TONGUES VOLUME 1: CONFUSED BY ECSTASY David A Swincer, 2013-12-21 The focus of this study is upon ecstasy as the confusing antecedent of Corinthian glossolalia Most commentators accept ecstasy as the most significant characteristic of the Corinthian Christian glossolalic phenomenon This assumption is questioned in this research because it needs to be clarified It is contended that ecstasy is the confusing element because it was characteristic of the contemporary Corinthian mystery religious practice and that that background was carried into the Corinthian church thus colouring Paul's treatment of the subject It is not to be seen as an essential element of glossolalia Most commentators agree that the glossolalic phenomenon in the Acts is different from that at Corinth What then is a valid charismatic glossolalia It is

contended that the Acts draws attention to the only authentic cases and they are three of glossolalia in the Bible The book of First Corinthians gives a corrective to an abuse with no clear authentication of a gift Paul gives guidelines necessitated by the background of religious ecstasy Hence instead of proposing ground rules for a valid spiritual expression it becomes apparent that First Corinthians is giving a restrained corrective against an abuse of contemporary culture that masqueraded as an authentic Christian experience It is ecstasy that is the confusing element to this picture It should be added that the Acts experiences speak of valid one stage linguistic phenomena whilst the gift to the church in 1 Corinthians is clearly a two stage phenomenon Bergsma reflecting on the repetitious and almost daily insignificant sic revelations of modern glossolalists believes that they are misguided or presumptuous It is like the Himalayan Mountain in obstetrical labour and producing a mouse The preoccupation and emphasis is out of all proportion to the minimal benefits derived and indeed the mischief it generates The overall significance of the study is to provide a basis for authenticating a valid glossolalic expression and all this comes from the foundation of the test case in Corinth which in turn is dependent upon an understanding of ecstasy in the antecedent Mystery Religions of Corinthian contemporary society Dr Clifford Wilson himself a prolific author urged Whatever else happens you must publish the historic material there are very few people who have any idea of the true background of glossolalia within their denominations *An Old Order and a New Hedda Friberg, Hedda Friberg-Harnesk, 1996* *American Aberdeen-Angus Herd Book* American Angus Association, 1907 **Charismatic Chaos** John F. MacArthur, John MacArthur, 1993-07-10 Charismatic Chaos thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin but also leading to disunity on a worldwide scale and promising to fuel controversy for years to come *The SAGE Encyclopedia of Alcohol* Scott C. Martin, 2014-12-16 Alcohol consumption goes to the very roots of nearly all human societies Different countries and regions have become associated with different sorts of alcohol for instance the beer culture of Germany the wine culture of France Japan and saki Russia and vodka the Caribbean and rum or the moonshine culture of Appalachia Wine is used in religious rituals and toasts are used to seal business deals or to celebrate marriages and state dinners However our relation with alcohol is one of love hate We also regulate it and tax it we pass laws about when and where it s appropriate we crack down severely on drunk driving and the United States and other countries tried the failed Noble Experiment of Prohibition While there are many encyclopedias on alcohol nearly all approach it as a substance of abuse taking a clinical medical perspective alcohol alcoholism and treatment The SAGE Encyclopedia of Alcohol examines the history of alcohol worldwide and goes beyond the historical lens to examine alcohol as a cultural and social phenomenon as well both for good and for ill from the earliest days of humankind

A Tom Bullough, 2012-03-01 Immensely enjoyable almost unbearably tense Guardian In an attic in Southwest London an acid factory has just been dismantled Six students among them the luminously sexy Belle are speeding in a decommissioned ambulance towards a tiny cottage in the Welsh borders Two homicidal drug dealers and one middle aged police inspector are giving chase Meanwhile Belle's jilted lover Angus stares out of his cottage window at shadows sliding across the grassy hillside listens to squirrels fidgeting in the eaves and turns his thoughts to a squadron of young Japanese pilots setting out from a Kyushu airstrip in 1945 intent on restarting the Second World War And that's just the beginning In this fresh and exciting debut novel Tom Bullough brilliantly combines the best rites of passage storytelling with the helter skelter adroitness of a road movie
