Econometric Contributions to Public Policy William Peterson, 1978-12-14
Public Policy Richard Stone, William A. Peterson, William Peterson, 1979
Nomination of Michael J. Boskin United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs, 1989
Poverty and Famines Amartya Sen, 1983-01-20 The main focus of this book is on the causation of starvation in general and of famines in particular The author develops the alternative method of analysis the entitlement approach concentrating on ownership and exchange not on food supply The book also provides a general analysis of the characterization and measurement of poverty Various approaches used in economics sociology and political theory are critically examined The predominance of distributional issues including distribution between different occupation groups links up the problem of conceptualizing poverty with that of analyzing starvation
Putting Econometrics in Its Place G. M. P. Swann, 2006-01-01 I consider the book as well suited to provide a broader perspective on methods used in applied economic research For the applied researcher the book will provide a nice overview on existing methods and some arguments as to which method might be particularly suitable for specific purposes Peter Winker Jahrb cher f National konomie u Statistik
