Economic Development and Population Growth in the Middle East Charles A. Cooper, Sidney Stuart Alexander, 1971 Monograph comprising nine essays on economic development and population problems in the Middle East includes information on Egypt Lebanon Jordan Iraq Syrian Arab Republic Saudi Arabia Kuwait and the Gulf States in respect of economic growth the balance of payments trade prices economic policies population growth fertility patterns modernization etc Bibliography graphs map references and statistical tables Economic development and population growth in the Middle East, ed , *Economic Development and Population Growth in the Middle East* Charles A. Cooper, Sidney Stuart Alexander, 1972 Economic Development in the Middle East Rodney Wilson, 2002-03-11 Despite its oil resources the Middle East is falling behind other regions of the developing world notably the countries of East and South East Asia Rodney Wilson examines the economic prospects for the region considering the consequences of rapid population growth including the implications for education and employment low savings levels the absence of significant inflows of private capital and foreign investment fragmentation of the banking system the basic economic infrastructure and the problems caused by excessive military expenditure falling oil prices budget deficits The author examines alternative economic directions for the region arguing that both the methods and goals of development have to be reassessed in a region where Islam prevails **Economic Development in the Middle East, 2nd edition** Rodney Wilson, 2012-11-27 By examining economic development in the Middle East in the aftermath of the Arab Spring this textbook introduces undergraduate and postgraduate students to the most pressing and topical economic issues in the contemporary Middle East With comprehensive coverage of the entire region the author examines the economic prospects for the Gulf and charts the growth of economic power in the region Organised thematically a full range of topics are discussed including the role of banks and capital markets in the region s development the impact of demographic changes such as the dramatic decline in birth rates and the implications for future employment the development of economic advances in oil and gas production the effects of the region s economic development on international and inter regional trade Through discussing the region s problems of the past as well as the present and future challenges this book provides students with a compact and manageable review of the state of economic development in the Middle East **Population Dilemmas in the Middle East** Gad G. Gilbar, 1997 This study first offers a general outline of Palestinian population growth between 1948 and 1987 and then focuses on the town of Nablus in the early 1950s for a detailed analysis of the economic forces that instigated Palestinian migration to Jordan and the Gulf The author shows how the recession that struck the Arab oil economies in the early 1980s by slowing down the migratory movement shut off the valve that had afforded the Palestinians in the West Bank and Gaza relief from economic pressures When during those same years the Israeli government instigated a policy of reducing investments in these territories the Palestinians found themselves in a no win situation with their economic plight

forming one of the main factors for the eruption of the Intifada in December 1987 Finally following Iraq's invasion of Kuwait in July 1990 most of the 300 000 or so Palestinians who had been working there left or were forced to leave and made their way to Jordan The author analyses how Jordan in coping with the resulting demographic and economic pressures adopted an antinatalist policy despite powerful political and social forces working against such a programme **The Economic**

Development Process in the Middle East and North Africa Alessandro Romagnoli, Luisa Mengoni, 2013-11-12 Offering a comprehensive analysis of the development of economies in the Middle East and North Africa over the past half century this book charts the progress of these countries through an examination of an Islamic model of economic development reform processes and economic integration Far from being a simple process economic development in the Middle East and North Africa is dependent on the interaction of a set of changing systems including international relations the political regime economy and society By analysing these interdependent factors The Economic Development Process in MENA seeks to provide answers to the most pressing issues facing the economies in this area Providing an interpretation of regional development in light of dialectics between state and society this book will be of value to students and scholars with an interest in the Middle East Economics and International Relations **The Economic Structure of the Middle East** Z. Y.

Hershlag, 2023-10-09 The Middle East Peter Beaumont, G.H. Blake, J. Malcolm Wagstaff, 2016-04-14 This book first published in 1976 and in this second edition in 1988 combines an examination of the political cultural and economic geography of the Middle East with a detailed study of the region's landscape features natural resources environmental conditions and ecological evolution The Middle East with its extremes of climate and terrain has long fascinated those interested in the fine balance between man and his environment and now its economic and political importance in world affairs has brought the region to the attention of everybody *The Economic Development Process in the Middle East and North Africa* Alessandro Romagnoli, Luisa Mengoni, 2013-11-12 Offering a comprehensive analysis of the development of economies in the Middle East and North Africa over the past half century this book charts the progress of these countries through an examination of an Islamic model of economic development reform processes and economic integration Far from being a simple process economic development in the Middle East and North Africa is dependent on the interaction of a set of changing systems including international relations the political regime economy and society By analysing these interdependent factors The Economic Development Process in MENA seeks to provide answers to the most pressing issues facing the economies in this area Providing an interpretation of regional development in light of dialectics between state and society this book will be of value to students and scholars with an interest in the Middle East Economics and International Relations **Oil and Development in the Arab Gulf States** Walid I. Sharif, 2023-10-12 Oil and Development in the Arab Gulf States 1985 brings together in one volume the manifold sources of information on the Arab Gulf region especially the impact of oil revenues on its economic political and social development It provides a balanced core of primary and secondary

sources on various aspects of the economics of Arab oil between 1973 and 1983 **The Economies of the Arab World (RLE Economy of Middle East)** Yusuf Sayigh, 2014-10-30 This book a comprehensive study of twelve of the economies of key countries of the Arab world has three main objectives to record the developmental achievements and failings of each country to examine the main issues arising in the drive for development and to assess the future outlook for development for each country Most of the countries studied only gained independence from their colonial masters in recent decades and the process of economic development has necessarily been accompanied by political development First published in 1978

Economic and Political Change in the Middle East (RLE Economy of Middle East) Elias Tuma, 2014-10-30 In the early 1960s the Middle East suffered from political instability inefficiency of government widespread poverty and inequality low productivity and a mounting population pressure on the region s resources With the exception of some of the oil exporting countries the entire region still suffers from these same burdens There have been many studies in the economic development and industrialization of the region in recent years This study is different motivated by scepticism and a sense of intellectual frustration and apprehension because of the apparent inadequacy of socioeconomic and political development in the Middle East First published in 1987 An Urban Profile of the Middle East Hugh Roberts, 2020-10-07 Changes in economic and social conditions throughout the Middle East have been profound and perhaps nowhere has this been more evident than in the field of urban development and town planning This book first published in 1979 provides a view of the Middle East as it undergoes transition by identifying and analysing the symptoms of change *Energy Developments in the Middle East* Anthony H. Cordesman, 2004-09-30 The Middle Eastern and North African region MENA dominates world energy exports today and will likely do so for decades to come even if world consumers make steady progress in conservation renewable energy sources and increases from gas coal and nuclear power The MENA region however has been the scene of both internal crises and external conflicts On several occasions these crises have affected either the flow of MENA energy exports or the development of energy production and export capacity The politics economics and social dynamics that shape threats to regional stability are complex Cordesman details the factors behind these diverse forces and outlines current supply levels and future trends taking each of these variables into consideration The MENA area includes at least 22 states with a combined population of nearly 300 million each with different political economic demographic and security conditions and needs It is divided into at least four sub regions including the Maghreb Mauritania Morocco Algeria Libya and Tunisia the Levant and the Arab Israeli confrontation states Egypt Israel Jordan Lebanon and Syria the Gulf Iran Iraq Kuwait Bahrain Qatar Saudi Arabia the UAE and Oman and the Red Sea states Yemen the Sudan and Somalia This important guide outlines the forces affecting each sub region including supply demand and financing and forecasts the likely impact that different scenarios would have on energy resources under varying world conditions **A History of Middle East Economies in the Twentieth Century** Roger Owen, Şevket Pamuk, 1998 This text offers an examination of the economic history of the principal

Arab countries Turkey and Israel since 1918 Using the state as its major economic analysis it charts the growth of national income and issues of welfare and distribution over two periods 1918 1945 and 1945 1990 Important trends are explored including the patterns of colonial economic management import substitution the impact of the 1970s oil boom and the current process of liberalization and structural adjustment **The Middle East (Routledge Revivals)** W. B.

Fisher,2013-09-13 In this comprehensive study first published in 1950 Professor Fisher examines all the principal elements physical and human that influence environment development and ways of life in the Middle East An analysis of the physical basis of the region is followed by detailed treatment of the complex human and social aspects a concluding section brings together on a regional basis the elements discussed in the first two parts With first hand experience within the Middle East Fisher presents a detailed and fascinating study based on surveys and investigations he personally carried out Including wide ranging geographical historical sociological and political perspectives this title provides essential background to anyone with an interest in Middle Eastern affairs *The Middle East Peace Process* J. Ginat,Edward Joseph Perkins,Edwin G. Corr,2002
