Hokeness,2011-11 A person wants to believe that a moral upright respected family will remain that way forever but this story shows the dark side after the death of a beloved mother It s the love of the mother that holds most families together What happens to her precious children when she dies suddenly and suspiciously The next in line to lead the family will be her oldest son but he may not be the best choice even though in the past he has been her sweetest angel He may have changed into a fallen angel which she suspected but she refused to believe it The new leader of the family won t necessarily be accepted until he proves himself worthy In fact her angel may have changed into someone she wouldn t recognize He may betray all of her trust and his moral decline would make her roll over in her grave Her angel may also drag down her other children with him So the tragedy is doubled *New Zealand Libraries* ,1975 Unfaithful CEO's Pretty Ex-wife Mu XunHuan,2020-08-31 Xia Ying never thought that the person who was going to buy her hotel would actually be her ex husband Yang Xichen The moment she saw Yang Xichen Xia Ying uncontrollably took two steps back the documents in her hands fell to the ground scattering everywhere For a moment everyone in the meeting room focused their gazes on Xia Ying Just as she was about to escape Yang Xichen s voice was like a death god s sentence locking her in place Ms Xia we can talk about the purchase The clear and cold voice was like a sharp knife that slashed at Xia Ying s heart The current her only
