The Forgers Roger Moorhouse, 2023-10-17 The secret history of one of the largest and least known rescue operations of World War II Between 1940 and 1943 a group of Polish diplomats in Switzerland engaged in a wholly remarkable and until now completely unknown humanitarian operation In concert with Jewish activists they masterminded a systematic program of forging passports and identity documents for Latin American countries which were then smuggled into German occupied Europe to save the lives of thousands of Jews facing extermination in the Holocaust With the international community failing to act the operation was one of the largest actions to aid Jews of the entire war The Forgers tells this extraordinary story for the first time We follow the desperate bids of Jews to obtain these lifesaving documents as the Nazi death machine draws ever closer And we witness the quiet heroism of a group of ordinary men who decided to do something rather than nothing and saved thousands of lives

Anne Frank and After D. van Galen Last, Rolf Wolfswinkel, 1996 The text considers two questions what happened to the Jews of Holland

during the war and how has Dutch literature come to terms with the enormity of the event The authors trace the destruction of Dutch Jewry and analyse the relation between history and the literature of the Holocaust *Anne Frank: Witness to History!* Mark Shulman,2022-01-18 A biography of Anne Frank a young witness to the atrocities of the Nazis during World War II told in graphic novel format Few stories are as moving as that of Anne Frank a young Jewish girl who became known to the world only when her diary was published posthumously after the end of World War II Anne Frank Witness to History is the biography in graphic novel format of the courageous girl who hid with her family from Nazi occupants in Amsterdam living for two years in a secret annex behind a bookcase The story begins with the rise of the Nazi Party in Germany and chronicles the events of the 1930s and 1940s that led to World War II and the Holocaust Every day spent in hiding brought new anxieties to Anne and her family until the day they were discovered and sent to concentration camps Full color illustrations and historically accurate text make this biography an educational and inspiring read for those who enjoy history and graphic novels **Antisemitism** Susan Sarah Cohen,1987 *The School Librarian* ,1999 *Minha amiga Anne Frank*
