

Ecumenical Moment

Lamin Sanneh, Michael McClymond

Ecumenical Moment:

The Ecumenical Movement Michael Kinnamon, Brian E. Cope, 1996-12-31 Included in this collection of documents from the twentieth century ecumenical movement are passages from texts produced by assemblies conferences and studies of the World Council of Churches and similar bodies covering three areas of historical concern within modern ecumenism faith and order life and work and mission and evangelism

The Ecumenical Movement Thomas E. FitzGerald, 2004-04-30 What is Ecumenism How and when did it start What are its goals and how will they affect the future of the Christian churches This book answers these questions and examines the remarkable story of new encounters between Orthodox Roman Catholic Anglican Old Catholic and most Protestant churches Most of these churches have been divided for centuries over issues of theology faith and practice Ecumenism seeks to reconcile these differences and to bring the churches together into a new unity based on their commonalities and their understanding of Christian faith Here FitzGerald traces the history of the churches and their divisions and focuses on the ways in which the Ecumenical movement began and the efforts that have been made to assist the churches in overcoming age old strife animosity and misunderstanding For centuries Christian churches have remained divided over their doctrinal differences but beginning in the late nineteenth century churches and their members slowly began to emerge from their isolation They began to abandon competition mistrust and misunderstanding in an effort to seek out their common interests and faith through meetings and organizations meant to bring them together The encounters between the churches led to proposals for common prayers for unity and for common witness in society While not without difficulty these encounters have fostered a renewal in Christian theology worship and witness affecting all levels of church life The process has touched Christians all over the world in various ways FitzGerald carefully traces the history of the movement and its impact on the churches themselves as well as the believers who attend them making this important reading for all Christians and anyone interested in learning more about church division and efforts to restore unity

Tradition Alive Michael Plekon, 2003 Michael Plekon's Tradition Alive presents a collection of essays highlighting not only the vibrant tradition of 20th century Eastern Orthodox thought but also the necessity of its inclusion in the theological canon constructed mainly by Western Christian thinkers Ranging from the thought of the first generation of Russian ZmigrZs to contemporary Eastern Orthodox theologians the essays in Tradition Alive point toward a positive theology that is convinced of the immanence of the holy spirit despite a world torn apart by revolution violence and despair The contributors profess their faith in the transforming presence of Christ and the divine dimensions of the church by looking to the meaning and power of tradition in the practices of Eastern Orthodox Christianity By focusing on the Orthodox Church's ecclesial and liturgical character the authors emphasize the living character of the Christian tradition With many contributions difficult if not impossible to access until now Tradition Alive presents a brave and distinctive effort to enliven Western theology by looking to the theology of the East

Mormon Christianity Stephen H. Webb, 2013-09-02 Mormons

are adamant that they are Christian and eloquent writers within their own faith have tried to make this case but no theologian outside the LDS church has ever tried to demonstrate just how Christian they are Stephen H Webb's *Mormon Christianity What Other Christians Can Learn from the Latter day Saints* fills this void as the author writes neither as a critic nor a defender of Mormonism but as a sympathetic observer who is deeply committed to engaging with Mormon ideas Webb is unique in taking Mormon theology seriously by showing how it provides plausible and in some instances even persuasive alternatives to many traditional Christian doctrines His book can serve as an introduction to Mormonism but it goes far beyond that Webb explains how Mormonism is a branch of the Christian family tree that extends well beyond what most Christians have ever imagined His account of their creative appropriation of the Christian tradition is meant to inspire more traditional Christians to reconsider the shape of many basic Christian beliefs Mormon Christianity is not all affirming and celebratory It ends with a call to Mormons to be more focused on Christian essentials and an invitation to other Christians to be more imaginative in considering Mormon alternatives to traditional doctrines

Ecumenism Means You, Too Steven R. Harmon, Visiting Associate Professor of Historical Theology Steven R Harmon, 2010-03-15 By all accounts the modern ecumenical movement is not moving much these days Despite dramatic breakthroughs in the past few decades the quest for a visibly united church in which there is common confession of the apostolic faith full Eucharistic communion and mutual recognition of members and ministers now meets with indifference by many impatience by some and outright hostility by others In part this is because the movement has not given enough attention to grassroots ecumenical engagement This book is written to convince ordinary Christians especially young Christian adults that they too have a stake in the future of the ecumenical movement as its most indispensable participants *Ecumenism Means You Too* draws on the music of Irish rock band U2 to cast artistic light on various aspects of the quest for Christian unity Whether one is a U2 fan or not and whether one thinks the ecumenical movement is a good thing or a bad thing for the church everyone who reads this book will learn something about the Christian theological framework apart from which neither the modern ecumenical movement nor the meaning of U2's music can be understood The book includes an annotated bibliography of resources for ecumenical engagement and a glossary of key ecumenical terms for readers who want to learn more about the Christian practice of seeking the unity of the church at once profound and straightforward deeply reflected yet highly accessible theologically rich yet directly practical a source of wisdom to be absorbed into the life blood of each of our widely differing communities for their mutual enrichment a superbly inviting and practical manifestation of what has come to be referred to as Receptive Ecumenism Paul D Murray Durham University UK Whether you are passionate about disappointed by or indifferent to the church if you love God you need this book Harmon shows you why mutual tolerance is not the unity that Jesus desired for his Body and he gives you the tools to start knitting back together the broken pieces of the church so the world might believe This little book should be the marching orders for every Christian Sarah Hinlicky Wilson Institute for Ecumenical Research

Strasbourg France Few books on the ecumenical movement are as readable and I would wager none has as appealing a soundtrack Harmon invites us to strive for the hope of fuller visible unity with sisters and brothers in Christ not by ignoring denominational differences but by acknowledging what divides us while refusing to settle for division The Ten Things You Can Do for the Unity of the Church list alone is worth the price of the book Beth Maynard co editor of Get Up Off Your Knees Preaching the U2 Catalog Steven R Harmon teaches Christian Theology at Gardner Webb University School of Divinity in Boiling Springs North Carolina A member of the Baptist World Alliance delegations to the international theological conversations with the Anglican and Roman Catholic churches and a plenary member of the Faith and Order Commission of the World Council of Churches he is the author of Towards Baptist Catholicity Essays on Tradition and the Baptist Vision 2006 He blogs about his work in ecumenical theology at www.ecclesialtheology.blogspot.com

Ecumenism: A Guide for the Perplexed R. David Nelson, Charles Raith II, 2017-07-27 Ecumenism A Guide for the Perplexed is a comprehensive introduction to the methods achievements and future prospects of the modern ecumenical movement The authors begin the volume by charting out a serviceable definition of ecumenism a term that has long been a source of confusion for students of theology and church history They review the chronology of the modern ecumenical movement and highlight the major events figures accomplishments and impasses This historical survey is followed by critical examinations of three significant challenges for contemporary ecumenical theology and practice Along the way the authors provide commentary upon the difficulties and prospects that the ecumenical movement might anticipate as it enters this new millennium

Reconciling Theology Paul Avis, 2022-02-28 In Reconciling Theology leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox

Navy Supervisory Chaplains Conference, Washington, D.C., January 17-21, 1966 [papers]. United States. Navy Department. Naval Personnel Bureau, 1966

The Spirit of Life Jürgen Moltmann, 2001-05-11 Moltmann the foremost Protestant theologian in the world Church Times brings his characteristic audacity to this traditional topic and cuts to the heart of the matter with a simple identification What we experience every day as the spirit of life is the spirit of God Such considerations give Moltmann's treatment of the different aspects of life in Spirit a verve and vitality that are concrete and existential Veteran readers will find here a rich and subtle extension of Moltmann's trinitarian and christological works even as he makes bold use of key insights from feminist and ecological theologies from recent attention to embodiment and from charismatic movements Newcomers will find a fascinating entree into the heart of his work the transformative potential of the future Moltmann develops a theology of the Holy Spirit that links the Christian community's experience of the Spirit to the sanctification and liberation of life He brilliantly displays the

ecological and political significance of Christian belief in the Trinity A History of the Ecumenical Movement, 1517-1948 Ruth Rouse, 1967 *Eastern Orthodox Christianity* Daniel B. Clendenin, 2003-10 A clear introduction to Eastern Orthodoxy and key aspects of the tradition Includes new content and an updated bibliography *The Bonhoeffer Reader* Clifford J. Green, Michael P. DeJonge, 2014-04-17 For the first time the essential theological writings of Dietrich Bonhoeffer have been drawn together in a helpful one volume format The Bonhoeffer Reader brings the best English translation to students and provides a ready made introduction to the thought of this essential thinker **Remembering the Reformation** Michael Root, James J. Buckley, 2017-12-13 In 1517 Martin Luther set off what has been called at least since the nineteenth century the Protestant Reformation Can Christians of differing traditions commemorate the upcoming 500th anniversary of this event together How do we understand and assess the Reformation today What calls for celebration What calls for repentance Can the Reformation anniversary be an occasion for greater mutual understanding among Catholics Orthodox and Protestants At the 2015 Pro Ecclesia annual conference for clergy and laity meeting at the Catholic University of America in Washington DC an array of scholars Catholic and Orthodox Evangelical Lutheran and American Evangelical as well as Methodist addressed this topic The aim of this book is not only to collect these diverse Catholic and Evangelical perspectives but also to provide resources for all Christians including pastors and scholars to think and argue about the roads we have taken since 1517 as we also learn to pray with Jesus Christ that all may be one John 17 21 The Evangelical Moment Kenneth J. Collins, 2005 Offers a new interpretation of the evangelical story and articulates an ecumenical vision for evangelism **The Growth of Religious Diversity: Traditions** Gerald Parsons, 1993 These two volumes consider the significance of religion in post war Britain concentrating on the decline of the specifically Christian Society and the emergence of a culturally and religiously plural society **Queen Elizabeth II and Her Church** John Hall, 2012-03-29 The Queen when she was 21 declared that her whole life whether it was long or short would be devoted to service At the coronation she was set apart for service after the example of Jesus Christ In Her Majesty s diamond jubilee year the Dean of Westminster recalls the coronation and special commemorations attended by The Queen in Westminster Abbey in recent years including the marriage of the Duke and Duchess of Cambridge which reached a television audience of 2.2 billion people He offers an insight into some very special occasions not all widely known and reflects on a pattern of leadership as devoted service The Growth of Religious Diversity - Vol 1 Gerald Parsons, 2012-11-12 This two volume set considers the role and significance of religion in post war Britain focusing in particular upon the closely inter related themes of the decline of a specifically Christian Society and the emergence of a culturally and religiously plural society Three core questions are examined in depth to what extent and in what ways has religion remained a significant factor in British culture and society in the period since 1945 what role does religion play in interpreting and understanding the development of a multi cultural and multi ethnic society in post war Britain and to what extent has Britain remained or ceased to be a religious society during this period Volume 1 Traditions

analyses the history and development of the major religious groups present in Britain in the period since 1945 The major religious traditions examined include the traditional Christian churches Judaism Islam Hinduism Sikhism Afro Caribbean religious groups New Religious Movements and the implicit religion of the silent majority who remain detached from organised religion but are by no means simply secular Volume 2 Controversies explores some of the challenges tensions and controversies presented by the emergence of an increasingly religiously plural society in Britain since 1945 In particular it focuses on the impact of religious pluralism on both the Christian churches and other religious traditions the relationship between communal and national identities and religion women and religion and the relationship between religion and changing attitudes to personal and especially sexual morality *The Wiley Blackwell Companion to World Christianity* Lamin Sanneh, Michael McClymond, 2016-05-23 The Wiley Blackwell Companion to World Christianity presents a collection of essays that explore a range of topics relating to the rise spread and influence of Christianity throughout the world Features contributions from renowned scholars of history and religion from around the world Addresses the origins and global expansion of Christianity over the course of two millennia Covers a wide range of themes relating to Christianity including women worship sacraments music visual arts architecture and many more Explores the development of Christian traditions over the past two centuries across several continents and the rise in secularization *Feisty and Fearless* Janice L. Meighan, 2014-04-25 Meet the many sides of Lois M Wilson Moderator senator minister mother chancellor activist wife canoeist feminist *Feisty and Fearless* explores the legacy of an accomplished vibrant public and religious leader a woman of firsts who shattered the stained glass ceiling With access to Wilson and to her unpublished papers photographs and diaries Janice Meighan has created an authentic window into this remarkable woman s story evolving views and vision This book of stories will make you think laugh and cheer *Feisty and Fearless* is a must read for all Canadians With a foreword by Alex Neve Janice L Meighan *Revisioning Christian Unity* Huibert van Beek, 2009
