This was what she hadn't imagined before. When Bella kissed his body on the bed, she smelled the scent of a lady's perfume. But she didn't tell her husband about her suspicion. That night their sex was combined with uneasiness. After Bella was asleep, her husband left home and started another sex in the hotel with his mistress, a wealthy lady who would marry him in several days. Only he married his lustful mistress could his business become better. This whole thing was guilty, which was evident in his mind. But no matter how excited he was on his mistress's body, all he thought was his wife. Sank in such anxiety. Bella found she was pregnant. After her first pregnancy examination, she saw the news about his husband's wedding on TV in the hospital. He didn't even give her a wedding. What should she do? It seemed that she skipped her heartbeat and then she felt her world become dark. All she could hear was someone shouting, "Lady, are you okay? You are bleeding." **Catalog of Copyright Entries.
