single site the ethnography crosses multiple urban sites and social groups to survey varied groups with interests in particular spaces The book contextualizes these spatial conflicts within the discourses of the city's historical accounts and the much debated concept of heritage voiced in academic writing politics and journalism In the afterword Sawalha links these conflicts to the social and political crises of early twenty first century Beirut      **Routledge Handbook of Cultural Gerontology** Julia Twigg, Wendy Martin, 2015-06-12 Later years are changing under the impact of demographic social and cultural shifts No longer confined to the sphere of social welfare they are now studied within a wider cultural framework that encompasses new experiences and new modes of being Drawing on influences from the arts and humanities and deploying diverse methodologies visual literary spatial and theoretical perspectives Cultural Gerontology has brought new aspects of later life into view This major new publication draws together these currents including Theory and Methods Embodiment Identities and Social Relationships Consumption and Leisure and Time and Space Based on specially commissioned chapters by leading international authors the Routledge Handbook of Cultural Gerontology will provide concise authoritative reviews of the key debates and themes shaping this exciting new field      **Speech Out of Doors** Timothy Zick, 2009 The Supreme Court has emphasized that expressive liberties require breathing space in which to thrive At a minimum speakers need places in which to assemble speak and petition government This book is a comprehensive examination of First Amendment rights in public places It shows that the literal ground beneath speakers feet has been steadily eroding from personal spaces to college campuses and to once vast and important inscribed places such as public parks and public squares Through the study of expressive topography this book considers a variety of contemporary speech contests including restrictions on abortion clinic sidewalk counselors protests at military funerals and restrictions on assembly and speech at political conventions Countering or reversing these forces will require a focused and sustained effort by public officials courts and of course the people themselves      **Funerary Practices in the Czech Republic** Olga Nešporová, 2020-12-04 Exploring the traditions customs and contemporary legal framework of Czech funerary practices this book analyses and interprets the high cremation rate predominance of secular funerals and increasing popularity of cremation with no funeral ceremony against the background of the country's historical development      **Wills, Probate, and Inheritance Tax For Dummies, UK Edition** Julian Knight, 2011-02-14 Planning how to pass your estate on doesn't have to mean complications legal jargon and huge bills Wills Probate and Inheritance Tax For Dummies 2nd Edition takes you through the process step by step and gives you all the information you need to ensure that your affairs are left in good order It shows you how to plan and write your will minimise the stress of probate and ensure that your nearest and dearest are protected from a large inheritance tax bill Discover how to Decide if a will is right for you Value your assets Leave your home through a will Appoint executors and trustees Choose beneficiaries Draw up a DIY will Work out how inheritance tax works and if you're liable to it Find out what can and can't be taxed      **Paleomicrobiology of Humans** Michel Drancourt, Didier A.
