Nystrom-Schut,2004-07-02 From my home in San Juan a lovely sector of central Tibas situated just north of San Jose Costa Rica while the candle flickers I commence the writing of these varied glimpses Warning What you are about to read are personal memoirs They are much to do about self They amount to a large group of random thoughts sporadic observations I always feel I am somehow supposed to write my thoughts down what a big ego I must have because I like to think that if you put them all together they form a loose knit way of seeing the world They are a part of my worldview Everyone has one of these whats your view of the world look like I am going to be a world philosopher when I grow up you see That is what my intention is since I have always been preoccupied with how to see things how to process things How odd is life anyway Thats why my interest in philosophy to figure out the oddness of life Normally I think philosophy can be pretty dry and boring But for me its terribly exciting In this book what you are about to delve into will resemble the form of an ongoing story It will consist of a sequence of six weeks of shadows and lights i e days and nights After that time wherever I am at with it I will stop and simply and abruptly start to write another book about something else I know not what Here though I will I suspect be sharing with you a series of ideas dreams fears logical thoughts illogical thoughts wonderings wanderings and general psychobabble I say that because I intend to impart thoughts and ideas about whatever might be in my ongoing existence in being This could be anything I assure youas of course it could be for anyone Exactly what will appear in the pages that represent the next six weeks of my life I do not have any idea that for me is going to be much of the fun of writing it
