Economic Governance In The Age Of Globalization

Simon Susen

Economic Governance In The Age Of Globalization:

Economic Governance in the Age of Globalization William K. Tabb, 2004-06-02 Rapid growth reduced poverty and stable societies the announced benefits of the world economy celebrated by neoliberal proponents of the Washington consensus have failed to materialize What does this failure mean for future world order and the U S role as global hegemon Addressing this crucial question William Tabb argues that global economic institutions such as the World Bank and the International Monetary Fund constitute a nascent international state for which all previous models of sovereignty accountability and equity are inadequate Integrating economics and political science Tabb traces the emergence of this global state from the closing days of World War II and examines its future prospects Even as the United States will continue to dominate the emerging structures of world governance Tabb maintains it will have to change the assumptions behind its championing of classical models of international free trade A new financial architecture must encompass debt forgiveness multilateral agreements on investment and a more inclusive model of growth in the twenty first century

Economic Governance in the Age of Globalization William K. Tabb, 2004 The classical models of international free trade that have long been championed by the US have failed to produce the rapid growth reduced poverty stable societies that have been promised William Tabb advocates a new financial architecture to meet the real needs of the world in the 21st century

Public Governance in the Age of Globalization Karl-Heinz Ladeur, 2017-05-15 Globalization and its relationship to public governance is one of the key issues of our time In this book experts from a number of disciplines attempt to define what these two terms mean and perhaps even more importantly what they do not Taking as a starting point that globalization is neither the take over of political power by multi national stateless enterprises nor the chaotic unstructured process of dissolution of public order the contributors suggest that what is occurring is more institutionalized than many critics would admit It is argued that there are important transnational and supra national elements of a new public order which remain beyond the traditional borders of the state but not completely beyond the state as such Globalization as opposed to former developments in the internationalization of the economy is characterized by its transnational form i e it is based on exchange processes which to a greater or lesser degree bypass both the state and the traditional international character of the world economy of the past

The Age of Responsibility Yascha Mounk, 2017-05-09 Yascha Mounk shows why a focus on personal responsibility is wrong and counterproductive it distracts us from the larger economic forces determining aggregate outcomes ignores what we owe fellow citizens regardless of their choices and blinds us to key values such as the desire to live in a society of equals In this book he proposes a remedy

Beyond Western Economics Trent Schroyer, 2009-05-08 This book combines intellectual history with contemporary events to offer a critique of mainstream economic thought and its neoliberal policy incarnation in global capitalism The critique operates both theoretically at the level of metaphysics and the philosophy of science and concretely in case studies of globalization and world events Trent Schroyer provides a moral and cultural

interpretation of modernity and scientism highlighting their political and economic consequences but the book's main purpose is not to criticize. The author moves beyond this to offer alternative economic cultures again combining abstract theoretical analysis with concrete case studies of alternative economic formations from local self-sufficiency movements to cooperatives and other anti-capitalist institutional experiments. These case studies exhibit an impressive range of variation from first world to third world from reformist to utopian transformative. Finally Schroyer links the project to the global justice movement that opposes corporate globalization and eventually links participatory economics and democratic politics to a new image of science as participatory social learning.

The 'Postmodern Turn' in the Social Sciences Simon

Susen, 2015-07-23 Simon Susen examines the impact of the postmodern turn on the contemporary social sciences. On the basis of an innovative five-dimensional approach, this study provides a systematic, comprehensive and critical account of the legacy of the postmodern turn, notably in terms of its continuing relevance in the twenty-first century.

East Asian

Transformation Jeffrey Henderson, 2011-02-25 From the re-emergence of Japan as an industrial power in the 1950s through to the contemporary rise of China as a potential economic and political behemoth, the story of East Asian development has been central to any serious analysis of the dynamics and trajectory of the global political economy. Integrated into a coherent critical narrative, this book examines key political, economic and social dynamics that helped forge the miracle economies of East Asia and continue to drive them forward in the volatile circumstances of our current epoch. It analyses the relation between the state and markets, the changing nature of economic governance and its relation to inequality and the rise of China and its international consequences. Historically informed and comparative in nature, the book contributes to the analysis of the transformations of Japan, Hong Kong, South Korea, Taiwan, Singapore, Malaysia and China and is the first to cover the ground in one volume. Written by a leading analyst of East Asian development, the book engages with the relevant issues and debates in an open, non-technical language, making it useful as an advanced textbook not only for East Asian studies but more generally in international political economy and development studies.

This Globalizing World Leonid E.

Grinin, Princess Irene of the Netherlands, Ervin Laszlo, Roland Robertson, Wali Teymouri, Tomasz Kamusella, Petr Blizkovsky, Karl-Heinz Pohl, Anastasia V. Mitrofanova, Patrick A. Taran, Michael Charles Tobias, Jane Gray Morrison, Endre Kiss, Tom Rockmore, Peter McCormick, William C. Gay, Lu Feng, 2015-03-30 Despite the increasing flow of publications on globalization, our ideas and knowledge about this phenomenon still leave much to be desired. That is why the special periodicals and books in the field of Global Studies are of utmost importance for modern society. Of great importance are also the books which accumulate the last achievements of scientific thought in the field of Global Studies. The present edited volume is just the book of the kind. Its title, *This Globalizing World*, reflects the main idea of the formation of a new World System. This book comprises the best articles which have been published in the interdisciplinary journals *Age of Globalization* (published in Russian) and its English language digest as well as in the *Journal of Globalization Studies*. The articles included in the

volume reflect the today s pressing issues and they also present a number of forecasts for the nearest future and for the more distant periods of the global development as well In the present volume one can find the perceptions of globalization by a number of scholars from different countries whose articles have been published in the mentioned journals Global Encyclopedia of Public Administration, Public Policy, and Governance Ali Farazmand,2023-04-05 This global encyclopedic work serves as a comprehensive collection of global scholarship regarding the vast fields of public administration public policy governance and management Written and edited by leading international scholars and practitioners this exhaustive resource covers all areas of the above fields and their numerous subfields of study In keeping with the multidisciplinary spirit of these fields and subfields the entries make use of various theoretical empirical analytical practical and methodological bases of knowledge Expanded and updated the second edition includes over a thousand of new entries representing the most current research in public administration public policy governance nonprofit and nongovernmental organizations and management covering such important sub areas as 1 organization theory behavior change and development 2 administrative theory and practice 3 Bureaucracy 4 public budgeting and financial management 5 public economy and public management 6 public personnel administration and labor management relations 7 crisis and emergency management 8 institutional theory and public administration 9 law and regulations 10 ethics and accountability 11 public governance and private governance 12 Nonprofit management and nongovernmental organizations 13 Social health and environmental policy areas 14 pandemic and crisis management 15 administrative and governance reforms 16 comparative public administration and governance 17 globalization and international issues 18 performance management 19 geographical areas of the world with country focused entries like Japan China Latin America Europe Asia Africa the Middle East Russia and Eastern Europe North America and 20 a lot more Relevant to professionals experts scholars general readers researchers policy makers and manger and students worldwide this work will serve as the most viable global reference source for those looking for an introduction and advance knowledge to the field Islam in the Age of Globalization Asif Mohiuddin,2024-11-29 Globalization has been a central theme in political economic cultural and religious debates since the turn of the century While some see it as a solution others consider it the root of our problems The intensification of cultural and military warfare and the West v the Rest mentality fuels a deep seated ethnocentrism Religion meanwhile faces scrutiny from various fundamentalisms and grand narratives Many modern Muslim thinkers are skeptical of globalization perceiving it as a homogenizing force that spreads Western culture and concentrates power among a few nations They argue that Islam promotes human oneness and provides an intellectual and spiritual framework for a more civilized and universal approach to globalization opposing the Western centric hegemonic tendencies The goal of this book is to demonstrate that Islam favors globalization in its original voluntary form as opposed to the violent imposition of the West on the East It will examine Muslim responses to globalization and their attempts to find global answers to local problems in their own local regional national and global contexts Several academic

works have explored various aspects of globalization focusing on tensions and conflicts such as power politics religious authority and legislative issues However there is a notable absence of attention given to the Islamic perspective on globalization including both appreciation and critique This book addresses this gap by offering not only a Muslim critique of globalization but also a broader framework for understanding Islam s unique perspective on globalization Does globalization support the inclusivity that Islam advocates How does Islam fit into the globalization era What impact and influence may Muslims have on the future of globalization What unique prospects does globalization provide Muslims and the Islamic faith Is Islamic revivalism a reaction to globalization Alternatives to globalization could exist What kind of structure will the Islamic globalization paradigm have In addition to addressing these questions the book attempts to provide a theoretical framework for Islamic globalization which incorporates the shuratic practice and the vision of an international community extending beyond the Arabs and non Arabs This underscores the importance of historical contexts for contemporary actions and beliefs In the process the book attempts to extend the debate on Islam and globalization by mapping out the effects of globalization on various aspects of Muslim culture

Egalitarian Politics in the Age of Globalization Craig N.

Murphy,2016-01-11 In recent years women s movements and democracy movements appear to have been more successful in promoting social equality than labour movements or development movements Wage gaps between men and women have narrowed New democracies have flourished Yet gaps between the rich and poor remain Do differences in organization and strategy account for the differences in outcomes Through in depth studies of the United States Eastern and Western Europe Latin America Africa China and north and southeast Asia the contributors to this volume provide some thought provoking answers

State Liability in Investment Treaty Arbitration Santiago Montt,2009-11-30 Today there are more than 2 500 bilateral investment treaties BITs around the world Most of these investment protection treaties offer foreign investors a direct cause of action to claim damages against host states before international arbitral tribunals This procedure together with the requirement of compensation in indirect expropriations and the fair and equitable treatment standard have transformed the way we think about state liability in international law We live in the BIT generation a world where BITs define the scope and conditions according to which states are economically accountable for the consequences of regulatory change and administrative action Investment arbitration in the BIT generation carries new functions which pose unprecedented normative challenges such as the arbitral bodies established to resolve investor state disputes defining the relationship between property rights and the public interest They also review state action for arbitrariness and define the proper tests under which that review should proceed *State Liability in Investment Treaty Arbitration* is an interdisciplinary work aimed at academics and practitioners which focuses on five key dimensions of BIT arbitration First it analyses the past practice of state responsibility for injuries to aliens placing the BIT generation in historical perspective Second it develops a descriptive law and economics model that explains the proliferation of BITs and why they are all worded so similarly Third it

addresses the legitimacy deficits of this new form of dispute settlement weighing its potential advantages and democratic shortfalls Fourth it gives a comparative overview of the universal tension between property rights and the public interest and the problems and challenges associated with liability grounded in illegal and arbitrary state action Finally it presents a detailed legal study of the current state of BIT jurisprudence regarding indirect expropriations and the fair and equitable treatment clause This title is included in Bloomsbury Professional's International Arbitration online service

The Mundialization of Home in the Age of Globalization In-Suk Cha, 2012 This book examines the worldwide cultural diffusion which along with economic globalization is ever widening the boundaries of an individual and a group's homeworld as alien cultures are absorbed into each other This process is called the mundialization of home The spherical movement of capital goods technology and workforce across national borders is also accompanied by spread of ideas beliefs values and customs among diverse cultures And as people in newly emerging market societies are being brought to self awareness as individual citizens they have begun to address issues of individual freedom social justice human rights global environmental change and civil society Series Philosophy in International Context Philosophie im Internationalen Kontext Vol 6

The Brazilian Legal Profession in the Age of Globalization Luciana Gross Cunha, Daniela Monteiro Gabbay, José Garcez Ghirardi, David M. Trubek, David B. Wilkins, 2018-01-11 This book provides the first comprehensive analysis of globalization's impact on the Brazilian legal profession Employing original data from nine empirical studies the book details how Brazil's need to restructure its economy and manage its global relationships contributed to the emergence of a new corporate legal sector a sector marked by increasingly large and sophisticated law firms and in house legal departments This corporate legal sector in turn helped to reshape other parts of the Brazilian legal profession including legal education pro bono practices the regulation of legal services and the state's legal capacity in international economic law The book the second in a series on Globalization Lawyers and Emerging Economies will be of interest to academics lawyers and policymakers concerned with the role that a rapidly globalizing legal profession is playing in the development of key emerging economies and how these countries are integrating into the global market for legal services

The Future of Global Economic Governance Marek Rewizorski, Karina Jędrzejowska, Anna Wróbel, 2020-01-29 In light of new global challenges for international cooperation and coordination such as the revival of protectionism surge of populism or energy related issues this volume highlights possible scenarios for the future of Global Economic Governance GEG The contributing authors analyze the substance of GEG as a normative framework for resolving collective action issues and promoting cross border coordination and cooperation in the provision or exchange of goods money services and technical expertise in the world economy Furthermore the book examines drivers of fundamental shifts in global economic steering and covers topics such as power and authority shifts in the global governance architecture technological and energy related challenges and the role of the G20 and BRICS in shaping global economic governance This book provides a very timely and nuanced account of the challenges facing the established global

order Andrew F Cooper Professor of Political Science at the University of Waterloo This valuable collection from a new generation of innovative scholars of global economic governance offers insights from a broad range of theoretical approaches to the central policy issues of the day John Kirton Director of the Global Governance Program Munk School of Global Affairs University of Toronto CSR in an age of Isolationism David Crowther, Farzana Quoquab, 2020-11-30 An investigation of the effects of an increasing retreat towards isolationism which is developing in the world The research takes places at global regional industrial and local levels in locations around the world to arrive at an analysis Responding to Globalisation Jeffrey A. Hart, Aseem Prakash, 2002-11-01 This rigorous survey and companion volume to *Coping with Globalization* focuses on the political ideological and economic factors lying behind responses to globalization A panel of international experts examine subjects which include The international monetary system after the Euro The response of the Japanese software industry to globalization The dynamics of globalization strategy in South Korea Australian integration into the global economy The impact on China and Russia in their moves toward a market economy **Journal of Economic Literature**, 2004 *Reforming from the Top* John English, Ramesh Chandra Thakur, Andrew Fenton Cooper, 2005 The current system of international governance including the United Nations the G7 G8 the WTO the IMF and the World Bank is undergoing serious problems in its attempts to address contemporary global challenges seemingly ill equipped to bridge growing political and economic divides and to accommodate the needs of emergent markets Given these developments some scholars and practitioners argue there is a need to establish new multilateral forums that reflect 21st century realities such as a new Leaders Summit comprised of the leaders of 20 nations called L20 an institution that draws its inspiration from both the current G7 8 leaders meetings and the G20 finance ministers meetings This publication explores the changing nature of relationships in a globalised world and considers the role that a L20 grouping could play in bringing about reform of international economic and financial systems **International Journal**, 2004

Economic Governance In The Age Of Globalization Introduction

In today's digital age, the availability of Economic Governance In The Age Of Globalization books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Economic Governance In The Age Of Globalization books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Economic Governance In The Age Of Globalization books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Economic Governance In The Age Of Globalization versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Economic Governance In The Age Of Globalization books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Economic Governance In The Age Of Globalization books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Economic Governance In The Age Of Globalization books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Economic Governance In The Age Of Globalization books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Economic Governance In The Age Of Globalization books and manuals for download and embark on your journey of knowledge?

FAQs About Economic Governance In The Age Of Globalization Books

What is a Economic Governance In The Age Of Globalization PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Economic Governance In The Age Of Globalization PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Economic Governance In The Age Of Globalization PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Economic Governance In The Age Of Globalization PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Economic Governance In The Age Of Globalization PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic

PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.

pdf preparation and characterization of activated carbon - Jun 20 2022

web dec 11 2015 activated carbon ac was prepared by the conventional carbonization and koh activation and amorphous silica was extracted by alkali extraction followed by acid

preparation and characterization of rice husk based - Aug 03 2023

web jan 19 2020 activated carbons acs were successfully prepared from rice husk by physical activation method in the present study the acs were prepared at different

characterization of activated carbon from rice husk for - Oct 05 2023

web aug 2 2023 characterization of activated carbon from rice husk for enhanced energy storage devices 1 introduction activated carbon ac is widely utilized in various applications such as water purification air 2 results and discussion figure 1 shows

water free full text raw rice husk biochar as a potential - Dec 15 2021

web nov 4 2023 in this work raw rice husk biochar rrhb was investigated for its potential as a valuable industrial byproduct for the decontamination of water using rhodamine b

preparation and characterization of rice husk activated carbon - Apr 30 2023

web aug 11 2022 rice husk was obtained from landmark university research farm kwara state nigeria with a location of 8 1239 n 5 0834 e omu aran it was screened and

process optimization of rice straw derived activated biochar and - Jul 22 2022

web motlagh et al have produced the activated carbon from rice husk and rice straw using k₂co₃ activation at 1000 c with an impregnation ration ratio of 1 5 preparation and
characterization of activated carbon from rice husk by hcl - Dec 27 2022
web mar 1 2017 characterization of activated carbon from rice husk by hcl activation and its application for lead pb removal in car battery wastewater iopscience iop
activated carbon derived from rice husk by naoh - Feb 26 2023
web jun 1 2014 abstract four activated carbon ac samples prepared from rice husk under different activation temperatures have been characterized by n₂adsorption desorption
preparation and characterization of activated carbon from rice - May 20 2022
web jan 1 2007 preparation and characterization of activated carbon from rice husks authors felix ebhodaghe okieimen university of benin c o okieimen university of
chemical and physical characterization of rice husk biochar - Aug 23 2022
web jun 25 2020 a biochar rhb was prepared from rice husk collected at a rice mill in santa maria rs under slow pyrolysis conditions the husks were pre air dried and then
preparation and characterization of activated - Apr 18 2022
web 2 2 characterization of activated carbon the physico chemical characterization of carbon samples prepared has been done the yield of activated
activated carbon from rice husk optimization and characterization - Sep 04 2023
web oct 10 2023 activated carbon from rice husk optimization and characterization october 2023 key engineering materials 960 3 185 195 doi authors brahamdeo
preparation and characterization of rice husk activated carbon - Nov 13 2021
web aug 1 2022 preparation and characterization of rice husk activated carbon supported zinc oxide nanocomposite rhac zn_o nc 1 introduction the increase in the global
pdf properties of activated carbon prepared from rice husk with - Jan 16 2022
web carbon yield 100 mass of activated carbon 3 mass of dried rice husk it was found that the yield of zncl₂ and h₃po₄ activated carbon prepared at 500 c
comparative study of preparation and characterization of - Mar 18 2022
web jan 1 2022 the carbon prepared from rice husk gives lesser iodine values and surface area as compared to sugarcane bagasse the highest surface area of sugarcane
production of activated carbon from rice husk - Jul 02 2023

web production of activated carbon from rice husk and its characterization conference 5th international conference on civil engineering

preparation and characterization of rice husk activated carbon - Jan 28 2023

web aug 10 2022 on rice husk activated carbon which indicates an improvement over the activated carbon due to the doping by znO leading to the formation of rhac znO nc

preparation of activated carbon from rice husk for CO₂ adsorption - Nov 25 2022

web oct 4 2022 rice husk porous carbon adsorbent was made using a single step of KOH activation in this investigation carbon dioxide adsorption was studied by the generated

production of activated carbon from rice husk - Oct 25 2022

web pdf on apr 10 2022 Md Niamul Bari and others published production of activated carbon from rice husk and its proximate analysis find

synthesis and evaluation of activated carbon from rice - Mar 30 2023

web nov 26 2020 15 citations metrics abstract activated carbon was synthesized from the new rice for Africa Nerica rice husk variety followed by its evaluation for removal of

production and performance of activated carbon from - Jun 01 2023

web jan 1 2018 physical and chemical activation of rice husks is presented factors affecting NO₂ adsorption by activated carbon are discussed performance of rice husk

preparation and characterisation of rice husk activated carbon for - Sep 23 2022

web dec 5 2014 the prepared activated carbon was further characterised with Brunauer-Emmett-Teller and scanning electron microscopy to observe the morphology

pdf characterization of activated carbon from rice husk for - Oct 13 2021

web x-ray diffraction patterns of rice husk carbonized and activated rice husk are represented x-ray diffraction figure 4 patterns diffraction according to previous of rice studies 31

preparation and characterization of activated carbon produced - Feb 14 2022

web preparation and characterization of activated carbon produced from rice straw by NH₄ 2HPO₄ activation effects of different pretreatment protocols in NH₄ 2HPO₄
