Fussins Cussins And Chucklins Things I Uz Written When I Wuz Smitten:

Gripes, Swipes and Giggles David Killam, 2012-05-24 Hardly hidden even beneath the thick skin of country vernacular Killams keen intellect and droll Yankee wit repeatedly endorse common sense and practicality His northern New England sense of humor oft comes across with the subtlety of a sledgehammer Little sympathy is shown for business representatives who after utterly failing to address your problem apologetically proceed to ask if there is anything else they can do for you Focus recurrently pinpoints the lost art of listening service personnel who fail to provide service and the irony and difficulty of communicating via modern technology wielding the capacity but not the brainpower Fun is poked at our current propensity for serving rules and regulations rather than each other Yet overriding all is an innate concern and compassion for people particularly for young folk In this new collection of poems essays and stories Killam is quick to evoke tears pathos laughter to preach or to ridicule but above all to entertain Fussin's, Cussin's And Chucklin's David Killam, 2004-11-01 The Schools section contains a lifetime's worth of comment on educational systems and predicaments in which teachers and students can find themselves Observations vary from introspective to the unapologetic caustic Lessons from Nature will speak most pointedly to those already harboring an appreciation for and knowledge of the great outdoors The Odds and Ends section is a collection of random thoughts on the world we all share and the human condition in general The perspective is pure New England Yankee Contents vary as to reading level but there should be found somewhere herein something for everyone
