The Girl Who Hated Maths

Her parents liked the name  
so they called her Einstein.  
And how she hated maths.  
She'd rather play with cats  
or do a drawing of the sunshine.

But they made her count from one to nine  
and put one in front of zero.  
Ten, they said, would follow.  
But it wasn't as much fun  
as snowballing in the snow.

So her maths homework never gets done  
without a whinge and whine  
from that girl Einstein.  
She thinks maths is a pain.  
Too many numbers nibbling at her brain.
