

A promotional image for the telenovela 'El Amor Invincible'. In the center, a woman with long blonde hair, wearing a white sleeveless top, holds a small golden paper boat with both hands. Behind her, two men are visible: one on the left with dark hair and a beard, and one on the right with short dark hair and a goatee. The background is a dramatic, dark blue sky with swirling clouds and a bright light source on the right, creating a sense of mystery and romance. The title 'EL AMOR INVENCIBLE' is written in large, white, serif capital letters on the right side of the image.

Locating Television Zones of Consumption takes an important next step for television studies it acknowledges the growing diversity of the international experience of television today in order to address the question of what is television now The book addresses this question in two interrelated ways by situating the consumption of television within the full range of structures patterns and practices of everyday life and by retrieving the importance of location as fundamental to these structures patterns and practices and consequently to the experience of television This approach involving collaboration between authors from cultural studies and cultural anthropology offers new ways of studying the consumption of television in particular the use of the notion of zones of consumption as a new means of locating television within the full range of its spatial temporal cultural political and industrial contexts Although the study draws its examples from a wide range of locations the US the UK Australia Malaysia Cuba and the Chinese language markets in Asia Hong Kong Singapore China and Taiwan its argument is strongly informed by the evidence and the insights which emerged from ethnographic research in Mexico This research site serves a strategic purpose by working on a location with a highly developed and commercially successful transnational television industry but which is not among the locations usually considered by television studies written in English the limitations to some of the assumptions underlying the orthodoxies in Anglo American television studies are highlighted Suitable for both upper level students and researchers this book is a valuable and original contribution to television media and cultural studies and anthropology presenting approaches and evidence that are new to the field

literatura cubana Raquel Romeu, 2000-01-01 Este volumen reúne diez ensayos sobre otras tantas escritoras cubanas. Tres de ellas, Gertrudis Gómez de Avellaneda, Juana Borrero y Mercedes Matamoros, desarrollan su escritura entre la segunda mitad y finales del siglo XIX y son a su manera exponentes de la quiebra de una tradición mutiladora. Las tres siguientes, Lydia Cabrera, Dulce María Loynaz y René Marqués Capote, en muchos sentidos transgresoras, cada una de ellas dan a conocer lo más sustancioso de su obra en la primera mitad del siglo XX. La narradora Hilda Perera y la poeta Amelia del Castillo, autoras contemporáneas, dan testimonio de esa desgarradora alteridad que concede el exilio. Por último, Zoé Valdés y Dania Chaviano expresan en su escritura provocadora algunos de los más urgentes reclamos de las jóvenes autoras cubanas. *De herencia campesina* Julio César Corvalán, 2023-02-28 *De herencia campesina* es un poemario cuyo contenido habla de amor, amistad, identidad, patrimonio, creencias, vivencias, gentes y lugares recopilados y escritos en un tiempo de pandemia. Cada verso es una invitación a amar y valorar lo que somos y tenemos poniendo énfasis en un paisaje diverso y rico en poesía recogida e interpretado en cada lugar visitado por el autor. Muchos de estos poemas fueron galardonados en concursos literarios a nivel regional, nacional e internacional como ocurrió con su libro anterior *Romance Maulino*. *De herencia Campesina* es un reconocimiento a su punto de partida: hijo de padres campesinos, sabe de dónde viene para pensar adónde ir y cómo llegar. *Casta de hidalgos* Ricardo León, 1914 *Política de fandango y gobierno de Castañuelas* Luis Antón del Olmet, 1914
