The Happy Prince and Other Tales Annotated Oscar Wilde, 2020-07-21 High above a city stands an ornate statue of the Happy Prince recently deceased He oversees the town and is pained by the suffering of his people One night a Swallow who had not gone to Egypt with his flock for the winter because he was pursuing a beautiful Reed arrives in the city and rests on the Happy Prince's statue. The Swallow notices the Prince is crying and the Prince explains that during his lifetime he had lived in a palace devoid of misery and therefore had never experienced sorrow. Now though he can see the suffering of his people. He then asks the Swallow to distribute the gemstones and gold leaf from his form to various families in need. The Swallow loves the Prince and decides to stay By the time winter arrives though the Happy Prince is stripped of all his beauty while the Swallow dies of the harsh cold. As a result, the Happy Prince's lead heart breaks. When the Mayor finds the statue in such a decrepit state he decides to take it down melt it and make an ornate statue of himself. The lead heart and the dead swallow are discarded like they are nothing but when God tells an Angel to bring. Him the two most precious things in the city the Angel brings him the dead bird and the lead heart. The Selfish GiantWhen the Selfish Giant returns from a seven year visit with the Cornish Ogre he is furious to find twelve children playing in his beautiful garden Angered by their presence he builds a wall and puts up a notice saying TRESPASSERS WILL BE PROSECUTED. This causes his property to fall into an undying winter no trees grow and spring and summer never come. One day he is awakened by the sound of a bird. He looks out his window and sees that the children have found a way back in which results in spring returning to the garden. The sight

inspires the giant to break down the wall but as soon as he steps out all but one of the children run away in fright He helps a small crying boy climb a tree and invites the other children back in announcing the garden is now theirs as well As the years pass by the children continue to come to play with the Giant but the small boy he had helped never returns breaking his heart One winter morning the now old and frail Giant sees the boy he once helped standing beneath a magnificent tree The boy bears a stigmata meaning he is Jesus Christ and comes to take the Giant to Paradise Later the other children find the Giant's corpse under tree covered in white blossoms The Nightingale and The RoseA nightingale overhears a student lamenting He is upset that his professor's daughter refused to dance with unless he gave her a red rose The nightingale believing his love to be true visits all the rose trees but as it is winter there are none to be found Eventually one of the trees admits there is one way to produce a red rose but it requires the bird to sing her sweetest song all night while pressing her heart into a thorn Believing the student's tears to be true the nightingale makes the ultimate sacrifice by slowly impaling herself causing her blood to stain the rose The student takes the rose to the professor's daughter only to have her reject him once again the rose will clash with her dress and another man offered her jewels Upset the student throws the rose away and returns to his study of Philosophy and Metaphysics refusing to believe in love anymore The Devoted FriendThe tale begins with a Water rat reprimanding a Duck for letting her children misbehave even though he then admits to not having a family of his own He does not believe in love but believes that there is nothing nobler or rarer than a devoted friendship When a nearby Linnet asks to elaborate the Water Rat replies that he would expect the friend to be devoted to him Hearing the flawed logic the Linnet begins telling him the story of Little Hans and the Miller The Happy Prince and Other Tales Annotated The Happy Prince and Other Tales Oscar, 2020-10-11 The Happy Prince and Other Tales is a collection of stories for children by Oscar Wilde first published in May 1888 It contains five stories In a town where there are a lot of poor people who suffer a swallow who was left behind after his flock flew off to Egypt for the wintmeets the statue of the late Happy Prince who in reality has never experienced true sorrow for he lived in a palace where sorrow was not allowed to enter Viewing various scenes of people suffering in poverty from his tall monument the Happy Prince asks the swallow to take the ruby from his hilt the sapphires from his eyes and the gold leaf covering his body to give to the poor As the winter comes and the Happy Prince is stripped of all of his beauty his lead heart breaks when the swallow dies as a result of his selfless deeds and severe cold The people unaware of their good deeds take the statue down from the pillar due to its shabbiness intending to replace it with one of the Mayor and the metal melted in a furnace leaving behind the broken heart and the dead swallow they are thrown in a dust heap These are taken up to heaven by an angel that has deemed them the two most precious things in the city This is affirmed by God and they live forever in his city of gold and garden of paradise The Happy Prince Oscar Wilde, 2020-12-03 HIGH above the city on a tall column stood the statue of the Happy Prince He was gildedall over with thin leaves of fine gold for eyes he had two bright sapphires and a large redruby glowed on his sword hilt He was very much

didn t regret about the decorations taken down from him and he keeps on doing noble things with the help of a swallow The swallow was the proof that everyone can do selfless things even though they would maybe be risking their lives His love and devotion were rewarded with an eternal life In the fairytale we can see the prince and the swallow who try to help the ones in need and make them happy while on the other side we can see the powerful people in important positions who do not want to see what is going on in the world They only see themselves and their goal in life Oscar Wild set up a principle of selfishness and selflessness and he took the story to its top when God helped the main heroes of the story The language in which the fairytale was written is simple even though every single word is wisely picked Oscar Wild is the one leading the storytelling and introducing the readers into the plot The whole fairytale is filled with hidden messages and because of that The happy prince is a book you should read with a lot of attention **The Happy Prince and Other Tales** Oscar Wilde, 1894 **Happy Prince and Other Tales** Oscar Wilde, 2021-10-07 High above a city stands an ornate statue of the Happy Prince recently deceased He oversees the town and is pained by the suffering of his people One night a Swallow who had not gone to Egypt with his flock for the winter because he was pursuing a beautiful Reed arrives in the city and rests on the Happy Prince's statue The Swallow notices the Prince is crying and the Prince explains that during his lifetime he had lived in a palace devoid of misery and therefore had never experienced sorrow Now though he can see the suffering of his people He then asks the Swallow to distribute the gemstones and gold leaf from his form to various families in need The Swallow loves the Prince and decides to stay By the time winter arrives though the Happy Prince is stripped of all his beauty while the Swallow dies of the harsh cold As a result the Happy Prince's lead heart breaks When the Mayor finds the statue in such a decrepit state he decides to take it down melt it and make an ornate statue of himself The lead heart and the dead swallow are discarded like they are nothing but when God tells an Angel to bring Him the two most precious things in the city the Angel brings him the dead bird and the lead heart
