Economic Survey Of Europe 2001 No2:

EU Enlargement and the Environment JoAnn Carmin, Stacy D. VanDeveer, 2023-05-31 This volume focuses attention on key environmental and institutional changes associated with eastern expansion of the European Union assessing and challenging prevailing views about the outcomes and processes of this historic development Looking at four central themes capacity changes and limitations the EU s mixed messages and conflicting priorities non state actor roles and developments and the exchange of ideas and information the volume shows that enlargement will change the EU not just make it bigger and that EU officials and programs are improving aspects of environmental policy in CEE countries even as they are making others less sustainable This book was previously published as a special issue of the journal Environmental Politics **OECD Economic Surveys: Greece 2002** OECD, 2002-06-26 This 2002 edition of OECD s periodic review of Greece s economy examines recent economic developments policies and prospects and includes special features on public expenditure and structural reform **Global Employment Trends** Claire Harasty, Dorothea Schmidt, International Labour Office, 2003 Incorporating the most recent data available for 2002 this report analyses current labour market trends and examines the impact of the global economic downturn and post 11 September developments upon different world regions Covering Latin America and the Caribbean East Asia South East Asia the Middle East and North Africa and sub Saharan Africa the transition economies and industrial countries it focuses on the distinct labour market characteristics and challenges faced by each region and economic group It also traces factors contributing to the global employment decline such as the increase in informal sector employment the decrease in employment in information and communication technology as well as extensive jobs losses in the travel and tourism industries and the export and labour intensive manufacturing sectors Unity and Diversity in Development Ideas Yves Berthelot, 2004-01-30 This second volume from the United Nations Intellectual History Project surveys the history of the UN s regional commissions and the ideas they have developed over the last 40 years Each essay is devoted to one of the five regional commissions Europe Asia and the Far East Latin America Africa and Western Asia and how it has approached its mission of assessing the condition of regional economies and making prognoses about future conditions The essays describe how each commission has added local perspectives to global debates over economic development and brought an authentic regional voice to the UN Contributors are Adebayo Adedeji Yves Berthelot Leelananda de Silva Blandine Destremau Paul Rayment and Gert Rosenthal *Economic Developments in Contemporary Russia* Ian Jeffries, 2011-03-07 This book provides a comprehensive overview of economic developments in Russia since the late 1990s Key subjects covered include economic transition privatization and liberalization changes in land ownership and agriculture energy foreign direct investment economic stabilization and economic performance **Catalogue of Publications** United Nations. Economic Commission for Europe, 2004 The Economies of South Eastern Europe C. Papazoglou, 2005-05-04 This book provides a comprehensive analysis of the main factors that affected the course of the countries of South Eastern Europe

during transition contributing as a result to their disappointing economic performance Thus the role of initial conditions and issues concerning the effectiveness of macroeconomic stabilization and structural reforms are at the centre of the analysis Furthermore this volume focuses on developments and issues concerning international trade patterns foreign direct investment and the impact of the Euro on the exchange rate policies of the countries in the region *Labour Markets in Transition* Sandrine Cazes, Alena Nešporová, 2003 This book aims to contribute to the debate on the degree of flexibility and security needed for the transition countries and its implications for the new direction of labour market and social policies

Foreword **OECD Economic Surveys: United Kingdom 2004** OECD, 2004-01-19 OECD's 2004 review of the UK economy finds that performance has been impressive in recent years This edition also looks at product market competition and sustainable development in the UK *The Balkans: Foreign Direct Investment and EU Accession* Aristidis Bitzenis, 2016-03-23 The fall of communism and subsequent developments have put a renewed spotlight on the potential of the Balkan economies Bulgaria Albania Serbia Montenegro Romania and the Former Yugoslav Republic of Macedonia are countries which have attracted low levels of investment and poor political leadership in most of the countries has delayed much needed reforms However there are now signs of improvement and this timely book fills a significant gap in the available literature Demonstrating that these countries must engage as fully as possible with the world economy via EU accession this book explores the implications of the specific characteristics of these countries which have made the transition process more difficult This exciting new volume is valuable reading for students academics and business professionals interested in international development in the Balkans **Foreign Direct Investment for Development Maximising benefits, minimising costs** OECD, 2002-09-24 Provides a comprehensive review of the issues related to the impact of FDI on development as well as to the policies needed to maximise the benefits *Shaping the New Europe* M. Landesmann, D. Rosati, 2004-04-30 This volume brings together contributions on the major economic policy issues which have opened up as a result of the immanent process of European Union Enlargement The issues analyzed range from modelling and analyzing the costs and benefits of enlargement to challenges for macroeconomic policy both at the EU level and in the new member countries to the state of affairs in the new member countries with respect to sectoral policy reforms such as those undertaken in the financial sector and in competition policy and the impact of enlargement on Europe's trade policy agenda

Monetary Policy in Central Europe Miroslav Beblavý, 2007-02-08 Miroslav Beblavý an experienced policy maker examines monetary policy and monetary institutions in Eastern European and looks at monetary policy more generally in less developed but highly open and financially integrated market economies *The European Economy in an American Mirror* Barry Eichengreen, Dieter Stiefel, Michael Landesmann, 2007-10-04 Europe's economy is under strain due to lagging productivity growth population ageing the difficulties of adjustment in an enlarged European Union and the challenges of globalization In comparison with America rates of growth of GDP per capita and labour productivity growth are anaemic

raising questions about the viability of a distinct European Organisation. European Regional Meeting, 2005

Report of the Director-General International Labour Organisation. European Regional Meeting, 2005

From System Transformation to European Integration Werner Meske, 2004 Science and technology in the former socialist Central and East European countries underwent a period of transformation in the last decade of the 20th century With respect to the past this represents the restructuring of the old system with respect to the 21st century however it was the turbulent starting phase in the transition to new national innovation systems Based on the authors many years of research in this area the book analyses these processes in detail for 14 countries reveals common features and differences in the transitional phase and infers the prospects for the development of science and technology in Eastern Europe in the framework of EU enlargement *OECD Economic Surveys: Euro Area 2002* OECD, 2002-07-31 This 2002 edition of OECD's periodic review of the Euro Area economy examines recent economic developments policies and prospects and includes special features on the fiscal policy framework monetary management financial market integration and the EU's policy processes

Ageing in Asia Roger Goodman, Sarah Harper, 2013-09-13 The volume takes four key themes related to ageing the experience of old age intergenerational relations economics of and social policy for ageing longevity and the culture of ageing and examines how these issues are emerging in different regions of Asia specifically the former Soviet Union South Asia China Japan and South East Asia In placing these Asian cases studies in the broader context of debates about and policies on ageing more generally it brings them into the mainstream of comparative research on ageing from which they have been too often excluded As the studies show the relationship between ageing and poverty is a complex one and often reflects policy towards the aged rather than that the aged themselves are unproductive and dependent Ageing moreover can no longer be considered as simply a national question we also need to consider the implications of its global dimension in terms of issues such as human rights and quality of life

The Economics of European Integration Willem Molle, 2017-03-27 Through four previous editions *The Economics of European Integration* by Willem Molle has established itself as a preferred textbook for students of the economics of the EU as well as a reliable reference work for those with a professional interest in the European Union Carefully revised this fifth edition takes into account changes in course requirements new statistical information and recent policy developments It includes new material on the ongoing integration of the New Member States and the new forms of association with accession countries in Central and Eastern Europe the implementation of the Monetary Union and the performance of the euro the EU experience as a guide for the economic integration of other regions and for the improvement of world economic governance Written in a clear style and combining original insights with authoritative analysis this new edition will further enhance the book's reputation for providing the ideal introduction to the economics of the European Union

OECD Economic Surveys: Finland 2006 OECD, 2006-05-04 This 2006 edition of OECD's periodic survey of the Finnish economy opens with a general assessment of recent economic performance and key economic challenges Other

issues discussed include ensuring fiscal sustainability restricting early retirement employment measures and housing
