Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum:

The Archaeology of Slavery Lydia Wilson Marshall, 2015 The Archaeology of Slavery grapples with both the benefits and complications of a comparative approach to the archaeology of slavery Contributors from different archaeological subfields including American African prehistoric and historical consider how to define slavery identify it in the archaeological record and study slavery as a diachronic process that covers enslavement to emancipation and beyond Themes include how to define slavery how to identify slavery archaeologically enslavement and emancipation and the politics and ethics of slavery related research The Freedman in the Roman World Henrik Mouritsen, 2011-01-27 Freedmen occupied a complex and often

problematic place in Roman society between slaves on the one hand and freeborn citizens on the other Playing an extremely important role in the economic life of the Roman world they were also a key instrument for replenishing and even increasing the size of the citizen body This book presents an original synthesis for the first time covering both Republic and Empire in a single volume While providing up to date discussions of most significant aspects of the phenomenon the book also offers a new understanding of the practice of manumission its role in the organisation of slave labour and the Roman economy as well as the deep seated ideological concerns to which it gave rise It locates the freedman in a broader social and economic context explaining the remarkable popularity of manumission in the Roman world **Mediterranean Families in**

Antiquity Sabine R. Huebner, Geoffrey Nathan, 2016-08-17 This comprehensive study of families in the Mediterranean world spans the Bronze Age through Late Antiquity and looks at families and households in various ancient societies inhabiting the regions around the Mediterranean Sea in an attempt to break down artificial boundaries between academic disciplines

Slavery in the Late Roman World, AD 275-425 Kyle Harper, 2011-05-12 Capitalizing on the rich historical record of late antiquity and employing sophisticated methodologies from social and economic history this book reinterprets the end of Roman slavery Kyle Harper challenges traditional interpretations of a transition from antiquity to the Middle Ages arguing instead that a deep divide runs through late antiquity separating the Roman slave system from its early medieval successors In the process he covers the economic social and institutional dimensions of ancient slavery and presents the most comprehensive analytical treatment of a pre modern slave system now available By scouring the late antique record he has uncovered a wealth of new material providing fresh insights into the ancient slave system including slavery's role in agriculture and textile production its relation to sexual exploitation and the dynamics of social honor By demonstrating the vitality of slavery into the later Roman empire the author shows that Christianity triumphed amidst a genuine slave society

Collegia Centonariorum: The Guilds of Textile Dealers in the Roman West Jinyu Liu, 2009-09-28 The collegia centonariorum were often seen as the municipal fire brigades or status groups of sorts in the Roman cities Through a close investigation of the chronological development and geographical distribution of the collegia centonariorum their legal

privileges and the prosopographical data of members and patrons this volume reveals a much more complex picture of their origins characters and compositions in various regions from the first century BC to the fourth century AD Intricately connected with the textile economy the collegia centonariorum illustrate how elements as diverse as material demand from the military and the city of Rome legal infrastructure urban development and organizations of urban based craftsmen and tradesmen may have interfaced with each other in the Roman world Collected Papers on Suetonius Tristan

Power,2021-06-22 This collection of essays by a leading authority on Suetonius one of our most significant historical sources for the early Roman Empire provides an in depth examination of his works whose literary value has in the past been overlooked Although Suetonius is well known for his Lives of emperors such as Caligula and Nero he is rarely studied in his own right aside from grammatical or textual commentaries This is the first volume by an expert on the author to make him accessible to a wider audience looking at his biographies not only of emperors but also poets and discovering new contemporary evidence for Jesus from one of Suetonius first century sources Other writers discussed include Homer Sophocles Catullus Virgil Horace Curtius Rufus Josephus Plutarch Pliny the Younger Tacitus Juvenal and Cassius Dio The book contains thirty two papers in all eleven of which are new which examine Suetonius neglected historical value and literary skills and offer textual conjectures on both the Illustrious Men and Lives of the Caesars It also has a new introduction and represents over a dozen years of research on an essential Latin source for Roman history Collected Papers on Suetonius provides an invaluable resource for students and researchers working on Suetonius It also has broader significance for anyone studying Roman imperial history and culture Latin literature and classical historiography **Slave Revolts in**

Antiquity Theresa Urbainczyk,2016-06-16 Although much has been written on Greek and Roman slavery slave resistance has typically been dismissed as historically insignificant and those revolts that are documented are portrayed as wholly exceptional and resulting from peculiar historical circumstances that had little to do with the intrinsic views or organizational capabilities of the slaves themselves In this book Theresa Urbainczyk challenges the current orthodoxy and argues that there were many more slave revolts than is usually assumed and they were far from insignificant historically She carefully dissects ancient and modern interpretations to show that there was every reason for the writers who recorded and re recorded the slave rebellions and wars to repress or to reconfigure any larger scale slave resistance as something other than what it was Further she shows that we often have the accounts that we do because of the happenstance of certain ancient authors having been particularly interested in creating accounts of them for their own interests Urbainczyk argues that we need to look beyond the canonical sources and episodes to see a bigger history of long term resistance of slaves to their enslavement

Paul's Declaration of Freedom from a Freed Slave's Perspective Robin G. Thompson,2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul s theology of Christian freedom they have not considered how Paul s declaration of freedom would have been received by those who most desired and valued

freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well **Antike Sklaverei** Elisabeth Herrmann-Otto,2013 **Fear of slaves, fear of enslavement in the ancient Mediterranean** Anastasia Serghidou,2007 Les intervenants analysent le couple du maître et de l'esclave au regard des schémas d'autorité et d'obéissance de liberté et de servitude de suprématie et de soumission et les incidences de ces problématiques sur les mouvements du corps social dans l'Antiquité **The Oxford Handbook of Social Relations in the Roman World** Michael Peachin,2011 The study of Roman society and social relations blossomed in the 1970s By now we possess a very large literature on the individuals and groups that constituted the Roman community and the various ways in which members of that community interacted There simply is however no overview that takes into account the multifarious progress that has been made in the past thirty odd years The purpose of this handbook is twofold On the one hand it synthesizes what has heretofore been accomplished in this field On the other hand it attempts to configure the examination of Roman social relations in some new ways and thereby indicates directions in which the discipline might now proceed The book opens with a substantial general introduction that portrays the current state of the field indicates some avenues for further study and provides the background necessary for the following chapters It lays out what is now known about the historical development of Roman society and the essential structures of that community In a second introductory article Clifford Ando explains the chronological parameters of the handbook The main body of the book is divided into the following six sections 1 Mechanisms of Socialization primary education rhetorical education family law 2 Mechanisms of Communication and Interaction 3 Communal Contexts for Social Interaction 4 Modes of Interpersonal Relations friendship patronage hospitality dining funerals benefactions honor 5 Societies Within the Roman Community collegia cults Judaism Christianity the army and 6 Marginalized Persons slaves women children prostitutes actors and gladiators bandits The result is a unique up to date and comprehensive survey of ancient Roman society The Position of Roman Slaves Martin Schermaier,2023-03-06 Slaves were property of their dominus objects rather than persons without rights These are some components of our basic knowledge about Roman slavery But Roman slavery was more diverse than we might assume from the standard wording about servile legal status Numerous inscriptions as well as literary and legal sources reveal clear differences in the social structure of Roman slavery There were numerous groups and professions who shared the status of being unfree while inhabiting very different worlds The papers in this volume pose the question of whether and how legal texts reflected such social differences within the Roman servile community Did the legal system reinscribe social differences and if so in what shape Were exceptions created only in individual cases or did the legal system generate privileges for particular groups of

slaves Did it reinforce and even promote social differentiation All papers probe neuralgic points that are apt to challenge the homogeneous image of Roman slave law They show that this law was a good deal more colourful than historical research has so far assumed The authors primary concern is to make this legal diversity accessible to historical scholarship **Paul in the Greco-Roman World: A Handbook** J. Paul Sampley, 2016-10-06 This landmark handbook written by distinguished Pauline scholars and first published in 2003 remains the first and only work to offer lucid and insightful examinations of Paul and his world in such depth Together the two volumes that constitute the handbook in its much revised form provide a comprehensive reference resource for new testament scholars looking to understand the classical world in which Paul lived and work Each chapter provides an overview of a particular social convention literary of rhetorical topos social practice or cultural mores of the world in which Paul and his audiences were at home In addition the sections use carefully chosen examples to demonstrate how particularly features of Greco Roman culture shed light on Paul s letters and on his readers possible perception of them For the new edition all the contributions have been fully revised to take into account the last ten years of methodological change and the helpful chapter bibliographies fully updated Wholly new chapters cover such issues as Paul and Memory Paul s Economics honor and shame in Paul s writings and the Greek novel *Freed Slaves and Roman Imperial Culture* Rose MacLean, 2018-05-17 Argues that freed slaves exerted a profound influence on the transformation of Roman values under the Principate *Martial: Liber Spectaculorum* Kathleen M. Coleman, 2006-10-26 This book is the first full scale edition of the so called Liber spectaculorum by Martial A comprehensive introduction addresses the role of epigram in commemorating monuments and occasions the connection between spectacle and imperial panegyric in Martial s oeuvre characteristics of the collection possible circumstances of composition and publication transmission of the text and related issues Each epigram is followed by an apparatus criticus an English translation and a detailed commentary on linguistic literary and historical matters adducing extensive evidence from epigraphy and art as well as literary sources The book is accompanied by four concordances five tables two maps 30 plates and an appendix **The Cambridge World History of Slavery: Volume 1, The Ancient Mediterranean World** Keith Bradley, Paul Cartledge, 2011-03-07 Volume 1 in the new Cambridge World History of Slavery surveys the history of slavery in the ancient Mediterranean world Although chapters are devoted to the ancient Near East and the Jews its principal concern is with the societies of ancient Greece and Rome These are often considered as the first examples in world history of genuine slave societies because of the widespread prevalence of chattel slavery which is argued to have been a cultural manifestation of the ubiquitous violence in societies typified by incessant warfare There was never any sustained opposition to slavery and the new religion of Christianity probably reinforced rather than challenged its existence In twenty two chapters leading scholars explore the centrality of slavery in ancient Mediterranean life using a wide range of textual and material evidence Non specialist readers in particular will find the volume an accessible account of the early history of this crucial phenomenon **The Cambridge Companion to**

Ancient Rome Paul Erdkamp, 2013-09-05 Rome was the largest city in the ancient world As the capital of the Roman Empire it was clearly an exceptional city in terms of size diversity and complexity While the Colosseum imperial palaces and Pantheon are among its most famous features this volume explores Rome primarily as a city in which many thousands of men and women were born lived and died The thirty one chapters by leading historians classicists and archaeologists discuss issues ranging from the monuments and the games to the food and water supply from policing and riots to domestic housing from death and disease to pagan cults and the impact of Christianity Richly illustrated the volume introduces groundbreaking new research against the background of current debates and is designed as a readable survey accessible in particular to undergraduates and non specialists

Critical Readings on Global Slavery Damian Alan Pargas, Felicia Roşu, 2017-12-05 The study of slavery has grown strongly in recent years as scholars working in several disciplines have cultivated broader perspectives on enslavement in a wide variety of contexts and settings Critical Readings on Global Slavery offers students and researchers a rich collection of previously published works by some of the most preeminent scholars in the field With contributions covering various regions and time periods this anthology encourages readers to view slave systems across time and space as both ubiquitous and interconnected and introduces those who are interested in the study of human bondage to some of the most important and widely cited works in slavery studies

Polybius and His Legacy Nikos Miltsios, Melina Tamiolaki, 2018-03-19 Although scholars continue to address old questions about Polybius it is clear that they are also turning their attention to aspects of his history that have been inadequately dealt with in the past or have even gone largely unnoticed Polybius history is increasingly treated not just as a source of valuable information on the impressive expansion of Roman rule in the Mediterranean world but also as a complex and nuanced narrative with its own interests and purposes Moreover since apart from Livy's use of Polybius which has been thoroughly discussed most studies of Polybius reception focus on the modern world especially in relation to the theory of mixed constitutions finding out more about Polybius impact on ancient Greek and Roman authors remains a major desideratum This volume brings together contributions which in either posing new questions or reformulating old ones attest both to the ardent scholarly interest currently directed toward Polybius and to the variety of hermeneutical issues raised by his work Subjects discussed include Polybius historical ideas his methods of composition his views on the role of the historian his representation of cultural difference his intertextual affinities and his reception and influence Taken together the papers in this collection attempt to promote a deeper understanding of the qualities and peculiarities of Polybius history as well as to offer fresh insights into the interpretation of this important work

The Oxford Handbook Sport and Spectacle in the Ancient World Alison Futrell, Thomas F. Scanlon, 2021-09-09 Sport and spectacle in the ancient world has become a vital area of broad new exploration over the last few decades This Handbook brings together the latest research on Greek and Roman manifestations of these pastimes to explore current approaches and open exciting new avenues of inquiry It discusses historical perspectives contest forms

contest related texts civic and social aspects and use and meaning of the individual body Greek and Roman topics are interwoven to simulate contest like tensions and complementarities juxtaposing for example violence in Greek athletics and Roman gladiatorial events Greek and Roman chariot events architectural frameworks for contests and games in the two cultures and contrasting views of religion bodily regimens and judicial classification related to both cultures It examines the social contexts of games namely the evolution of sport and spectacle across cultural and political boundaries and how games are adapted to multiple contexts and multiple purposes reinforcing social hierarchies performing shared values and playing out deep cultural tensions The volume also considers other directing forces in the ancient Mediterranean such as Bronze Age Egypt and the Near East Etruria and early Christianity It addresses important themes common to both antiquity and modern society such as issues of class gender and health as well as the popular culture of the modern Olympics and gladiators in cinema With innovative perspectives from authoritative scholars on a wide range of topics this Handbook will appeal to both students and researchers interested in ancient history literature sports and games

The Enigmatic Realm of **Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubilaum**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubilaum** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those that partake in its reading experience.

Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum Introduction

In the digital age, access to information has become easier than ever before. The ability to download Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum has opened up a world of possibilities.

Downloading Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world.

However, it is essential to be cautious while downloading Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum is one of the best book in our library for free trial. We provide copy of Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum. Where to download Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum online for free? Are you looking for Funfzig Jahre Forschungen Zur Antiken Sklaverei An Der Mainzer Akademie 19502000 Miscellanea Zum Jubiläum PDF? This is definitely going to save you time and cash in something

you should think about.
