**Awakening to Spirit** Lee Irwin, 1999-07-01 Explores the concept of Spirit in the postmodern age     *Tryptamine Palace* James Oroc, 2009-05-21 A journey from Burning Man to the Akashic Field that suggest how 5 MeO DMT triggers the human capacity for higher knowledge through direct contact with the zero point field Examines Bufo alvarius toad venom which contains the potent natural psychedelic 5 MeO DMT and explores its entheogenic use Proposes a new connection between the findings of modern physics and the knowledge held by shamans and religious sages for millennia The venom from Bufo alvarius an unusual toad found in the Sonoran desert contains 5 MeO DMT a potent natural chemical similar in effect to the more common entheogen DMT The venom can be dried into a powder which some researchers speculate was used ceremonially by Amerindian shamans When smoked it prompts an instantaneous break with the physical world that causes out of body experiences completely removed from the conventional dimensions of reality In Tryptamine Palace James Oroc

shares his personal experiences with 5 MeODMT which led to a complete transformation of his understanding of himself and of the very fabric of reality Driven to comprehend the transformational properties of this substance Oroc combined extensive studies of physics and philosophy with the epiphanies he gained from his time at Burning Man He discovered that ingesting tryptamines unlocked a fundamental human capacity for higher knowledge through direct contact with the zero point field of modern physics known to the ancients as the Akashic Field In the quantum world of nonlocal interactions the line between the physical and the mental dissolves 5 MeO DMT Oroc argues can act as a means to awaken the remarkable capacities of the human soul as well as restore experiential mystical spirituality to Western civilization **Beneath the Surface** Mary McGrath,2019-01-25 This work emerged out of an intention to discern the primal wounding that left our human species so vulnerable to our own destruction It presents some unique theories about the developmental path of our species that when brought into the present light of discernment hold the potential to resolve their own healing in our common human consciousness Vision Stories John E. Sumwalt,2002 What if Moses had never told anyone about the burning bush What if Paul had kept quiet about his experience on the road to Damascus What if John had never written a word of what he saw during his exile on Patmos The Bible is filled with mystical stories yet modern culture is often uncomfortable with the concept of spiritual visions Though a recent study showed that as many as 44% of Americans have had some sort of mystical experience people are frequently hesitant to share holy moments that might seem strange to others But John Sumwalt discovered that whenever a small group is gathered together and a vision story is told two or three others will recount a similar episode Almost everyone has either a personal vision story or knows of a friend s experience and if they know that its sacredness will be honored most people want to tell their story This remarkable collection shares 69 authentic life changing narratives that witness to the Lord s power and presence Many of these intensely personal accounts have never been told before and whether they concern visions healing or answers to prayer they all demonstrate our spiritual thirst as well as the indescribable joy comfort and peace that comes from encountering the divine Each illustrates a scripture passage from Cycle B of the Revised Common Lectionary so Vision Stories is an especially valuable resource for lectionary preaching But even more it s inspiring reading for personal devotion and spiritual growth This wonderful collection of stories reminds us of a fact our world desperately needs to know that God is alive and well and ready to be at work in our daily lives J Ellsworth Kalas Author of New Testament Stories from the Back Side John Sumwalt has given us a treasury of God s meetings with the daily lives of people Too often we think of God as hidden away in the stories of the Bible Here we see God now encountering people in surprising ways of grace May these stories encourage us to tell one another our stories of God s meetings with us as well Dwight Judy Author of Quest for the Mystical Christ I am very impressed with Vision Stories as a resource for preaching teaching and spiritual formation reading These stories help us to meet what may be the greatest spiritual need of our time to know and to share the experience of the reality of God and the spiritual realm in a materialistic world Charles R

Gipson Author of *The Three Year Community for Spiritual Formation Through stories and scriptural comparisons* Sumwalt offers insight into the extraordinary spiritual experiences of ordinary people Cheryl Kirking Author of *Ripples of Joy* A noted storyteller John E Sumwalt is the senior pastor of Wauwatosa Avenue United Methodist Church in Milwaukee Wisconsin The author of CSS acclaimed *Lectionary Stories* series Sumwalt leads seminars and retreats on sharing and understanding visions

The Subtle Energy Body Maureen Lockhart, 2010-09-23 A global study of the psychospiritual body and its central role in the esoteric and spiritual traditions of the world Explains the nature purpose and functions of the subtle body Explores the role of the subtle body in such traditions as Alchemy Ayurveda Tantra Qi Gong and Yoga Shows how the various layers of the subtle body provide a map for various levels of consciousness Ancient traditions of both the East and West have long maintained that the human being is a complex of material and nonmaterial systems or energy bodies The subtle body is an energetic psychospiritual entity of several layers of increasing subtlety and metaphysical significance through which the aspirant seeks knowledge of the self and the nature of God In many traditions the component parts of the subtle body serve as a map of the different levels of consciousness The practices and disciplines that evolved from an awareness and understanding of the subtle body and how the material and nonmaterial work together form a coherent system of psychospiritual transformation that is central to numerous and extremely diverse spiritual practices including those of the Gnostics Sufis Native Americans Vedic seers Chinese and Greeks The subtle body plays an essential part in more recent traditions such as Anthroposophy and Gurdjieff's Fourth Way and the cutting edge science of Ervin Laszlo's research into the Akashic field But the benefits of understanding the role of the subtle energy body are not confined solely to the spiritual plane The energetic bodies provide a coherent system of life affirming principles and practices for the diagnosis and treatment of the whole person that is not only part of many traditional healing systems such as Acupuncture and Ayurveda but also is forming the basis for a synthesis of traditional and contemporary healing practices that could lay the foundation for the medicine of the future

Leva,2013-03-19 Ms Leva has written a book that goes beyond the 6th sense and includes Quantum physics for the layman This theory suggests that human beings are connected to each other by means other than just using the power of the mind Ms Leva has decided to share her true stories that will take the reader to other realms of consciousness and she hopes they will inspire others to share more stories that deal with the unexplained Quanta simply means light Her stories include this energy that can be helpful for human beings to live consciously using awareness in thought and behavior Spirit is the essence of one's soul Matter that is Mindful has been done through rigorous experiments in the sub atomic world thereby helping to explain our ability to form connections without our knowledge in relation to one another on the blue planet Knowing this to occur scientists have been inspired to keep exploring as the quest for understanding more about our infinite universe continues So sit back relax and enjoy the ride as spooky can be fun while learning to become more open to the possibilities of life For me this book could not be written without the expertise of physicists scientists biologists mediums philosophers journalists and all those who understand that this life is truly an abundance of knowledge coming together from many fields Each of these pioneers have enabled me to piece together some very important answers to my unanswered questions leaving room for many more I've had ah ha moments while reading the work of these folks who are my true heroes They have turned on the light      **A Magnificent Obsession** Danielle Green PhD,2019-01-14 Perhaps every soul enters the world knowing that it is unalterably corded to an invisible realm but in adapting to physical form forgets until the veil is momentarily lifted and reveals a mystical call that beckons us to awaken to
