Tennant S. McWilliams

Hannis Taylor The New Southerner As An American:

Hannis Taylor Tennant S. McWilliams,1978 Hannis Taylor was a man of insatiable ambition whose career was a long succession of frustrations But if Taylor never achieved the heights to which he aspired either in Alabama or in the nation his persistent opportunism usually assured him a place at least on the fringes of the centers of power A study of men like Taylor is important among other reasons for what it reveals about a particular type of individual who is virtually always involved in public affairs and especially in reform movements such as progressivism In turn it illuminates progressivism Moreover the author takes pains to emphasize the special problems confronting a southerner of the New South variety such as Taylor who quested for identification with national causes Willard B Gatewood Jr the University of Arkansas **Hannis Taylor: New Southerner as American** Tennant S. McWilliams,1973 A Warring Nation Bertram Wyatt-Brown,2014-01-01 In this culminating work of a long and distinguished career historian Bertram Wyatt Brown looks at the theme of honor a subject on which he was the acknowledged expert and places it in a broader historical and cultural context than ever before Wyatt Brown begins with the contention that honor cannot be understood without considering the role of humiliation which not only sets victor apart from vanquished but drives the search for vindication that is integral to notions of honor The American conception of honor is further deepened by issues of race The author turns to the slave South to show how white and black concepts of honor differed from and contradicted each other illuminating honor s elusive but powerful role in our society He then goes on to explore these themes within a wide range of military and political contexts from the Revolutionary War to Desert Storm providing new insights on how honor drove decision making during many defining events in our history that continue to reverberate in the American mind *Henry Watterson and the New South* Daniel S. Margolies,2006-11-24 Henry Watterson editor of the Louisville Courier Journal during the tumultuous decades between the Civil War and World War I was one of the most influential and widely read journalists in American history At the height of his fame in the early twentieth century Watterson was so well known that his name and image were used to sell cigars and whiskey A major player in American politics for more than fifty years Watterson personally knew nearly every president from Andrew Jackson to Woodrow Wilson Though he always refused to run the renowned editor was frequently touted as a candidate for the U S Senate the Kentucky governor s office and even the White House Shortly after his arrival in Louisville in 1868 Watterson merged competing interests and formed the Courier Journal quickly establishing it as the paper of record in Kentucky a central promoter of economic development in the New South and a prominent voice on the national political stage An avowed Democrat in an era when newspapers were openly aligned with political parties Watterson adopted a defiant independence within the Democratic Party and challenged the Democrats consensus opinions as much as he reinforced them In the first new study of Watterson s historical significance in more than fifty years Daniel S Margolies traces the development of Watterson s political and economic positions and his transformation from a strident Confederate newspaper editor into an

admirer of Lincoln a powerful voice of sectional reconciliation and the nation's premier advocate of free trade Henry Watterson and the New South provides the first study of Watterson's unique attempt to guide regional and national discussions of foreign affairs Margolies details Watterson's quest to solve the sovereignty problems of the 1870s and to quell the economic and social upheavals of the 1890s through an expansive empire of free trade Watterson's political and editorial contemporaries variously advocated free silverism protectionism and isolationism but he rejected their narrow focus and maintained that the best way to improve the South's fortunes was to expand its economic activities to a truly global scale Watterson's New Departure in foreign affairs was an often contradictory program of decentralized home rule and overseas imperialism but he remained steadfast in his vision of a prosperous and independent South within an American economic empire of unfettered free trade Watterson thus helped to bring about the eventual bipartisan embrace of globalization that came to define America's relationship with the rest of the world in the twentieth century Margolies's groundbreaking analysis shows how Watterson's authoritative command of the nation's most divisive issues his rhetorical zeal and his willingness to stand against the tide of conventional wisdom made him a national icon

Ghosts of the Confederacy

Gaines M. Foster, 1987-04-23 Through an examination of memoirs personal papers and postwar Confederate rituals this book explores how white southerners interpreted the Civil War accepted defeat and readily embraced reunion and a New South It reveals that while the Lost Cause was a central force in shaping late 19th century southern culture the legacy of defeat ultimately had little impact on southern behavior

William McKinley and His America Howard Wayne Morgan, 2003 In 1896 McKinley swept away all rivals to win the presidential nomination on the first ballot Faced in the general election by the well respected and highly touted orator William Jennings Bryan Republicans adopted their Front Porch Campaign Thousands of citizens from across the country were brought to McKinley's home in Canton for a handshake and a few words Hanna arranged for this \$3.5 million campaign to be paid for by big business with oil baron John D Rockefeller writing the largest check McKinley's military service and his support among veterans were significant factors in his campaign He became the first presidential candidate in a generation to win a majority of the popular vote This extensively revised and expanded edition of H Wayne Morgan's *William McKinley and His America* will be an important resource for historians and scholars

BOOK JACKET

The Great War in the Heart of Dixie

Martin T. Olliff, 2008-10-12 There has been much scholarship on how the U S as a nation reacted to World War I but few have explored how Alabama responded Did the state follow the federal government's lead in organizing its resources or did Alabamians devise their own solutions to unique problems they faced How did the state's cultural institutions and government react What changes occurred in its economy and way of life What if any were the long term consequences in Alabama The contributors to this volume address these questions and establish a base for further investigation of the state during this era Contributors David Alsobrook Wilson Fallin Jr Robert J Jakeman Dowe Littleton Martin T Olliff Victoria E Ott Wesley P Newton Michael V R Thomason Ruth Smith Truss and Robert

Saunders Jr **World War I and the American Constitution** William G. Ross, 2017-02-27 The First World War profoundly affected the American political system by transforming constitutional law and providing the predicate for the modern administrative state In this groundbreaking study William G Ross examines the social political economic and legal forces that generated this rapid change Ross explains how the war increased federal and state economic regulatory powers transferred power from Congress to the President and altered federalism by enhancing the powers of the federal government He demonstrates how social changes generated by the war provided a catalyst for the expansion of personal liberties including freedom of speech freedom of the press and the rights of women racial minorities and industrial workers Through a study of constitutional law gender race economics labor the prohibition movement international relations civil liberties and society this book provides a major contribution to our understanding of the development of the American Constitution

Encyclopedia of Cuban-United States Relations Thomas M. Leonard, 2015-07-11 Ninety miles from Florida the island of Cuba has since long before the Castro revolution focused its attention upon and drawn the attention of the United States American interest can be traced to President Jefferson events since 1959 have kept the two nations constantly at odds This encyclopedia places persons and events in the context of Cuban relations with the United States and vice versa An introduction and chronology provide a background From ADAMS JOHN QUINCY to ZAYAS ALFREDO entries cover such topics as policies e g Isle of Pines Treaty 1931 International Sugar Agreement leaders e g Fulgencio Batista John F Kennedy and events e g Bay of Pigs invasion Baltimore Orioles vs Cuban All Stars in A999 Many see references interconnect the entries *The New South Faces the World* Tennant McWilliams, Tennant S. McWilliams, 2007-01-15 McWilliams book is a subtle exploration of the evolution of southern ideas and actions about foreign policy Virginia Quarterly Review **An**

Unwanted War John L. Offner, 2014-04-24 Offner clarifies the complex relations of the United States Spain and Cuba leading up to the Spanish American War and contends that the war was not wanted by any of the parties but was nonetheless unavoidable He shows that a final round of peace negotiations failed in large part because internal political constraints limited diplomatic flexibility *Poet of the Lost Cause* Donald Robert Beagle, Bryan Albin Giemza, 2008 The result of meticulous scholarship and decades of careful collecting to create a body of reliable information this definitive full length biography of the enigmatic Confederate poet presents a close examination of the man behind the myth and separates Lost Cause legend from fact Jacket *Dixie Looks Abroad* Joseph A. Fry, 2002-01-01 As America s most self conscious section the South has exercised an important and often decisive influence on U S foreign relations but the extent of this influence has been largely unexplored by historians In this groundbreaking study Joseph A Fry provides a comprehensive overview of the South s role in U S international involvement from 1789 to 1973 revealing the enormous impact of southern pressure on broader national interests In a gracefully written and engaging narrative Fry chronicles the South s numerous foreign policy opinions over time including its opposition to closer relations with Great Britain and war with France in the 1790s its

leadership in the War of 1812 its flawed diplomatic attempts during the years of the Confederacy and its fifty year protest against the increasingly assertive Republican dominated political agenda following the Civil War With the election of Woodrow Wilson Fry shows the South reversed its tendency toward isolationism and consistently supported Wilson's activist foreign policies The South sustained this interventionist mind set into the 1970s ardently supporting cold war containment policy Fry is careful to note that southerners seldom presented a completely united front on foreign affairs Yet even while disagreeing among themselves he argues they consistently viewed the world through a distinctly southern lens and acted on a variety of perceived common interests including a dedication to honor and patriotism a determination to protect slavery a proclivity for personal violence a commitment to partisan politics a concern for economics and a preoccupation with race Though the South's foreign policy opinions varied widely through the years Fry's extraordinary work affirms that Dixie has always held considerable clout on the world stage

Dangerous Nation Robert Kagan, 2007-11-06 Most Americans believe the United States had been an isolationist power until the twentieth century This is wrong In a riveting and brilliantly revisionist work of history Robert Kagan bestselling author of *Of Paradise and Power* shows how Americans have in fact steadily been increasing their global power and influence from the beginning Driven by commercial territorial and idealistic ambitions the United States has always perceived itself and been seen by other nations as an international force This is a book of great importance to our understanding of our nation's history and its role in the global community

Historical Dictionary of the Spanish American War Donald H. Dyal, 1996-04-16 Foreshadowing the twentieth century experience the Spanish American War was America's first modern foreign war Catapulting the United States into an international world power the war had lasting international implications Besides America's acquisition of Puerto Rico the Philippines Hawaii and Guam the war led the United States to take to the international stage confronting Germany and Japan foreshadowing the conflict of World War II and creating a diplomatic bridge between Great Britain and the United States For Spain the 1898 1899 conflict was the death knell of empire which led to a national crisis culminating in the Spanish Civil War This volume provides easily accessible information on the naval and army operations Spanish operations and the political background to the military events with an emphasis on future foreign affairs The Spanish American War is seminal to an understanding of twentieth century U S foreign relations in Cuba the Pacific especially Japan and with Great Britain It is also central to an understanding of twentieth century Spain U S military history also requires an understanding of amphibious operations naval and army reform deployment command and control and interservice cooperation as reflected in the Spanish American War This book provides a quick reference to what was once called this splendid little war

Legislating Racism Thomas Adams Upchurch, 2021-10-21 The Civil War and Reconstruction were characterized by two lasting legacies the failure to bring racial harmony to the South and the failure to foster reconciliation between the North and South The nation was left with a festering race problem as a white dominated society and political structure debated the proper role for blacks At the national

level both sides harbored bitter feelings toward the other which often resulted in clashes among congressmen that inflamed rather than solved the race problem No Congress expended more energy debating this issue than the Fifty First or Billion Dollar Congress of 1889 1891 The Congress debated several controversial solutions provoking discussion far beyond the halls of government and shaping the course of race relations for twentieth century America Legislating Racism proposes that these congressional debates actually created a climate for the first truly frank national discussion of racial issues in the United States In an historic moment of unusual honesty and openness a majority of congressmen newspaper editors magazine contributors and the American public came to admit their racial prejudice against not only blacks but all minority races If the majority of white Americans not just those in the South harbored racist sentiments many wondered whether Americans should simply accept racism as the American way Thomas Adams Upchurch contends that the Fifty First Congress in trying to solve the race problem in fact began the process of making racism socially and politically acceptable for a whole generation inadvertently giving birth to the Jim Crow era of American history *Urban Emancipation* Michael W. Fitzgerald,2002-09-01 Scholars of Reconstruction have generally described Republican party factional conflicts in racial terms as if the Radical agenda evoked unified black support As Michael W Fitzgerald shows in the first major study of black popular politics in the urban South in the years surrounding the Civil War that depiction oversimplifies a contentious and often overlooked intraracial dynamic Republican political power he argues heightened divisions within the African American community divisions that were ultimately a major factor in the failure of Reconstruction Focusing on Mobile the Confederacy s fourth largest city Fitzgerald traces how the rivalry between longtime black residents and destitute freedmen fleeing the countryside yielded a startlingly antagonistic political scene He demonstrates that the Republican factionalism that helped doom Reconstruction went beyond competing cliques of white officeholders Boldly challenging reigning theories about the nature of post Civil War politics *Urban Emancipation* will spark historical debate for years to come *The Private Life of a New South Lawyer* Cicero Stephens Croom,2002 Croom s Journal is remarkable for the skill with which the author describes the legal political and literary circles in which he moved It is a rare and personally revealing document Some of Croom s views on social and radical matters particularly will affront modern readers but it is impossible to understand Croom s world without taking them into consideration **The North Carolina Historical Review** ,1989 **Hannis Taylor-New Southerner** Tennant S. McWilliams,1978

Reviewing **Hannis Taylor The New Southerner As An American**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Hannis Taylor The New Southerner As An American Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Hannis Taylor The New Southerner As An American PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Hannis Taylor The New Southerner As An American PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Hannis Taylor The New Southerner As An American free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Hannis Taylor The New Southerner As An American Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Hannis Taylor The New Southerner As An American is one of the best book in our library for free trial. We provide copy of Hannis Taylor The New Southerner As An American in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Hannis Taylor The New Southerner As An American. Where to download Hannis Taylor The New Southerner As An American online for free? Are you looking for Hannis Taylor The New Southerner As An American PDF? This is definitely going to save you time and cash in something you should think about.
