Edgar Rice Burroughs was not satisfied with creating characters and events within the world that we know instead he created whole new worlds for histories and he filled them with peoples languages cities wars plants machines and monsters that were believable to the reader yet still alien and fantastic enough to thrill and delight From A Kor the keeper of the Towers of Jetan in Manator through Zythab one of the priests of Brulor in Ashair this is a comprehensive reference to the fantastic worlds of Burroughs Each entry provides a complete definition along with a reference to the book in which the entry appeared For terms the language either actual e g Latin and French or Burroughs created e g The Tongue of the Great Ape or Pal ul don from which it was derived is given **Subject Catalog** Library of Congress,1977 Palestine and the Great Feud Labeeb Ahmed Bsoul,2022-12-13 This volume analyzes the early period of the Arab Israeli conflict 1897 1948 which encompasses the emergence of the Zionist movement and the end of the First World War Zionism and Western colonialism continue to play a definitive role in shaping the fate of the Palestinian cause The author argues that it is possible to understand the existence of such a relationship between Zionism and Western colonialism by looking at the unity of purpose of both approaches and the international circles in which Zionism has been supported from the very beginning Zionism does not correspond to a natural course of national development such as the origin language and cultural unity of a nation residing in lands where its ancestors lived but is an international idea that transcends territoriality Similarly Western colonialism which aims to design an extra territorial framework follows the same path as Zionism in this framework
