**The Lost Executioner** Nic Dunlop, 2011-03-29 In Cambodia between 1975 and 1979 some two million people died at the hands of the Khmer Rouge Twenty years later not one member had been held accountable for the genocide Haunted by an image of one of them Comrade Duch photographer Nic Dunlop set out to bring him to life and thereby to account I needed to understand how a movement that laid claim to a vision of a better world could instead produce a revolution of unparalleled ferocity how a seemingly ordinary man from one of the poorer parts of Cambodia could turn into one of the worst mass murderers of the twentieth century Weaving seamlessly between past and present Dunlop unfolds the history of Cambodia as a lens through which to understand its tragic last forty years He makes clear how much responsibility the United States must share through failed political alliances and the illegal bombing of Cambodia for the bloodshed that followed Guided by witnesses Dunlop teases out the details of Duch s transformation from sensitive schoolchild and dedicated teacher to the revolutionary killer who later slipped quietly back into

village life From the temples of Angkor to the prisons of Pol Pot's regime to his unexpected meeting with Duch himself Dunlop's special vision as a photographer enlarges our own The Lost Executioner is a blend of history and testimony and a reminder that whether in the killing fields of Cambodia or the deserts of Darfur if we turn our backs on genocide we must bear a collective guilt
