El Miedo No Anda En Burro:

Devoted to Death R. Andrew Chesnut, 2018 R Andrew Chesnut offers a fascinating portrayal of Santa Muerte a skeleton saint whose cult has attracted millions of devotees over the past decade Although condemned by mainstream churches this folk saint s supernatural powers appeal to millions of Latin Americans and immigrants in the U S Devotees believe the Bony Lady as she is affectionately called to be the fastest and most effective miracle worker and as such her statuettes and paraphernalia now outsell those of the Virgin of Guadalupe and Saint Jude two other giants of Mexican religiosity In particular Chesnut shows Santa Muerte has become the patron saint of drug traffickers playing an important role as protector of peddlers of crystal meth and marijuana DEA agents and Mexican police often find her altars in the safe houses of drug smugglers Yet Saint Death plays other important roles she is a supernatural healer love doctor money maker lawyer and angel of death She has become without doubt one of the most popular and powerful saints on both the Mexican and American religious landscapes *Mexican Cinema* Carl J. Mora, 1989 The author s main reason for writing this book however is simply to provide an introduction to the Mexican commercial cinema for American and other English speaking readers Although the United States has been and continues to be a major foreign market for Mexican movies the overwhelming majority of Americans are unaware of them Mexican films are restricted to the Hispanic theater circuits and shown without English subtitles therefore anyone wishing to see a Mexican movie would have to be fairly fluent in Spanish Such a requisite effectively eliminates almost the entire general audience in the United States from exposure to Mexican cinema **El lenguaje de los argentinos II** Carlos V. Cicottino, 2024-06-10 El lenguaje de los argentinos II de Carlos V Cicottino

comprende un estudio nico sobre el lenguaje espa ol argentino llevado a cabo durante m s de dos d cadas de meticulosa investigaci n que ofrece una mirada ntima sobre c mo el lenguaje refleja la cultura la historia y la identidad de Argentina Por medio de la exploraci n de expresiones y neologismos este libro no solo captura la esencia nica del hablar argentino sino que tambi n se constituye por ley de atracci n en una gu a del saber El autor invita a sumergirse en la profundidad de los tres conceptos claves que subtitulan el libro y encuadran esa concepc i n el pensamiento como conductor del obrar y el sentir el acontecer que abraza lo relevante del transcurrir y la palabra que une y define Esta obra es un llamado a todos sin excepci n a descubrir y valorar el lenguaje de la cultura argentina como fuerza y modelo de su existencia **La India María** Seraina Rohrer, 2017-12-20 La India Mar a a humble and stubborn indigenous Mexican woman is one of the most popular characters of the Mexican stage television and film Created and portrayed by Mar a Elena Velasco La India Mar a has delighted audiences since the late 1960s with slapstick humor that slyly critiques discrimination and the powerful At the same time however many critics have derided the iconic figure as a racist depiction of a negative stereotype and dismissed the India Mar a films as exploitation cinema unworthy of serious attention By contrast La India Mar a builds a convincing case for Mar a Elena Velasco as an artist whose work as a director and producer rare for women in Mexican cinema has been widely and

unjustly overlooked Drawing on extensive interviews with Velasco her family and film industry professionals as well as on archival research Seraina Rohrer offers the first full account of Velasco s life her portrayal of La India Mar a in vaudeville television and sixteen feature film comedies including Ni de aqu ni de all Neither here nor there and her controversial reception in Mexico and the United States Rohrer traces the films financing production and distribution as well as censorship practices of the period and compares them to other Mexploitation films produced at the same time Adding a new chapter to the history of a much understudied period of Mexican cinema commonly referred to as la crisis this pioneering research enriches our appreciation of Mexploitation films
