Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *Mexico is Missing and Other Stories* J. David Stevens, 2006 What s America to do when one day Mexico suddenly disappears That question asked by the title story in *Mexico Is Missing* sets the tone for a collection whose individual stories have been described as provocative intensely relevant and wickedly macabre Thematically and formally diverse these pieces are unified by their devotion to the offbeat even insane moments of contemporary life A widow hears a voice from her computer that claims to be God An unnamed narrator develops an unhealthy fascination with his mailman Several characters from a joke come to life and wonder what to do with themselves A poet married to a porn star considers the real meaning of love The subjects of this volume range widely From Snoopy to Southern Baptists from witch trials to infomercials from the President s golf game to well the President s penis anything is fair game in a collection that blends satire with a sincere desire to find meaning in the jumbled world that we daily inhabit A literary critic and author Stevens also demonstrates his formal range by juxtaposing traditional linear stories against micro fictions and longer fractured narratives The result is a book that traverses the literary map with impressive dexterity Individually the stories in *Mexico Is Missing* will provide various pleasures for every reader But taken together they represent a more profound effort to blend those diametric impulses formal cultural and sociopolitical which so often define contemporary experience This collection of 23 short stories by J David Stevens is clever sardonic and humorous While you re laughing Stevens also gives you plenty of things to think about spirituality the negligence of the mass media American politics and relationships Book jacket *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Sonnenfeld's many films and television shows. From battling with studio executives and producers to bad script solving on set to coaxing actors into finding the right light and talking faster, Sonnenfeld provides an entertaining master class in how to make commercial art in the face of constant human foible. Over four decades in Hollywood, the mega franchises include *The Addams Family* and *Men in Black*, the critical favorites *Get Shorty* and *Pushing Daisies*, the icons Will Smith, John Travolta, and Michael Jackson, and the projects that got away: *Forrest Gump*, *Ali*, and anything starring Jim Carrey. The true stories escalate from surreal to outrageous to unbelievable. And then there's magic hour. But you'll never see Hollywood the same way again.

Dear Girls Ali Wong, 2019-10-15 NEW YORK TIMES BESTSELLER Heartfelt and hilarious essays from the Emmy and Golden Globe Award winning actress, star of the Netflix original series *Beef* and two-time member of Time's 100 Most Influential People of the Year list. A collection of letters to her baby girls that are barn-burning reflections on being a working mom, marriage, sex, and more. If you've ever wanted to have Ali Wong's signature voice in your head for 200-plus pages, now's your chance. Glamour ONE OF THE BEST BOOKS OF THE YEAR Time Variety Chicago Tribune Glamour New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York, i.e. the inevitable confrontation with erectile dysfunction, reconnecting with her roots and drinking snake blood in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening, and gross for all. Praise for *Dear Girls*: Fierce feminist and packed with funny anecdotes. Entertainment Weekly Wong spins a volume whose pages simultaneously shock and satisfy. *Dear Girls* is not so much a real talk handbook as it is a myth-puncturing manifesto. Vogue *Subject Guide to Books in Print*, 1997 **Iñupiatun Uqaluit**
