This unique terrier is comfortable working vermin in the field sleeping by the hearth or dazzling the gallery at a dog show A natural dog with God given talents and true down to earth beauty the Glen rightly deserves a place in the homes of pet owners and the show and obedience set as well as of the farmers who originally bred him for everyday ratting purposes Today the Glen is a member of the AKC Terrier Group and is enjoying increased popularity in the United States as it has in Ireland and England for generations New owners will welcome the well prepared chapter on finding a reputable breeder and selecting a healthy sound puppy Chapters on puppy proofing the home and yard purchasing the right supplies for the puppy as well as house training feeding and grooming are illustrated with photographs of handsome adults and puppies In all there are over 135 full color photographs in this useful and reliable volume The author's advice on obedience training will help the reader better mold and train into the most well mannered dog in the neighborhood The extensive and lavishly illustrated chapter on healthcare provides up to date detailed information on selecting a qualified veterinarian vaccinations preventing and dealing with parasites infectious diseases and more Sidebars throughout the text offer helpful hints covering topics as diverse as historical dogs breeders or kennels toxic plants first aid crate training carsickness fussy eaters and parasite control Fully indexed Glen Echo, Rustic, and Manhattan James La Force, 2012-04-18 Cache la Poudre River history place names fish and the river Oak Glen, a Training Camp for Unemployed Youth Jane R.
