**The Disciple-Making Pastor** Bill Hull,2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action The Disciple Making Pastor offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church      *Stand Your Ground* Robert Null,2023-02-17 Standing firm in the face of adversity is an opportunity that we all get to endure I think the willingness to stand is not something that we learn to do but rather that we are inspired to do When we stand we give the Lord something to work with We give him someone to anoint for a purpose someone to use for his cause The willingness to stand arises from having seen others do so or having been inspired through his word Standing firm in the face of adversity is also a matter of character Pastors people and churches often find themselves with the choice of standing firm or fleeing Those who stand are guaranteed a fight Those who flee are guaranteed a failure Since this is the case standing looking for God s victory seems to be the proper course      **Cultural Change & Your Church** Michael Pocock,Joseph Henriques,2007-02-01 In our communities composed of people from various cultures

countries and backgrounds where does the church stand How representative is it And how can local churches best minister and evangelize within an increasingly multicultural society Cultural Change and Your Church is an invaluable resource for understanding the transformation of our cultural landscape and most importantly for learning how to embrace the resulting opportunities to minister to all people Michael Pocock and Joseph Henriques consider the Bible s examples and teaching related to diversity introduce several churches currently modeling cross cultural ministry and suggest hands on ways for church leaders to encourage change and proactive thinking     Why Good Churches Fizzle Kurt Takamine,2013-01-17 Why Good Churches Fizzle explores the reasons why high potential highly motivated churches struggle in their God given mission The fizzling church is defined as one that began with great promise and excitement only to stagnate or flatline in influence What are the components of churches that fizzle and what are the attributes of churches that succeed Practical insights and exercises are presented in clear and simple language to the readership and the author writes from the perspective of an organizational leadership professor an executive leader from a major Christian university and as an executive pastor     *I Got Next* Rev. Dr. Marcus D. Allen,2020-06-10 When a pastor has served at one church for a long time they are considered legends They are held in high regard for having conducted marriage ceremonies presided over funerals and led congregants through their most difficult moments But when a new pastor is called to serve they are often met with skepticism or unfair expectations Many times they find congregants who are unwilling to be challenged or change The Rev Dr Marcus D Allen draws on questionnaires of African American Baptist congregations and interviews with ten pastors called to lead churches in this guide for new pastor s intent on making a difference Learn how to navigate the transition process in a smooth fashion energize and encourage congregations to move to the next level help the church regain confidence and overcome the challenges of transition lead congregants in mourning a former leader who has died or been called to serve elsewhere Each pastoral call comes with various transitional challenges and it s important to be ready for whatever is ahead Get guidance to inspire others and achieve success with the lessons in *I Got Next*     *Multi-Site Churches* Scott McConnell,2009-04-01 Based on research of forty congregations that have grown by opening one or more additional worship locations Multi Site Churches provides the next generation of believers interested in this same type of growth with practical insights about how and when to proceed Common practices and mistakes to avoid are clearly explained and first person advice and anecdotes from leading multi site church pastors offer an invaluable advantage for when your church considers whether or not to follow this path of ministry     **Baptist Year Book for Nova Scotia, New Brunswick and Prince Edward Island** ,1906     The Living Church ,1944     **Sunday School that Really Excels** Steven R.
