There is a great deal of information on the native peoples of the United States which exists largely in national publications Since much of Native American history occurred before statehood there is a need for information on Native Americans of the region to fully understand the history and culture of the native peoples that occupied Nebraska and the surrounding areas The first section contains an overview of early history of the state and region The second section contains an A to Z dictionary of tribal articles and biographies of noteworthy Native Americans that have contributed to the history of Nebraska

Advance Sheet April 2012 , **The Texas Tonkawas** Stanley S. McGowen,2020-10-30 This new study revolves around the Tonkawa tribe in the history of the Lone Star State and the greater Southwest The chronological account allows readers to understand its triumphs and struggles over the course of a century or more and places the story in a larger historical narrative of shifting alliances cultural encounters and economic opportunity From a coalition with the Lipan Apaches to the incorporation of Tonkawa scouts in the U S Army during the late nineteenth century the author tells the story of these often overlooked people By highlighting the role of the Tonkawas Dr McGowen provides a fresh appreciation of their influence in frontier history and renders their ultimate fate all the more heartbreaking This book made possible in part by a grant from Summerfield G Roberts Foundation I Am the Market Luca Rastello,2011-03-01 A page turning account of the

international cocaine trade presented as five lessons in how to move tons of the drug across borders Forget about cocaine concealed in false bottomed suitcases or swallowed in ovules resistant to gastric juices When entire national economies are kept afloat by the money from cocaine smuggling the quantities these tactics represent are meaningless When a commodity like cocaine becomes a mainstay of the international economy grams and kilos are irrelevant Because what is needed to sustain the market is cocaine by the ton Tons of cocaine means ships cargo planes and containers large cumbersome

extremely tangible and visible amounts of white powder So how is all that merchandise moved through harbors and airports How are customs offices deceived fiscal checks eluded police networks infiltrated and documents prepared to disguise mountains of cocaine It s done with coca made into cubes dissolved in liquid hidden in marble blocks or inside electric cables With friends in the right places With cocaine smuggled in cranes With sniffer dogs supplied to the police free of charge With money in cash always And yes with willing mules swallowing drugs But they will be arrested and that s part of the plan Drawing from years of research and conversations with criminal sources and convicted drug smugglers with new information on the techniques methods and strategies used Luca Rastello brings us a devastating portrait of the international cocaine trade Told from the perspective of the formidable entrepreneurs whose tactics evolve and adapt to keep pace with shifts in the global economy I Am the Market is a masterful expos of a world we thought we understood until now **Run Oklahoma**

Run jack white,2013-04-02 Jack White s intentions were to weave a story of a strong hearted people in a Territory of Greatness From the discovery of golden fields of tall grass in 1541 by Spanish explorer Francisco Vasquez de Coronado until the United States Congress made Oklahoma the 46th state in November 1907 Moving from family to family to transport the story from one generation to the next Jack intertwined enough mystery and intrigue to make the book a page turner This is definitely not a historical novel filled only with boring dates and unimaginative facts The story flows and meanders like a winding stream until President Teddy Roosevelt witnesses John Abernathy an Oklahoman grabbing angry Lobo wolves with his bare hands Jack White s goal from the first word typed was to put on paper a record of the history of the most interesting Territory in the greater United States Run Oklahoma Run is a book you will pass down to your great grandchildren

Turning Adversity to Advantage Nancy McGown Minor,2009-10-05 Turning Adversity to Advantage is the story of the Lipan Apaches who are now one of the forgotten Indian tribes of Texas and northern Mexico yet they were once one of the largest and most aggressive tribes of the Rio Grande region They were as much a part of the landscape as mesquite trees or cactus and proved just as deadly to their enemies as the rattlesnakes coiled among the rocks Modern borderland residents are left with only a few vague rumors of their past presence and even scholars fail to credit the tribe s impact on the history of the region The historical record is replete with examples of what the Lipans did now it is time to discover the why The story of the history of the Lipan Apaches is a tale of survival and preservation in the face of incredible challenges Time and again the Lipan Apaches were able to overcome obstacles and turn them to the tribe s advantage **The Fifth Sun** Mary Helen Lagasse,2004-04-01 Winner of the 3rd Annual Miguel M rmol Prize from Curbstone Press Mary Helen Lagasse s The Fifth Sun is an inspiring story of an immigrant who struggles valiantly for a better life for herself and her family A young Mexican woman Mercedes leaves her village to work as a housemaid in New Orleans This fast paced novel takes us through her adventures in New Orleans her marriage her struggle to raise her children her deportation and her attempt to re cross the river and be reunited with her children **One Vast Winter Count** Colin G. Calloway,2006-01-01 A professor of history

offers a sweeping new history of the Native American West from the earliest arrival of ancient peoples to the early nineteenth century before the Lewis and Clarke expedition opened it to exploration focusing particular attention on the period of conflict that preceded this period Reprint **Index to Dates of Current Events Occurring Or Reported ...** ,1914
