Seriously Funny Barbara Hamby, David Kirby, 2010 Can serious poetry be funny Chaucer and Shakespeare would say yes and so do the authors of these 187 poems that address timeless concerns but that also include comic elements Beginning with the Beats and the New York School and continuing with both marquee name poets and newcomers Seriously Funny ranges from poems that are capsized by their own tomfoolery to those that glow with quiet wit to ones in which a laugh erupts in the midst of terrible darkness Most of the selections were made in the editors' battered compact car otherwise known as the Seriously Funny Mobile Unit During the two years in which Barbara Hamby and David Kirby made their choices they'd set out with a couple of boxes of books in the back seat and whoever wasn't driving read to the other When they found that a poem made both of them think but laugh as well they earmarked it Readers will find a true generosity in these poems an eagerness to share ideas and emotions and also to entertain The singer Ali Farka Touré said that honey is never good when it's only in one mouth and the editors of Seriously Funny hope its readers find much to share with others

A Funny Thing Happened on My Way to Heaven, Funny Thoughts 3 Seth Kinstle, 2025-01-03 A compilation of wacky thoughts and jokes Embedded inside are waves upon waves of insanity and straight up baffling nonsense You never know what you might find in my mind You might just be left wondering why you ever read anything but this to begin with

With pages upon pages of pestering words plastered for your baby bird brain to peck up you might just end up indefinitely altered for the greater good And when it s all said and done you might just decide certain things are best left funny instead of turning them into a catastrophe like everyone else People always turn everything into a tragedy And now I shall sigh myself to sleep thinking about people who do nothing with their lives This is probably the kind of book you might read when you re about to die to try to smile I m not sure if that s a good or bad thing but regardless maybe the contents aren t as worthless as those other books from other people you were about to read Let s just be real Every book in the world is nothing compared to this Besides my other books Only books by me are good Only read books by me now *Cancer Is Funny* Jason

Micheli,2016-12-01 Jason Micheli a young father husband and pastor was diagnosed with a bone cancer so rare and deadly that his doctors didn t classify it with one of the normal four stages they simply called it stage serious As Micheli struggled with despair and faced his own mortality he resolved that although cancer kills the body it would not kill his spirit faith or sense of humor Micheli knew that the promise of faith makes hope possible And approaching cancer as fodder for some bowel busting humor helps too His reflections are not trite Instead he writes honestly about being stricken with lethal cancer in the midst of a promising career and raising two young children He struggles with his commitment to the God who as he writes may or may not be doing this to him Because figuring this out for himself not to mention explaining it to his congregation and his sons is so important that theology is now a matter of life and death This is a funny no holds barred irreverent yet faithful take on the disease that touches every family Micheli s story teaches us all how to stay human in dehumanizing situations how to keep living in the face of death **Seriously Funny #01** Adrian Plass,Jeff

Lucas,2010-04-01 A little while ago concerned that the next time they got together one of them would be in a coffin Jeff Lucas and Adrian Plass decided to start exchanging letters and this book is the result Breathtakingly honest funny moving and immensely enjoyable Seriously Funny is a celebration of 21st century Christianity as well as a no holds barred expose of its sillier side And they are equally hard on themselves their most embarrassing moments are a joy to read Adrian Plass and Jeff Lucas are renowned for their ability to express the silly side of Christian culture and to cut through our pretensions and foibles with incisive wit In this candid moving hilarious book they join comedic forces to challenge and entertain us **How**
