both questions. He further believes that no task could be more crucial than fulfilling the Great Commission in our generation and how to approach and plan for the execution of this task is the question of the day. *Strategies for Church Growth* addresses this key issue in a biblically pragmatic way. It brings together for the first time many principles of evangelism and missions which have proved through recent research and experience to be effective in implementing the Great Commission.
